This catalog is published annually. Although care is given to assure that this publication is an accurate description of traditions, programs, policies, procedures, facilities, personnel, and other matters relevant to the function of William Jessup University, the catalog is not intended as a contract. As changes occur, they may supersede the descriptions herein.
Greetings from William Jessup University!

Many good things have happened since our beginning in 1939, but the best days of the University are taking place right now. Since relocating the University to Rocklin, CA we are facing a wonderful future of growth opportunity! We look with eager anticipation at what God has planned for us on this exciting journey toward becoming a premier Christian University in Northern California.

We are an educational institution with a difference. As a University accredited by Western Association of Schools and Colleges (WASC) and Association for Biblical Higher Education (ABHE), we fulfill our mission in the spirit of a family where we love one another and help each other to achieve God’s best in our lives. Our University is small enough to care about every individual but large enough to provide quality Christian higher education.

You may not know exactly how God will use you in the future, but you do know you want to deepen your life so that God can broaden your ministry for Him. Many come to WJU so that they can better understand the will of God for their lives and then go forth to serve Him in hundreds of different places around the world—for opportunity always follows preparation!

As I begin my 22nd year as President of William Jessup University, it is a privilege, joy, and honor to serve the Lord in this vital ministry. I would love to have the opportunity to share in your life as, together, we seek to glorify God through WJU.

Bryce Jessup
President

**EXTRAORDINARY TIMES!**

As we look to the history of William Jessup University, we see an institution with a consistent and essential purpose: to educate Christians for leadership and service in church and society.

William Jessup University began during the Great Depression of the 1930s. Dr. Eugene Sanderson, who had already started three other Bible colleges, saw the need for a Bible college in the greater San Francisco Bay Area. He purchased two large houses on adjacent lots at Fifth and San Carlos Streets, across from the campus of San Jose State Teachers College. During the next five years, he improved the property and built a chapel for the faculty and student body yet to come.

In January of 1939, Sanderson asked William L. Jessup to carry on the vision and start the College. Bill and his wife, Carrie, moved from Visalia to San Jose to open the College. On September 20, 1939, classes began with fourteen students. The curriculum focused on the study of the Bible and preparation for church vocations.

During the next few years growth at San Jose Bible College created the need for a new and larger campus. Seven and one-half acres were purchased at Twelfth and Virginia Streets where the college remained until the move to Rocklin, California, in 2004. The first three buildings were erected and put into use by February 1951. The first on-campus housing, Beach Memorial Hall, a dormitory for women, was dedicated in 1960.

During the 1960s and 1970s new buildings included a second dormitory, a cafeteria, the Memorial Library, the Tiffin Center, a multipurpose gymnasium, and a classroom building. The College received accreditation with Accrediting Association of Bible Colleges (AABC), presently known as Association of Biblical Higher Education (ABHE), in 1962.

Dr. Bryce Jessup, the son of the founder and president since 1984, has led the University to its greatest growth in enrollment, facilities and curriculum. Multicultural programs focusing on leadership training were added to the curriculum for students from various cultural heritages in and around San Jose. Students come to WJU from more than thirty different birth countries enrolled. The Degree Completion Program for working adults was added in 1996 to meet the educational needs of adult learners and now comprises nearly one-third of the student population.

San Jose Bible College became San Jose Christian College on July 1, 1989. Regional accreditation was granted by the Western Association of Schools and Colleges in 2002. The name was changed to William Jessup University in 2003 and the campus was moved to Rocklin, California, in 2004. The name change reflected the decision to broaden the academic programs to include traditional undergraduate studies, professional studies and graduate studies in a variety of disciplines.

_Reconstruction of the Herman Miller complex in Rocklin now provides 150,000 sq. ft. of finished space on the 125-acre campus, including 14 classrooms, the library, faculty and administrative offices, three residence halls, student center, bookstore, coffee shop, dining room, chapel, cross country course, soccer field and basketball practice court. Additional construction planned for the future includes: additional classrooms, faculty offices and science labs; gymnasium, fitness center and recreation facilities; event center, group and individual music rehearsal rooms; permanent dining halls and additional residence halls._
Greater Sacramento Area
Rocklin, CA – Placer County

In 1839 Johann Augustus Sutter settled at the point where the American and Sacramento Rivers converge. Sutter was later granted 48,000 acres by the Mexican Government – little did they realize they had given away a goldmine! In 1848, just thirty miles east of Sacramento, gold was discovered. The news quickly spread and soon fortune hunters from around the world were flocking to the area in what was recorded as the largest human migration in history.

Sacramento became the State Capital in 1854 and also serves as the county’s seat. Today, gold is still being discovered in the area, only now it is in the form of beautiful architecture, exciting recreational attractions, and a culturally rich and diverse world-class city!

With a fast-growing population of 1.2 million people, the Greater Sacramento area is a thriving metropolis. Sacramento has many professional sports teams, including the Sacramento Kings, the Monarchs, the Rivercats, and the Knights. Performing arts are also important, and residents can enjoy the ballet, opera, symphony, and theater.

William Jessup University is located in Rocklin, CA a beautiful town of 43,000 nestled at the base of the Sierra Nevada foothills in Placer County, 20 miles northeast of Sacramento. The University’s location, halfway between San Francisco and Lake Tahoe and only minutes from downtown Sacramento, provides WJU students with a wide range of service and recreational options.

Placer County offers both urban and rural recreation opportunities. You can catch a play and dinner in Sacramento, or head up to Lake Tahoe for fishing, boating, or camping. World class ski resorts are only a short drive away and an extensive regional mall called The Roseville Galleria is just a few minutes from the University.

The county is one of the fastest growing in California. This popularity is not only because of the various recreational attractions, but the strong and diverse economy. Computer and technological companies, business services, medical, freight, and recreation industries are just some of the top employers in the area.

Rocklin and its surrounding area hold many opportunities for service and outreach to people in need. Placer and Sacramento Counties are exciting places to be to learn more about the Lord and serve His people!

Mission Statement

In partnership with the Church, the purpose of William Jessup University is to prepare Christians for leadership and service in church and society, through Christian higher education, spiritual formation, and directed experiences.

Education at William Jessup University is:
- Christ-centered education
- Biblical education
- General education
- Practical education
- Multicultural education

Vision Statement

The William Jessup University vision is that our graduates will be transformed and help redeem world culture by providing notable servant leadership; by enriching family, church and community life; and by serving with distinction in their chosen career.

Doctrinal Statement

William Jessup University is committed to an evangelical expression of Christian faith:

We believe in the one God: Father, Son and Holy Spirit, as revealed in the Holy Bible and made known in Jesus Christ our Lord,

We believe that Jesus the divine Son became human, was born of a virgin, ministered in word and miracle, died for our sin, was raised bodily from the dead, ascended to God’s right hand and is coming again for his people,

We believe that the Holy Spirit is presently ministering through the Christian community, empowering lives of godliness and service,

We believe that the Holy Bible is completely God breathed, true in all its teaching, and the final authority for all matters of faith and practice,

We believe that Jesus Christ established his church on earth to carry out his saving mission among all ethnic groups and formed her to be one holy people,

We believe in God’s saving grace that calls forth from all people: faith, repentance, confession, baptism, and new life and ministry through the Spirit,

We commit ourselves to the teaching, practice and defense of these truths until the coming of our Lord Jesus Christ.
Educational Philosophy
William Jessup University fulfills its mission with an emphasis on education that prepares Christians for leadership and service in the church and society, the one institution commissioned by God to fulfill His plan in the world. Such an emphasis mandates a curriculum which prepares persons who are thoughtful, compassionate, culturally sensitive, and capable of integrating personal faith and vocation in all avenues of society.

Educational Goal
The primary goal of education at William Jessup University is the integration of faith and learning. In pursuing this goal, we accept the unity of all knowledge under God and perceive no contradiction between the truth of the Christian revelation and that of scholarly investigation. WJU offers both general education courses that provide the broad scope of human knowledge and a biblical studies core that establishes a perspective which gives coherence and purpose to that knowledge.

Educational Objectives
The integration of faith and learning is facilitated by a curriculum and learning environment which:

1. offer an appropriate balance between courses in Bible and theology, practical ministry, and general education, and erase any artificial barriers between these areas of study;
2. encourage a well-conceived system of values and beliefs;
3. celebrate and honor all cultural groups;
4. personalize the educational process by emphasizing the priority of relationship-building throughout the University experience.

Student Learning Outcomes
The integration of faith and learning is demonstrated in the lives of students who:

1. demonstrate understanding of the Christian Scriptures and its major theological themes;
2. gain and apply knowledge and skills in systematic inquiry in Biblical thought, quantitative thought, and critical analysis of data and argument;
3. demonstrate competence in reading, writing, listening comprehension, and oral communication in the English language;
4. have entered into a life of spiritual formation integrating vocation, ministry, character, and lifestyle;
5. are actively involved in applying knowledge and skills acquired to practical Christian ministry;
6. understand and appreciate cultural and ethnic differences and are sensitive to the needs of all humanity.

