

Adjunct Professor – Business Department

Position Description

The Business Department is actively seeking qualified adjunct professors to teach in the Traditional Undergraduate Business program.

Applications for adjunct (temporary, part-time) positions are currently being accepted in order to create a pool of qualified candidates for both traditional on-site courses and/or online courses. The number of available positions varies from term to term. All persons recommended for employment must complete the required documents for employment. Applications for the Part-time Faculty Pool are accepted on an on-going basis

Minimum Requirements:

- Master's degree in the designated field; Doctoral degree preferred.
- Teaching experience is preferred. Courses that need adjunct instructors may vary by semester.