Multicultural Education at WJU
William Jessup University encourages a multicultural environment where all cultural groups are celebrated and honored. Multicultural education at WJU seeks to remove the barriers of culture and language that would prohibit that contextualization of the gospel of Jesus which is crucial to the ethnically diverse world in which we live. The purposes of multicultural education at WJU are to:

1. educate, train, and prepare Christians from various ethnic groups for service and leadership in Christian ministry;
2. teach principles of crosscultural appreciation, evangelism, and ministry to all students.

Multicultural education at WJU emphasizes a bicultural and bilingual aspect where international students and students from minority cultural heritages learn to function in the dominant American culture without losing their cultural distinctive. To accomplish this goal, WJU offers specialized, multicultural tracks of courses at the Rocklin campus and extension sites.

Ministry courses are available in several of the students' first languages. In this way, students are equipped for bicultural ministry through specialized bicultural and transitional courses. In such ways, students are encouraged to contextualize ministry skills, studying in their original language with qualified professors who demonstrate bicultural proficiency usually by earning degrees from both an American university and from a foreign university. This education prepares students to return to their homeland or to minister to various cultural groups in America or elsewhere.

Furthermore, all students at WJU are expected to acquire skills in crosscultural communication in order to proclaim the Christian story in our world of many ethnic groups. Students with particular interest in multicultural or crosscultural education are encouraged to pursue a degree in Intercultural Studies. In this way, students from the dominant culture are equipped not only to appreciate cultural diversity in America but to experience crosscultural ministry within or beyond our borders.

This rationale for multicultural education is consistent both with our view that God honors people from all cultural heritages without showing favoritism and with our Christian commitment to giving all people an opportunity to respond to the good news of Jesus.
Degree Completion Program

William Jessup University has developed its Degree Completion Program to meet the needs of working adults who are 25 or older, or have completed 2 years of full-time work, and have the equivalent of two years or more of transferable college credits. These individuals are typically employed full-time and interested in completing a bachelor’s degree in the evening while continuing to work. This program’s innovative format allows them to earn their Bachelor of Science degree with a major in Bible and Theology and a second major in: Christian Leadership, Management and Ethics, or Counseling Psychology in a manageable amount of time. Classes begin at different times throughout the year and meet one night per week on a year-round basis. Students meeting all entrance requirements can complete the degree in less than two years.

Contact the Degree Completion Office for information on starting dates for classes at (916) 577-2336 in the Greater Sacramento Area or (800) 205-6100 in San Jose. This bachelor’s degree is designed to apply closely to students’ career goals and to equip students to be more effective team leaders.

Information pertaining to Admissions and Academic policies of the Degree Completion Program begins on page 61 of this catalog.

VISITING THE CAMPUS
We encourage you to visit our campus! This is a time for prospective students and their families to visit the WJU campus, meet students and faculty and receive valuable information about the WJU experience. We will host two events called “Preview Days”, one in November and one in February. There is no cost and an RSVP is required. Please contact the Admission Office or check our web site for details.

If you can not make it for a Preview Days, contact us a few days in advance and we will gladly arrange for a campus tour and a meeting with an admission counselor. Either way, “seeing is believing” and we hope you will take advantage of a visit.

APPLICATION PROCEDURES
The following list will tell what is needed to complete an application for William Jessup University.
Admission policies specific to the Degree Completion Program can be found on page 60.

1. Completed formal application, submitted between September 1: and the priority filing deadline of June 1.
2. A non-refundable application fee of $35.00 is required with either the online or paper version of the application.
3. The confidential Academic Recommendation, completed by a teacher or professor in an academic solid subject.
4. The confidential Personal Recommendation, completed by your senior pastor, youth pastor, or school counselor.
5. Personal letter of introduction (typed, minimum of 300 words) addressing academic preparation, co-curricular activities, services to your community or church and a statement of personal faith.
6. Official high school transcript for entering first-year students. (a GED or High School Proficiency Exam may serve as equivalence).
7. Official reports of the Scholastic Aptitude Test (SAT) scores or the American College Test (ACT). WJU’s college number for the SAT is 4756 and the number for the ACT is 0417.
8a. Official college transcript(s) for a transfer student. Note: If a transfer student has less than 24 academic semester units completed at the time of application, a final official high school transcript and SAT/ACT score are required.
8b. Foreign-born students who have successfully completed fewer than three years of American high school may substitute the TOEFL (Test of English as a Foreign Language) for the SAT/ACT. The WJU number for the TOEFL is 4756. International students who do not have access to the SAT or ACT testing programs may also waive these tests but must submit TOEFL scores instead.

APPLICATION DEADLINES
To avoid any processing delays, all applicable items above must be submitted by the following priority filing dates:

Fall Semester........................................June 1 (Postmarked)
Spring Semester....................................December 1 (Postmarked)

INTERNATIONAL STUDENT ADMISSIONS
William Jessup University is approved by the U.S. Citizenship and Immigration Services for the admission of foreign students. Foreign students who can meet the following requirements are encouraged to apply for admission.

1. International students must meet the same standards required of other students.
2. International students must be able to read, write, speak, and aurally comprehend English sufficiently to do university work. The TOEFL (Test of English as a Foreign Language) score must be submitted to the University as evidence of this ability before admission will be granted. A minimum paper-based score of 500 or a computer-based score of 173 must be attained for full participation in those courses taught in English.
3. The TOEFL requirement may be waived for a student who has completed at least four years of successful full-time study at the secondary or post-secondary level in which English was the language of instruction. An official letter from that institution is required to verify that English was the language of instruction. In addition to a letter from the institution, the ACT or SAT will be required as a means of determining the level of English proficiency.
4. International students must have their own financial support. They should have an additional $1,000 in the bank to allow them to return to their home country when they leave the University. The student’s sponsor must fill out and have notarized an affidavit of support. The official evidence that funds are available must be shown by official bank statements with the total amount in US dollars. Financial support can come from more than one source.
5. International students must submit official transcripts in English of all school and college work done above eighth grade (age 14). It is recommended that the student have their transcripts translated/evaluated by an appropriately recognized international educational evaluation service such as IERF (International Education Research Foundation); contact the Admissions Office for a list of other acceptable evaluation services.
6. International students must apply for a passport from their country’s Foreign Ministry.
7. International students will be sent an I-20 form once they have received notification from the Admissions Office that they have been accepted to study at William Jessup University. Once they receive an I-20, they should apply to the U.S. Consul in their country for a nonimmigrant student visa. This visa is a stamp placed in the passport which gives permission to enter the United States and enroll in college.

Foreign students should begin correspondence with the University several months before the beginning of the semester in which they wish to enroll. All correspondence should be sent by air mail, facsimile: (916-577-2220), or e-mail: admissions@jessup.edu.
Admissions Criteria
An applicant’s academic records, supporting documents, moral character, and willingness to comply with the standards and values of the University are considered before a final decision about admission is made.

William Jessup University may choose to not offer admission or honor any request for readmission for any reason it may consider valid. Following are examples of the reasons that a student may be refused admission to WJU:

1. Academic record deemed deficient.
2. Substance abuse.
3. Mental illness. Students who apply to WJU following a hospitalization must sign a release to allow school officials to confer with appropriate professionals. The University reserves the right to be informed of a student’s after-care plan and to determine if a student is ready for the academic and social environment at WJU. The University requires that students wait one year between completing hospitalization and applying for admission.
4. Moral objections. Persons who show a lack of Christian character by practicing criminal acts of any kind, sexual immorality, witchcraft, or any other immorality and unchristian acts are requested not to apply for admission.

All students are accepted on the assumption that they will abide by the rules as printed in the Student Handbook and by the standards of the University.

An admissions consultation with a representative from the Admissions Office may also be required of applicants prior to acceptance, at the discretion of the Admissions Committee. An applicant who does not enroll within one year of submitting an application must reapply. Acceptance of an applicant to WJU is determined by the Admissions Committee.

English Proficiency
All degree-track students must satisfy the University’s General Education requirements. Completion of Composition and Communication I and II or their equivalents (as determined by the General Education Department), is required of every candidate for a degree at WJU. Courses in English as a foreign language taken at an overseas school may not be used to satisfy English composition requirements at WJU.

Placement Testing
Placement tests are administered during fall semester and immediately preceding the spring semester. Students who miss scheduled placement testing will be charged a late test administration fee of $35.00 per test.

English and Math Placement Tests are required of all students at WJU. Students will be placed in the appropriate levels of English and Math based on their scores. Students may be considered exempt from placement testing if they have:

1. passed college-level English (English 1A) and/or Math courses (Algebra II or higher) with a “C” or better at an approved U.S. college or university;
2. achieved an ACT composite score of at least 22;
3. achieved an SAT score of at least 550 (recentered) on the “verbal” section, to be exempt from English placement testing;
4. achieved an SAT score of at least 570 (recentered) on the “math” section, to be exempt from Math placement testing.

A Computer Proficiency Exam determines the knowledge and skill level that a student possesses with personal computers. Students whose scores do not indicate proficiency will enroll in Introduction to Information Technology.

The Writing Proficiency Exam (WPE) is required of all students who have passed Composition and Communication I and II, and must be passed in order to attain upper division standing and participate in upper division courses. Both continuing and transfer students will take the WPE before they complete 64 units of study. Transfer students who have passed Composition and Communication II at an approved U.S. college or university are required to take the WPE at entrance to WJU to verify English competence for upper division placement.

First-time and lower division transfers who do not achieve satisfactory scores in writing on Advanced Placement, SAT, ACT, and/or EPT, must enroll immediately in remedial or developmental programs to correct the deficiency. First-time and lower division transfers who do not achieve satisfactory scores in mathematics on Advanced Placement, SAT, ACT, and/or MPT, must enroll in remedial or developmental programs by their third term to correct the deficiency.

Enrollment Deposit
Once offered admission, applicants are required to submit a $250 enrollment deposit postmarked by June 1. Priority consideration for housing, registration, and financial aid is given to those students who submit the deposit to the Admission Office postmarked by June 1. Note: In accordance with NACAC and the National Candidates Reply Date, this deposit is refundable until May 1.

On-Campus Housing
Men’s and Women’s Residence Halls are available for single students. All unmarried freshmen and sophomores under the age of 21 are required to live on campus unless they live with family members approved by the Associate Dean of Students.

Those intending to live in on-campus housing should contact the Admissions Office for an application.

Campus Housing
Those intending to live in on-campus housing should contact the Admissions Office for an application.
Student Life

Campus Life
In order for students to be prepared as Christian leaders, they must continue to develop their integrity and Christian character. Intellectual growth without personal growth is of limited value for leadership and service. The right balance of hard work, academic study, spiritual discipline, relationship building, mentoring, and involvement in service is important to develop at an early stage in one’s university experience. As faculty, staff, and administration work together for the development of the whole person, students develop a deep and meaningful commitment to our Lord while understanding their own particular calling to Christian character and career. The Student Development Department partners with faculty to help students round out and balance their university experience with growth opportunities beyond classroom and coursework.

The Student Development Department at WJU exists to:

1. Foster a community of learning where intellectual, emotional, spiritual, and physical dimensions of life can be developed;
2. Provide opportunities which enable students to grow in their understanding of and ability to confront values, ideas, and cultures which may be new and different;
3. Create an atmosphere in which students can cultivate and refine their temperaments and abilities and are empowered with life skills;
4. Encourage students to pursue the goal of Christian servanthood on campus, in the church, in the community, and around the world.

Student Attitudes & Behavior
Students at WJU are a special breed who want to push intellectual, spiritual, and emotional growth to the edges, not push the limits of extreme behavior. WJU emphasizes positive attitudes and values based on biblical understandings of how to live in obedience to Christ, according to God’s grace. The rule of conduct has been described as simply to live in a way which would bring glory to Christ and would be in the best interest of the campus community. The University community seeks to foster responsible Christian freedom, which requires a wise stewardship of mind, body, time, abilities, and resources. However, since all of us are in process and may need some direction, the University makes clear some additional expectations, which are outlined in the Student Handbook.

Campus Ministries
William Jessup University is committed to being a Christ-centered institution and recognizes that worship of the one true God is the central role of a person’s life. The Chapel program is intended to be the center of our community expression of worship of God and to support the growing faith of the members of the University. Opportunities for this experience are provided during twice-weekly Chapel and weekly Spiritual Formation Groups. Regular attendance at these meetings is understood as a mature response to the goals of being a Christ-centered community. Chapel has a variety of presentation and participation activities, which may include praise, worship, messages from God’s Word, testimony, scripture, prayer, drama, dance, and other creative faith expressions.

Spiritual Formation Groups (SFGs) are at the heart of WJU’s mission. Participation in an SFG allows each student to personalize the messages of Chapel, become accountable to a smaller group, work with others to hammer out the tough issues of integrating their faith and learning, ask questions about college life, and support one another with prayer, friendship, and practical help. The purpose of these small groups is to connect with others in the WJU community and grow in all aspects of the Christian faith.

Regular Chapel attendance is required for students desiring to receive a degree or certificate at WJU. Chapel credit is received when a student has a semester attendance of fewer than nine absences of Chapel and Spiritual Formation Group combined. Six semesters of Chapel credit are required for a bachelor’s degree, three semesters for an associate’s degree, and one semester for a certificate. Students who are unable to attend Chapel or Spiritual Formation Group due to time conflicts need to make arrangements with the Director of Campus Ministries to arrange to fulfill this requirement.

Christian Service & Outreach
An essential aspect of the Christian life and spiritual development at WJU is learning to serve others. Modeled on the life of Jesus and His early disciples, students serve in many capacities, for example, working with youth or the elderly; counseling; preaching; teaching; serving in music; and serving with the urban poor. Students may also choose to participate in one of our mission teams during various school breaks. Individuals are given the freedom to find an appropriate ministry that meets their interests and gifts, or may challenge them to look at life and service from another perspective.

Christian Service hours are required for students desiring to receive a degree or certificate at WJU. To receive a semester of Christian service credit, a student must serve in an approved ministry for a minimum thirty hours during a given semester.
Student Leadership
The development of strong leadership skills among our student body is an important purpose of the University; the Student Leadership program provides practical, focused opportunities for leadership development.

The WJU Student Leadership program consists of four major components:

1. **Student Government** The primary purpose of Student Government is to provide the student body with representation to University personnel and to serve on the Activities Board under the direction of the Associate Dean of Students. The Student Government also serves to organize campus clubs and organizations with the purpose of encouraging students to pursue their interests, develop meaningful relationships, and enhance their academic, social, and spiritual pursuits.

2. **Orientation Assistant** program is designed to assist new students with the transition to university life and the WJU community. They play a vital role in the integration and retention of new students. Peer Advisors assist with the planning and implementation of the New Student Orientation program and lead discussion seminars designed to help students orient to their new university experience.

3. **Campus Ministries** student leaders work together with the Director of Campus Ministries to promote spiritual formation and provide opportunities for service. They provide leadership through programs such as Chapel, Christian Service, Spiritual Formation Groups, prayer groups, missions, and other special events.

4. **Resident Assistants** provide on-campus students with service related to campus residence halls. Their primary purpose is to assist the Residence Directors with building a Christian residential community through implementing residence life policy and providing residence programs and events. They are available around the clock to assist resident students with any issue related to on-campus living.

Campus Activity Board (CAB)
CAB provides a variety of programs, opportunities for interaction between students, faculty, and staff to strengthen the academic and social atmosphere on campus. Student leaders (CABBIES) are provided opportunities for faith, service, and leadership development.

Vocal Ensemble Known as the New Praise Singers, are students who represent the University by performing on campus and in the community. They are a mixed choral group that sings various types of music. No auditions are necessary and the group is open to all students. Singing with the New Praise Singers is a great way to get to know students, have fun, and serve the University.

Touring Ensemble The Music and Worship Department at WJU forms a small vocal ensemble each year who represent the University at various venues twice a month. The group is open by audition to all WJU students.

Intercollegiate Athletics
Intercollegiate athletics at WJU provides development for the body, mind, and spirit of each student athlete. It is the goal of the Athletic Department to train athletes in sportsmanship, assist their growth in Christian character, leadership, athletic ability, and provide opportunities for Christian service. More important than wins and losses, student athletes are encouraged to develop an ability to promote Christ through sport. The University sponsors and provides opportunities for service ministry both locally and globally, as well as requiring all student athletes receiving athletic scholarships to enroll in at least one course in the Sports Ministry Certificate program offered at WJU.

Athletic programs include varsity intercollegiate teams in Men’s and Women’s Basketball, Soccer, Cross Country, and Women’s Volleyball. The University is a member of the NAIA (National Association of Intercollegiate Athletics), competing in the Cal Pac (California Pacific Conference); and a member of the USCAA (United States Collegiate Athletic Association).

Residence Life
Living on campus at WJU carries with it a distinctive set of privileges and responsibilities. Students who live on campus with their peers are entrusted with the responsibility of living with one another in a community where cooperation, teamwork, and communication are essential. The environment provides students with enriching experiences which may be an impetus for healthy interpersonal relationships. Living on campus at the University gives students the opportunity to interact closely with students from different cultures and countries, make friends, feel a closer part of the WJU family, and learn how to live in a Christian community with others.

The Residence Life Staff is committed to student growth, and works diligently to provide the best possible living environment. The University offers on-campus residence hall living for students in distinct sections for men and women. Because of the University’s belief in the dynamic benefits of the residence experience, all unmarried freshmen and sophomores under the age of 21 are required to live on campus unless they live with approved family members.
NEW STUDENT ORIENTATION
Transition to University life is filled with many changes and challenges. To help students make these changes, the New Student Orientation program introduces students and their families to the WJU community, campus facilities, campus services, and most importantly, to fellow students and WJU staff. Developing meaningful and healthy relationships are a key to making a smooth transition into the college experience. The orientation program helps students to develop strong friendships, which often last a lifetime and provide the support needed for the tougher moments of life. During the week of New Student Orientation, required of all new students enrolled in six or more units, students will be involved in a welcome dinner, worship, community service project, placement testing, and registration. Student leadership members play a vital role in reaching this goal through directed programming, sharing of personal college experiences, and personal advising.

STUDENT LIFE OFFICE
The goal of the Student Life office is to facilitate opportunities beyond the classroom experience that will impact your social, personal, physical, and spiritual development. We believe that the development of relationships and the building of community are essential elements of the overall educational experience and that which will aid you in both your success at the university and your success in life. As such we encourage you to avail yourself to involvement and participation in campus community activities and programs that will aid in the development of relationships and will provide experiences that will reinforce the value and importance of community involvement and service.

The Student Life Offices are the focal point of all departments and programs within the Division of Student Development. Here you may find the offices for the Vice President for Student Development, Associate Dean of Students, Residence Life, Student Activities, Student Leadership, and Athletics.

In addition to our primary goal, a number of services are also provided through the Student Life Office:
1. Distribution of student identification cards
2. Determination of Chapel attendance and Christian Service completion
3. Coordination of student activities calendar
4. Publication of student and residence life handbooks
5. Enforcement of University student policies

STUDENT CENTER
The Student Center provides a place where students may relax, watch TV, participate in student clubs and organizational meetings, study, or visit with fellow students. It provides an accessible, fun, and inviting setting for the campus to enjoy a comfortable social outlet for all WJU faculty, staff, and students. There are a wide range of board games, pool tables, foosball, and ping-pong tables available to all current University students.

BOOKSTORE
The William Jessup University Bookstore is available to meet the student’s needs for textbooks, WJU attire, and a wide variety of supplies to aid a student’s experience.

CAMPUS SERVICES
ADVISING
All students are assigned a faculty academic advisor prior to enrolling at WJU. Students meet with their academic advisor before registration each semester to develop direction for their academic program. Academic advisors are available to plan graduation programs, help with career goals, assist in choosing classes and selecting a major, and give counsel about grades and any other aspect of University life.

STUDENT SUCCESS INITIATIVE
William Jessup University is committed to the satisfactory academic progress of all students. To ensure the success of students with special needs, students may be assigned to a personal advisor to guide their progress in the admissions, advising, or academic skills process.

CAREER GUIDANCE
Administrators and faculty members are interested in supporting students as they pursue their life and ministry goals. Career testing and guidance resources are available to help students explore strengths and to help make career decisions. Personal assistance in these areas can be requested through a student’s academic advisor or through the Student Life Office.

PERSONAL COUNSELING
Personal life and growth is an important part of any student’s total University experience and preparation for ministry. WJU offers several opportunities to encourage personal mental health. Counseling can be sought through meetings with faculty, staff, administration, or by request in the Student Life Office. In addition to on-campus counseling, the University maintains a network of professional counseling services off-campus.

CAFETERIA
The cafeteria is not only a place to enjoy a meal at WJU, but also a place for fellowship or discussing an important issue. Students, faculty, and staff gather in the cafeteria to spend time with one another, reflect on a class discussion, or just relax. Please check for meal times at the cafeteria, or online at www.jessup.edu. Meals are not served during vacations or recesses.

INSTRUCTIONAL RESOURCES
The WJU Memorial Library is perhaps the best theological library in Placer County. The Library has over 35,000 volumes and a complete collection of over 62,000 items including books, magazines, journals, and audio and video resources. The Library has web-based research database tools such as EBSCOHost, online library catalog, and computer search stations for patron use.

A computer lab, housed in the library, is available for student use during library hours. Microsoft Office, Internet access and other academic software are available. A MIDI Lab is housed on the second floor of the library, where PCs, Roland RS synthesizers and Sibelius music software are available.
The Emmaus Curriculum of William Jessup University

Educating Christians in the 21st Century

Meaning.

Truth.

Direction.

Education at William Jessup University offers you more than knowledge.... Find meaning, truth, and direction for your life.

William Jessup University features an innovative curriculum that is both *classic* – rooted in the educational traditions of the past – and *relevant* – ready to grow into the future.

Stimulated by the challenge of educating a new generation of students, the faculty has explored the question, *What does it mean to educate Christians in the twenty-first century?* Ironically, the answer is found in a first century tale, as the story of Jesus' encounter with his disciples on the road to Emmaus, recorded in the gospel of Luke, provides the metaphor for Christian higher education at William Jessup University.

Emmaus is a story about one day in the life of two people. Walking together toward a town called Emmaus, they were talking about everything that had happened. At that moment, life was uncertain, the future unsure, and trust in anything or anyone seemed a precious risk. As they talked and discussed these things with each other, Jesus himself came up and walked with them. He listened to their concerns, shared biblical truth, and spent time with them. An encounter with truth and compassion radically changes their lives.

Education at WJU offers our students an Emmaus experience – the opportunity to seek meaning in the person of Jesus Christ, explore truth in both His word and His world, and find direction for their personal and professional lives.

Central to each student’s course of study are the *Foundational Studies*, a core of classes which provide a firm foundation for an understanding of life, and position students as leaders in their world. In these courses, students study God’s Word, feel His heart for people, and catch His vision for life today. They will gain the knowledge and skills to stand firm on an unshakable foundation, strengthened for the challenges ahead; grow as an individual of spiritual and moral integrity who cares for other people other cultures, and the natural world; and develop a voice of advocacy and compassion.

The *individual majors* offer students opportunity to focus their education and gain expertise in a particular area. All degree programs at William Jessup University equip the student to apply the principles in their field to positions of leadership in church or society. In these classes students test their interest, develop their skills, and discern God’s direction in their lives.
**ACADEMIC PROGRAMS**

WJU offers Bachelor of Arts degrees in Bible & Theology, Christian Education, Counseling Psychology, Intercultural Studies, Music & Worship, Pastoral Ministry, and Youth Ministry. A Bachelor of Arts degree with a major or minor in Liberal Arts is also offered. A Bachelor of Science degree is offered as a major or minor in Business Management.

The Degree Completion Program offers Bachelor of Science degrees in Christian Leadership, Counseling Psychology, or Management & Ethics. See the section, “Degree Completion Program,” in this catalog.

All bachelor degrees require a minimum of 128 semester units.

Two Associate of Arts degrees of 64 semester units are offered. The AA in Bible offers students a foundational education to formulate a biblical worldview in a multicultural society. The AA in Ministry includes an area of practical knowledge in a ministry concentration.

Certificate Programs prepare persons to serve the local church in the areas of Bible, Children's Ministry, Counseling, Credentials with Character, Family Ministry, Intercultural Studies, Management, Music & Worship, Pastoral Ministry, Sports Ministry, and Youth Ministry. The Bible Certificate provides a concentration of foundational Bible courses for personal development. Certificate programs vary in length from 24-32 units and may be completed in one year.

**EMMAUS CURRICULUM**

Built upon the story of the encounter between Jesus and two disciples on the road to Emmaus in the gospel of Luke, education at WJU offers students the opportunity to seek meaning, explore truth, and find direction for their lives.

Community in Learning. The first century disciples returned to join their friends in Jerusalem, and together they reflected upon the meaning of Jesus’ words to them. Together they moved out to change the world. Our curriculum includes intentional opportunities for students to join a community of seekers, who enjoy laughing, talking, studying, playing, thinking, sharing. Students are invited to voice fears and doubts in an environment which values growth, as they study with men and women of God who model thoughtful, engaged lives.

Foundational Studies. Central to each student’s course of study are a coherent sequence of classes designed to provide a firm foundation for an understanding of life and to position students as leaders in their world. Courses are grouped into five categories critical to the development of educated leaders: Human Expression, Human History and Behavior, the Global Environment, Leadership Development, and Biblical Studies major.

Individual majors of 28-30 units offer students opportunity to focus their education and gain expertise in a particular area. All degree programs at William Jessup University equip the student to apply the principles in their field to positions of leadership in church or society.

Students may choose to complete a minor of 18-21 units in an area or by transfer of units in a field of study other than one at WJU; additional courses would be required to meet the minimum of 128 units for graduation.

Intensives. As part of the Emmaus curriculum focus on twenty-first century leadership, the faculty has elected to require an emphasis in three areas: written communication, technology, and cultural studies. Each academic department has designated “intensive” courses within their program which will require students to demonstrate practical application of key concepts and skills.

Foreign Language. In the Emmaus curriculum, students are required to complete one year of foreign language. This policy specifies alternative paths of fulfilling the requirement and/or formalizes current options.

1. Students with four years of high school instruction in the same language may waive the foreign language requirement and elect 6 units of General Education electives.
2. International students for whom English is a second language may fulfill the requirement through alternative means, e.g., college-level ESL courses, credit by examination, upper division English courses.
3. Students who have acquired a second language without taking high school or college classes in it may be eligible to demonstrate proficiency by examination.
4. American Sign Language is acceptable to fulfill the foreign language requirement.
5. The Degree Completion Program (DCP) does not have a Foreign Language Requirement.

Internships. Because education must be both practical as well as theoretical, every bachelor’s degree program includes a required service learning component. All degree-seeking students will be expected to spend from three to nine months in a practical, supervised ministry for which they will receive academic credit and a grade. The kind of internship in which students will be involved will vary according to their major program. For example, a Christian Education major may spend a semester or more student teaching at a local Christian school; an Intercultural Studies major may spend a summer overseas interning with a missionary; a pastoral or Youth Ministry major may spend a summer or the school year in a local church ministry. Counseling Psychology majors will be placed in a setting where the focus of work will be personally assisting troubled individuals. The goal of this comprehensive internship program is that each student graduate with practical experience in ministry.

Capstone Courses. In the senior year, students participate in two opportunities to measure their own learning and growth. The Senior Seminar is a capstone course which allows students to apply the skills of written and oral communication, quantitative thought, critical thinking, research, and biblical exegesis to a project within their area of specialization. Furthermore, each academic major offers a capstone course which requires students to demonstrate mastery of the competencies within their program. These capstone experiences prove to the students the leadership skills they have developed during their college years.
The primary goal of education at William Jessup University is the integration of faith and learning. In pursuing this goal, we accept the unity of all knowledge under God and perceive no contradiction between the truth of the Christian revelation and that of scholarly investigation. WJU offers both general education courses that provide the broad scope of human knowledge and a biblical and theological major that establishes a perspective which gives coherence and purpose to that knowledge.

As part of the Foundational Studies core, General Education at William Jessup University seeks to develop the whole person by developing skills in communication, quantitative reasoning, and critical thinking and by exposing students to a broad cross-section of knowledge in science, social science, and the humanities. General Education is fundamental to the degree program by providing context for the major, a foundation for life-long autonomous learning, and the skills and broad worldview needed for effective service and leadership, both in the church and in an increasingly multicultural society.

These courses generally total 66 units and are grouped into four categories critical to the development of educated leaders: Human Expression, Human History and Behavior, the Global Environment, and Leadership Development. The specific course requirements are listed with each degree.

Education of the Christian leader is incomplete without the foundational and integrative studies of Scripture that ground and bring coherence to the student’s life and worldview. In Biblical Studies, students develop the skills and disciplines to study the Scriptures in analytical, practical and passionate ways, organizing its contents into meaningful patterns for life and ministry.
### Bachelor of Science
### Business Management

The Business Management major is designed to develop an individual's leadership capabilities for a career either in business or in ministry. For some students, the program will provide the preparation for a Masters of Business Administration (MBA) or other graduate program. Other students will use this degree to directly enter either business or ministry fields.

A graduate should demonstrate the knowledge of and the ability to use the following:

1. Basic management principles
2. Introductory accounting principles
3. Financial reports and principles
4. Legal requirements for a business or organization
5. Basic marketing concepts
6. Statistics for analyzing data
7. Computers, databases, and networking
8. Strategic planning concepts
9. Operations management tools and techniques
10. Biblical perspective on ethical questions

The Bachelor of Science program is designed to prepare its graduates for careers in management in any organizations: business and non-business, public or private, foreign or domestic, ministry or non-ministry. Students will learn the fundamental principles underlying organizations, improve their critical thinking, develop knowledge of analytical tools of management, and develop skill in analyzing and evaluating managerial problems.

Bachelor of Arts
Christian Education

Exploring how people learn and how best to teach them provides the insights into the skills of effective teaching. Further, such study provides the background to build effective teaching plans and programs. Learning the power of the computer as an assistant to the key relational aspect of teaching enables the student to present powerful and motivational lessons and perform leadership activities.

The administrative aspects of an effective Christian Education program are learned in the classroom and on the field through various field experiences. Students select one of six ministry concentrations: Early Childhood, Childhood, Youth, Adult, Administrative Integration, or Education Administration Principalship.

Changes in concentration may be made at any stage of the program. Each concentration course focuses on practical skills for teaching and leading toward Christian maturity.

Benchmarks for effective teaching are compiled and assessed throughout the program so the student arrives with a Bachelor’s degree equipped and focused for making a difference in the church.

A graduate of the Christian Education program will demonstrate the ability to:

1. Use the skills learned in Biblical Interpretation to identify biblical lessons and determine appropriate application to specific age level classes.
2. Design and implement lesson objectives and lesson plans to assist in guiding teaching and learning activities.
3. Use technology to design, produce, and present teaching materials for various age levels.
4. Choose and employ different methods available for teaching and learning.
5. Encourage the use of gifts and skills within the student for the greatest positive impact in the Church and its mission.
6. Explore how people develop spiritually and to build systems of teaching and learning that contribute to spiritual development.
7. Encourage the student to be effective and supportive members of the total pastoral team.

**BACHELOR OF ARTS**

**COUNSELING PSYCHOLOGY**

The Counseling Psychology major is designed to develop an individual's capacities for work in the helping professions in both secular and sacred settings. Its mission is to prepare Christians to lead individuals/groups to wholeness in Christ, utilizing methods that are scripturally sound and culturally sensitive.

The Counseling Psychology degree, as distinct from other ministry related degrees, prepares students for the soul care dimensions of ministry to individuals and families. For some, the major will provide foundational studies in preparation for graduate school in the helping professions. Graduates who seek advanced education typically choose advanced studies in Psychology, Counseling, or Social Work. Others will apply this degree to work within mental health settings immediately after graduation and/or utilize the relational skills gained in this program in a wide range of careers, including business, human services, and church or parachurch ministry.

A graduate should demonstrate:

1. knowledge of human growth and development in the context of family, community, culture, and ethnicity.
2. an integration of one’s faith and understanding of scripture with the study of human needs;
3. knowledge of basic theoretical frameworks concerning human personality and problems;
4. an ability to interview, assess, develop treatment plans, carry out interventions, and evaluate progress in helping relationships;
5. the ability to utilize community resources appropriately and effectively as part of the helping process;
6. skill in interpersonal communication with both individuals and small groups;
7. increased self-awareness, self-understanding, and growth in personal wholeness;
8. an ability to recognize the limitations of one's training and an ability to refer to specialized helping professionals when appropriate.

Bachelor of Arts Intercultural Studies

The Intercultural Studies program prepares students for work and ministry in cross-cultural contexts either in the United States or abroad. The curriculum also provides adequate preparation for those desiring to attend graduate seminary before entering their field of service. Beyond a core of missions theory and content courses, today’s Intercultural Studies students need usable skills that fit either traditional missionary roles (e.g. evangelism, Christian education or church planting) or nontraditional cross-cultural roles (e.g. business, TESOL, community development, counseling, or primary health care). The Intercultural Studies curriculum is designed for students to choose either of these approaches to cross-cultural ministry. WJU Intercultural Studies graduates will demonstrate:

1. a clear understanding of the biblical and theological bases for missions;
2. a vision and burden for God’s work in today’s world;
3. an understanding of cross-cultural ministry theory and methodology;
4. development of cross-cultural ministry skills, especially the ability to make the gospel and one’s ministry relevant to local contexts;
5. an appreciation for diverse cultures and the sensitive issues involved in cross-cultural communication;
6. self-awareness concerning one’s adjustment to diverse cultures;
7. skill in a biblical and/or a foreign language;
8. skill in an area of concentration.

**Bachelor of Arts Liberal Arts**

WJU offers programs leading to careers in public, private, and charter school systems. It is the mission of the Department of Education to prepare teachers by encouraging character development and demanding ethical behavior to meet the needs of people, by teaching in schools throughout the world.

The Multiple Subject Credentials With Character program is designed with a core of Christian values. The degree features the Bible and Theology major as well as professional preparation courses. Preparation for teaching in the elementary classroom includes completion of the state-approved Teacher Education Program designed to meet subject matter competence. The individual obtaining a multiple subject credential is authorized to teach all subjects in kindergarten through grade twelve in self-contained classes.

The secondary credential (SingleSubject) is currently under development. Program approval is anticipated in 2006. Students seeking a Single Subject Credential must major in an academic discipline and/or satisfy subject matter competence by passing the appropriate state examination(s).

Graduates with a Credential With Character are well-equipped, highly principled individuals who understand diversity as a strength and who provide for individual differences in order to help their students prepare for a diverse and rapidly changing world. The faculty members in the Department of Education maintain high Christian standards and expectations for themselves and for the students who wish to serve in building a better world by entering the teaching profession.

Graduates from the Credentials with Character program will:

1. Educate others with clarity and compassion.
3. Engage and support student in learning.
4. Plan instruction and design learning experiences for students in K-12 self-contained classrooms.
5. Create and maintain effective environments for student learning.

6. Develop as a professional educator.
7. Possess the necessary subject matter comprehension to teach the California State Framework and subject matter requirements.
8. Have met all of the requirements to be recommended for California State Multiple Subject Preliminary Teaching Credential.

The credential program offered by WJU is a state-approved program, subject to revision by state or federal law. Therefore, this program requires completion of specific benchmark assessments, in addition to completion of WJU courses. Current law requires all candidates for a California teaching credential to successfully complete the following examinations, which are incorporated in the program:

- CBEST – California Basic Educational Skills Test
- CSET I in Reading, Language, Literature, History & Social Science
- CSET II in Science and Math
- CSET III in Physical Education, Human Development, Visual & Performing Arts
- RICA – Reading Instruction Competence Assessment
- TPA – Teaching Performance Assessment
- Task 1: Principles of Content-Specific and Developmentally Appropriate Pedagogy
- Task 2: Connecting Instructional Planning to Student Characteristics for Academic Learning
- Task 3: Classroom Assessment of Academic Learning Goals
- Task 4: Academic Lesson Design, Implementation, and Reflection after Instruction

The Music and Worship program is designed to prepare graduates for leadership positions in the church and society as worship leaders, ministers of music, accompanists, performers, and choral or instrumental directors. The curricular structure, content, and time requirements shall enable the students to develop the range of knowledge, skills, and competencies required for acceptance into post-graduate degree programs. All curricula stress sound musicianship and active musical experience.

All students enrolling in the Music and Worship major are required to attain a certain level of performance ability in addition to the completion of the required course units. Students will perform a music jury at the completion of each year's study. The purpose of the jury is to assess the level of competence attained. All Music and Worship majors must pass a piano proficiency exam before graduation and are required to perform a senior recital in the senior year.

In order to assure that WJU graduates reflect the mission and educational philosophy of the University, the Music Department adheres to the transfer policy established by the Faculty Senate. In addition, up to two units of Applied Lessons and two units of performance group may be transferred. Other courses that must be taken at WJU include Music Organization and Leadership, Music and Worship, and Music and Worship Internship.

The Music and Worship Department is unique in its ministry focus, as we seek to prepare students to meet the challenge of serving in leadership positions in church and parachurch music programs. Students who complete the course of study should demonstrate:

1. ability to perform competently as a vocal or instrumental musician with a proficiency in piano or other keyboard instrument;
2. acquisition of a broad knowledge of music literature, both sacred and secular, through study and performance;
3. acquisition of a foundation of theoretical and practical ministry skills including the theology of worship, integration of music and worship styles, music and worship program design, and sound systems and MIDI programming;
4. ability to develop and maintain an effective music program or ministry based on sound biblical and educational concepts;
5. knowledge of the history of music and worship and its relationship to contemporary music ministry and worship design;
6. ability to analyze, compose, and arrange music for various vocal and instrumental media with a proficiency in music theory and ear training competencies.

**Pastoral Ministry**

One who aspires to be a pastor will be a leader of leaders, a preacher and discipler who is skilled in church planting and growth. It is the most interesting and exciting work in the world. The kingdom need is for people of character who are not afraid to deal with challenge, change, and opportunity. The Pastoral Department prepares graduates for this leadership as senior pastors, associate pastors, and other key positions.

Graduates are expected to put factual knowledge to practical use in the ministry of the local church or parachurch organization. Those attending graduate school will have gained the knowledge and research skills required for advanced study.

The practical implementation of all factual and intellectual knowledge is accomplished by preparing students who:

1. use proper exegetical methods and tools to interpret the Christian scriptures with a view toward preaching, teaching, and church management;  
2. have a system of values and beliefs which are scripturally based and result in a wholesome life of service and example in both church and society;  
3. are skilled in preaching, leading worship, evangelism, pastoral care, counseling, and church administration;  
4. have entered into a life of spiritual formation integrating vocation, ministry, character, and life style.

Bachelor of Arts
Youth Ministry
Recognizing the strategic role of the youth minister in the spiritual development of young people (middle school, high school and college), William Jessup University offers a major in youth ministries. The purpose of the Youth Ministry program is to reach the next generation by preparing students to evangelize and disciple youth and their families. Students graduating from this program will have entry-level knowledge and skills appropriate for service as full-time professional youth workers in churches, parachurch organizations, and other agencies engaged in ministering to youth; students will be prepared for further professional study in seminary or other graduate schools.

William Jessup University expects the student who graduates with a degree in Youth Ministry to demonstrate:

1. ability to devise, discuss, and defend a personal philosophy of Youth Ministry that is both biblically formulated and developmentally appropriate;
2. ability to develop a ministry to youth in a church or parachurch organization in diverse socio-cultural settings;
3. ability to assist adolescents and their families in problem-solving and decision-making;
4. preparedness to stay current in youth culture;
5. exposure to models of effective youth ministries through internships, guest lecturers, and field trips;
6. ability to recruit, nurture, and mentor teenage leaders and adult volunteer staff;
7. preparedness for service in a leadership role and function as part of a team/staff;
8. ability to prepare and deliver sound and effective teaching to youth and to continue in life-long learning;
9. preparedness to provide a good Christian example as a student of scripture.

A **Bachelor of Arts in Bible and Theology with a Transferred Minor**

This program is preparatory. Graduates would continue in an advanced degree in ministry. In addition to the general objectives, this program is designed to achieve several specific objectives. Graduates should demonstrate:

1. a basic knowledge and appreciation of the importance of the ministry;
2. an ability to use the Greek language in exegetical studies and sermon preparation;
3. a concern for people and their spiritual needs and an elementary knowledge of the ministry skills necessary to help meet those needs.

**Second Bachelor’s Degree Program**

Many students today are seeking mid-life career changes to enter the ministry. These students occasionally have already graduated from college and are well-educated, yet they may lack the particular biblical education necessary to minister adequately to others. For this reason WJU has a special program for those who come to a Christian university having already completed a baccalaureate degree.

This second degree program is an intensive study that is open only by permission of the Vice President for Academic Affairs. Entering students would not only have to have a degree from another institution which would meet the University’s foundational studies requirements, but would have to show that they could handle a wide range of upper division Bible exegesis classes without benefit of certain prerequisites and would have to come well-recommended for ministry potential.

For students whose initial degree is not in the area of biblical studies the following courses are recommended for this program:

**Biblical Interpretation or Advanced Hermeneutics (BIBL249) ......................... 3**
**Christian Foundations I (BIBL101) .............................................. 4**
**Christian Foundations II (BIBL102) .............................................. 3**
**Christian Foundations III (BIBL103) ............................................. 3**
**Theology Course .............................................................. 3**
**Christian Theology (THEO451) .................................................. 4**
**Bible Electives* ................................................................. 12**
*Must include at least one course each in New Testament, Old Testament, and Theology

**Total units** .................................................. 32

For students whose initial degree is in the area of biblical studies or theology from an acceptable college or university in a country other than the USA, the following courses are recommended for this program:

**Biblical Interpretation or Advanced Hermeneutics (BIBL249) ......................... 3**
**Christian Foundations II (BIBL102) .............................................. 3**
**Christian Foundations III (BIBL103) ............................................. 3**
**Romans (NT308) ................................................................. 3**
**Theology ................................................................. 2**
**Christian Theology (THEO451) .................................................. 4**
**Bible Electives* ................................................................. 12**
**Ministry or additional Bible Elective ............................................ 2**
*Must include at least one course each in New Testament, Old Testament, and Theology

**Total units** .................................................. 32

Because of the specialized nature of the second bachelor’s degree, the following requirements apply:

1. Successful completion of the Writing Proficiency Exam is a prerequisite for the program. English composition or six units of appropriate English as a Second Language courses must be taken and passed each semester until a TOEFL score of 500 (paper-based) or 173 (computer based) is achieved or the WPE is passed.
2. A maximum of 12 units of lower division classes may count toward graduation. Upper division classes taught in the English language cannot be taken until a TOEFL score of 500 is achieved or the WPE is passed.

If instruction in the student’s initial degree is in a language other than English, the following policies apply:

1. Twenty units must be taken in classes taught in English language for seminary-bound students; all students must take at least 12 units in classes taught in English language.
2. Classes that repeat in the same language those taken during an initial degree will not count toward graduation.
3. Transcripts from WJU will identify classes taught in languages other than English.
Academic Programs

Associate of Arts in Bible

This two-year degree program is intended either for students who may transfer to a liberal arts college to seek a major not offered at WJU, or for students who want a well-rounded education that balances Bible, ministry, and foundational studies.

Students who complete this program will have gained a strong foundation for lifelong autonomous learning, and the skills and broad worldview needed for effective service and leadership, both in the church and in an increasingly multicultural society. Furthermore, these students will demonstrate:

1. an ability to communicate the Word of God;
2. an understanding of the world and its history;
3. a basic understanding of the general themes of the Bible and biblical history;
4. an understanding of the church revealed in scripture and several basic principles of New Testament Christianity.

Associate of Arts in Ministry

This two-year degree program is designed to provide graduates with a basic biblical knowledge and specific practical skills to serve as volunteer workers in the church. Students who complete this program will have gained a strong foundation for lifelong autonomous learning, and the skills and broad worldview needed for effective service and leadership, both in the church and in an increasingly multicultural society. Furthermore, these students will demonstrate:

1. an ability to communicate the Word of God;
2. an understanding of the world and its history;
3. a basic understanding of the general themes of the Bible and biblical history;
4. an understanding of the church revealed in scripture and several basic principles of New Testament Christianity.
5. a practical knowledge of either Christian Education, Counseling Psychology, Intercultural Studies, Music and Worship, Pastoral Ministry, or Youth Ministry.

The certificate programs noted on the following pages are designed to prepare Christians to serve in specific capacities. Certificate programs are seen as training programs, not holistic educational programs. Certificate programs are in keeping with trends in the business world also. Vocational technicians often work under the supervision of professionals quite effectively. Trends in this direction are increasing. Students who enroll in these programs are expected to fulfill all the requirements for admission. Placement test scores may necessitate fulfilling ESL or remedial English competency courses before/concurrently with beginning courses. Additional policies that govern the administration of certificate programs include:

1. students must declare a program prior to completing 8 units;
2. a certificate cannot be earned concurrently with a degree in the same field of study;
3. students may petition to transfer credit for courses in a certificate program to a degree program, providing the course grade is C or higher;
4. equivalent courses taken at another college may be waived; in such a case, another course will be substituted in the student’s program;
5. upper division courses in certificate programs assume English skills comparable to successfully completing two semesters of English composition.

**Bible Certificate**

The Bible Certificate is specifically for students who seek an intensive grounding in God’s word to establish a strong foundation for their lives. This program is ideal for those whose prior education included no biblical study.

The following courses are required for the Bible Certificate:

- Contemporary Discipleship (LDRS152) .................. 3
- Christian Foundations I, II, and III (BIBL101, 102, 103) ........ 10
- Biblical Interpretation (BIBL249) ........................ 3

**Children’s Ministry Certificate**

The Children’s Ministry Certificate is designed for persons who direct the children’s segment of an educational ministry in paid or volunteer capacity. This professional training is focused on the practical aspects of leading and developing an effective program in the local congregation. The specific target skills for this certificate are:

1. Define and effective Children’s Ministry program;
2. Learn how to teach children and train their parents;
3. Identify and construct a ministry focused on evangelism and spiritual development;
4. Examine and explore Jesus’ vision for children;
5. Identify learning and social styles of children;
6. To recruit, train, and assign adult workers;
7. To know how to prepare, adapt, and secure facilities;
8. To learn how to budget and maintain records for growth;
9. Establishing counseling methods for children and adults;
10. Develop summer ministry programs.

**Counseling Certificate**

The Counseling Certificate is designed to enhance the ministry of those who are called to counseling roles in Christian ministry, whether paid or volunteer. Students may complete the 32 unit certificate program independently of other course work or incorporate certificate course work with any of the other WJU majors. Courses in this program will prepare students to:

1. Respond in crisis or chronic situations;
2. Assess situations for intervention;
3. Apply God’s word to human need.

The program seeks to:

1. Equip students to live out the relational and counseling aspects of their ministry more effectively;
2. Help students recognize the limitations of undergraduate preparation in counseling and to increase their referral to helping professionals with specialized training;
3. Provide lay training in counseling for members in the Christian community who have specific educational goals.
The credential program offered by WJU is a state-approved program, subject to revision by state or federal law. Therefore, this program requires completion of specific benchmark assessments, in addition to completion of WJU courses. Current law requires all candidates for a California teaching credential to successfully complete the following examinations, which are incorporated in the program:

- CBEST – California Basic Educational Skills Test
- CSET I in Reading, Language, Literature, History & Social Science
- CSET II in Science and Math
- CSET III in Physical Education, Human Development, Visual & Performing Arts
- RICA – Reading Instruction Competence Assessment
- TPA – Teaching Performance Assessment
  - Task 1: Principles of Content-Specific and Developmentally Appropriate Pedagogy
  - Task 2: Connecting Instructional Planning to Student Characteristics for Academic Learning
  - Task 3: Classroom Assessment of Academic Learning Goals
  - Task 4: Academic Lesson Design, Implementation, and Reflection after Instruction

A student is admitted to the Credentials with Character one year program with a regional accredited bachelors degree, an approved application to the University and to the Department of Education, having passed CBEST and taken CSET I, II, III, and has an approved (CCTC) Certificate of Clearance. This program leads to a WJU Teacher Education Certificate. Once the student has completed the course work, the US Constitution requirement, the Reading Instruction Competence Assessment examination (RICA), and the character dimension of the program, the student will be recommended for a California multiple subject teaching credential.

MANAGEMENT CERTIFICATE

The Management Certificate is designed to enhance the management skills of individuals currently working in ministry or business. Many leaders in churches or other ministry groups lack basic business management and organizational skills but these skills are very important. For example, Crown Ministries states the Bible emphasizes the importance of finances with more than 2,350 verses on how to handle money and approximately 500 verses on prayer, but many ministry programs do not include a basic financial management course. This program will develop not only the financial skills, but other management and organization skills necessary to lead an organization. Students will need passing scores on the mathematics and computer placement tests.

Courses in this program will prepare students to:

1. understand basic management principles;
2. apply introductory accounting principles;
3. read financial reports and apply financial principles;
4. understand legal requirements for a business or organization;
5. apply basic marketing concepts;
6. give an overview of computers, data bases, and networking;
7. use strategic planning concepts;
8. understand Biblical principles related to business decisions.

The following courses are required for the Management Certificate:

- Contemporary Discipleship (LDRS152) 3
- Bible Elective 2
- Organizational Behavior (BUS140) 3
- Accounting Concepts for Managers (BUS341) 3
- Financial Management (BUS342) 3

MUSIC AND WORSHIP CERTIFICATE

The Music and Worship Certificate is designed for volunteers or lay leaders serving in churches and parachurch organizations. This program of study will prepare students to better serve in leadership and support positions in the area of music and worship.

The contemporary church is experiencing growth and change in the role and use of music in worship, and today’s music leader must be equipped to deal with those changes. The certificate program curriculum will lay a foundation made up of performance, administrative and leadership skills and the acquisition of a broad knowledge of music and worship, its historical use in the church, its fundamentals, and its theories.

WJU is committed to providing the best preparation for ministry in the area of music and worship. The faculty is made up of committed Christians serving as professional musicians, music ministers, and music educators. Our goal is to prepare leaders equipped to serve our Lord in the exciting and ever changing area of music and worship!

Students who complete the course of study should demonstrate:

1. the ability to perform competently as a vocal or instrumental musician with a basic proficiency in piano or guitar;
2. the acquisition of a basic knowledge of music literature, both sacred and secular;
3. the ability to support and serve in music and worship ministries equipped with sound biblical and educational concepts;
4. a basic knowledge of the history of music and worship and its relationship to contemporary music ministry and worship design.

### Pastoral Ministry Certificate

The Pastoral Ministry Certificate is designed for those in the local church who are responsible for pastoral duties in a staff or volunteer capacity. It is also suited to those mature persons who already have a college degree but desire formal training and certification in pastoral studies. Courses included in this certificate prepare students to preach, lead worship, provide pastoral care, and administer the church with effectiveness. They would gain a primary grounding in theology, the life of Jesus, and biblical studies.

Because of the nature of the ministry, enrollment in the Pastoral Ministry Certificate Program is limited to those at least 30 years of age with local church experience in evangelism, counseling, leading worship, and preaching. Admission to the program is by recommendation of the Chair of the Pastoral Department.

The Pastoral Ministry Certificate will equip students to:

1. Exegete the Scriptures for teaching and preaching;
2. Prepare and preach sermons;
3. Evangelize and train others for personal evangelism;
4. Plan and lead worship;
5. Use basic counseling skills in short-term counseling;
6. Administer a congregation;
7. Provide pastoral care.

### Sports Ministry Certificate

WJU, in partnership with Church Sports International, offers the Sports Ministry Certificate. Church Sports International is a ministry dedicated to serving churches, mission organizations, and sports parachurch ministries in the task of stimulating a vision for using sports and recreation to plant and grow churches, equipping the saints for the work of ministry, and helping to implement that ministry.

The Sports Ministry Certificate Program at WJU seeks to:

1. Equip students in fulfilling the Great Commission through a sports ministry;
2. Prepare students to make disciples through sports and recreation;
3. Help initiate a church-based or parachurch sports ministry;
4. Provide information on current developments in the sports ministry field;
5. Prepare athletes to serve Jesus Christ;
6. Train sports ministers and missionaries;
7. Equip people to use sports as a ministry tool;
8. Produce people who can use sports and recreation as a platform for the gospel.

Youth Ministry Certificate

The Youth Ministry Certificate is designed for volunteer youth workers in churches and parachurch organizations. This certificate prepares students for one of today's most exciting and challenging ministries. Students will be equipped to effectively minister the Word of God and to meet the needs and lives of youth.

This program will assist students with essential ministry skills, a solid Biblical foundation, and an understanding of the world in which we live and minister. The result is the ability to lead youth to a faith in Christ, to nurture their spiritual growth, and to disciple them.

Students will learn how to bring together theological truth and the practical needs of a changing adolescent culture. Students will understand how Youth Ministry integrates with the overall life and ministry of the local and global church. Students will be given timeless tools that will enable them to create ministry programs that incorporate the best of Youth Ministry resources with the individual needs of their group.

Academic Information

Planning an Academic Program
Prior to registration, all undergraduate students should study carefully the requirements of the University and of the particular academic department to which they have been admitted. Students must have their course selections approved by a faculty advisor who will assist in planning a program leading to a degree. A student can expect to spend 2 hours in outside study for each hour in class. Thus, a full-time student can expect academics to fill the majority of their week.

Student Responsibility
All departments have certain academic requirements which must be met before a degree is granted. These are described in the various degree sections of this catalog and concern such things as curricula, majors, and minors. Advisors, department chairs, and the Registrar are available to help the student understand and arrange to meet these requirements; the student is responsible for knowing the requirements to be met and for completing them. At the end of any course of study, if requirements for graduation have not been satisfied, the degree will be withheld. For this reason it is important for each student to be acquainted with all regulations, to remain currently informed throughout the college career, and to be responsible for completing all requirements.

Priority of Courses
Priority should be given to required courses in proper sequence. No one should register in an elective course to the exclusion of a required one. Any required course for which a student had failed to receive credit should take priority over all other courses in the arrangement of the student's program; it should be repeated as soon as it is offered.

Unit Load
In general, a student who is not employed more than ten hours per week should register for 16 units each semester. Registering for more than 18 semester units requires petitioning for approval. The petitions for credit overloads may be obtained from the advisor and should be filed with the Registrar's Office prior to registration.

Although the University considers 12 semester units as the minimum full-time undergraduate credit load, this minimum does not necessarily coincide with limitations established by agencies outside of the University. Students who are eligible for educational benefits from agencies are responsible for obtaining information about the specific requirements of the agency granting the benefit. Six units are required for state aid and student loans and three units are required for federal grants and institutional aid.

The Vice President for Academic Affairs or the Academic Committee may reduce a student's registration to less than the normal academic load if the student failed to earn credit in any course or if the student was placed on academic probation the previous semester. Late registrants, provisional acceptance, and probationary acceptance may also be subject to unit limitations.

Double Major (Beyond Bible and Theology)
Additional Major, Minor, or Certificate
Students may not work toward two degrees simultaneously at the University. However, a student may elect to earn an additional major, minor, or certificate concurrent with their universal Bible and Theology and original major.

1. Each additional major, not including courses in preparation for or in support of the first major, must consist of at least 24 units that are completely separate and distinct from the Bible and Theology and the first major.
2. The minimum criterion for any additional minor must be 12 units of course work completely distinct and separate from the course work in one's major.
3. The minimum criterion for an additional certificate must be 24 units of course work completely distinct and separate from the course work in one's degree.

Final Examinations
The University requires an examination to be given at the end of the semester in all courses.

Application for Graduation
Certain basic requirements in general education and in Bible and Theology must be completed by all enrolled regular undergraduate students, in addition to the specific courses required by individual departments. Chapel and Christian Service requirements must be met according to policy found on page 11. For the requirements in degree and certificate programs, see the “Degree and Certificate Programs” section in the catalog. Complete information regarding application for graduation, including deadline, is found on page 39.

Cap and gown orders are the responsibility of the student and may be placed through the University Bookstore.

Transcripts of Credit
Official transcripts are copies of student academic records of all work attempted at WJU and bear the seal of the University and the signature of the Registrar. Transcripts are not entered until the semester or registration period officially ends. Upon written request from eligible students, the Registrar's Office will issue official WJU transcripts only; transcripts of work from other institutions will not be issued.

All transcript requests must be made in writing and contain the student's signature. Allow two to three weeks to prepare transcripts during the periods of final examinations, grade recording, and registration. Transcripts will not be released for students who have an outstanding balance in the Finance Office, an incomplete academic file, or a library fine or overdue book.

Transcript request forms may be obtained from the Main Office or online at www.jessup.edu.

Diploma Replacement
If the original diploma is destroyed, a duplicate may be ordered by contacting the Registrar's Office. There is a fee for the replacement diploma. The diploma will reflect the signatures of the current officials of the University.
Summer School
WJU has a limited summer school schedule which allows students to earn additional units during the summer. Internship and independent study opportunities are also available during the summer.

Extension Classes
William Jessup University offers students an opportunity to earn credit toward a degree at off campus sites in the Bay Area and in the Central Valley. As a part of our multicultural objectives, some of these extensions are targeted to distinct cultural groups and have classes taught in a first language other than English. Consult the semester schedule of classes for details. Extension locations are listed on page 8.

Registration Process

Course Schedules
A schedule of the courses to be offered each semester in a given year is available to students before the beginning of the fall term. The schedule is subject to change, and a scheduled class may be cancelled if fewer than six students enroll.

Registration
Each student is personally responsible for completing registration on the date and at the time specified in the class schedule for each semester (see the Academic Calendar on the class schedule). Registration is not complete until all fees have been paid and all registration materials are properly completed and submitted to the Office of the Registrar.

Late Registration Policy
A late registration period of one week begins on the first day of classes and terminates on the date stated on the Academic Calendar. Students who fail to complete registration at the assigned time may register during the period of late registration specified on the class schedule for an additional fee. Any change in registration must be completed and paid for before the close of late registration.

Changes in Registration
Changing registration after the semester has begun is allowed primarily to adjust for extenuating circumstances beyond the student’s control, registration errors, lack of prerequisite courses, or schedule changes initiated by the University.

After the late registration period is complete, changes may be made only when the University deems the circumstances sufficiently extraordinary to warrant an exception.

Add a Course
A student may add classes in their schedule during the first week of instruction without penalty. The student is responsible to initiate the process by using the proper form, available in the Administration Office, and consulting with an academic advisor.

Changing Audit to Credit
Audit students may change to a credit basis prior to the close of the late registration period.

Changing Credit to Audit
A student may change from credit to audit until the end of the late registration period.

Drop or Withdraw from a Course
A student may drop classes in their schedule during the first week of instruction without penalty. A student may withdraw from a course after the late registration period, receiving a W grade, until the end of the tenth week of the semester. To withdraw from all classes, see “Withdrawing from the University” on the following page.

For weekend or one-day courses a student must withdraw before the first day of class. Non-attendance of weekend classes will result in an F.

The student is responsible to initiate the process by obtaining the proper form and signatures of the instructor and academic advisor. Refunds are based on the official drop date, which is the date the completed form is received in the Registrar’s office.

Failure to officially withdraw from a course will result in a grade of F and forfeiture of tuition refund. A student no longer registered for credit or audit is ineligible for further attendance in the class.

Administrative Drop/Classroom Conduct
Failure to attend a course or to submit required work will result in a grade of F. The student who neglects a course is solely responsible for dropping the course or withdrawing from the University. However, an administrative drop may be initiated at the discretion of the instructor, who will record circumstances. The approval of the Vice President for Academic Affairs is required. Deadlines and grades are the same as for a drop initiated by the student and are based on the date received at the Registrar’s Office. The student will be notified by the final grade report.

Students have a responsibility to conduct themselves in class and in the library in ways which do not interfere with the rights of other students to learn, or of instructors to teach. Use of electronic devices such as pagers, cellular phones, or recording devices, or other potentially disruptive activities, is permitted only with prior explicit consent of the instructor. The instructor may rescind permission at any time during the course.

If a student does not comply with requirements or obstructs the functioning of the class, the instructor may initiate an administrative drop. The instructor must record circumstances. The approval of Vice President for Academic Affairs is required. Prior to a decision, the VPAA will consult with the student and other parties as appropriate. Appeals go to the Academic Committee and the VPAA. Serious cases of misconduct will be referred to the Student Life Committee for appropriate action.
**Right to Cancel**
The University reserves the right to cancel any registration in specific courses for which the student is ineligible. The registration of a student who is ineligible to attend the University is subject to immediate cancellation. The University also reserves the right to cancel the registration of a student whose attendance at the University, in the opinion of the appropriate administrative officials, would not be mutually beneficial to that person and to the University.

**Leave of Absence**
Students who find an interruption in enrollment necessary should file a Petition for a Leave of Absence before leaving the University. A Leave of Absence allows students to maintain the existing graduation program. Failure to do so will mean that they must fulfill all graduation requirements in the catalog, which is current upon their return to WJU. Students withdrawn from the University for one academic year or more (official or unofficial leave of absence) may be required to update some or all of the admissions requirements. A Leave of Absence is good for a maximum of one year.

**Withdrawing from the University**
Withdrawing from all courses is a two-step process:

1. **Dropping classes:** Students who wish to withdraw from all classes in which they are registered must obtain an add/drop card from the Registrar’s Office and follow the procedures to drop courses (see “Drop or Withdraw from a Course” on the previous page).
2. **Exiting the University:** To ensure that all academic and financial arrangements are cleared, students must solicit a Request for Official Withdrawal from the Administration Office and obtain the necessary signatures from the appropriate University department(s). If the leave is temporary, a student should petition for a Leave of Absence at the same time, in order to maintain the existing graduation program.

**Academic Policies**

**Plagiarism**
WJU considers its students to be responsible Christian adults and prefers to treat them as such. A major part of an education at a Christian university is developing and maintaining Christian character, specifically integrity. One jeopardizes that integrity by participating in any kind of deceit; WJU regards such acts as willful plagiarism, cheating, and misrepresentation as deceitful. A student discovered in this kind of activity will not only lose the trust the University has invested in him or her, but will also be subject to discipline: the student will not receive any credit for any assignments that are willfully misrepresented by plagiarism or cheating and will be subject to a personal interview by the Academic Committee to determine if the student may remain in class or in school.

**Special Study Experiences at WJU**

Special study experiences available to students who display interest and aptitude include independent study, practicums, study-travel tours, and internships.

**Independent Study:** Only upper division students with at least one semester residence at WJU and a 3.0 GPA may take credit by this means. Limited to a maximum of 12 units and must be approved by the instructor and the Academic Committee.

**Practicum:** Available to sophomores, juniors, and seniors. Limited to a maximum of 3 units and must be approved by the instructor.

**Travel-Study Tours:** Available to sophomores, juniors and seniors. Limited to a maximum of 4 units and must be approved by the Department Chair.

**Internships:** for juniors and seniors only. Limited to a maximum of 10 units and must be approved by the Department Chair. Internships are an integral part of WJU’s program of study and serve the following purposes:

1. to enable students to make wise vocational choices by guided practical experiences in Christian vocations;
2. to enable students to grasp the relevance of classroom instruction through guided practical experiences which draw upon the content of classroom instruction;
3. to allow students to work with mature and effective leaders and thereby grasp in a living practical context the whole range of experiences involved in special Christian ministries;
4. to enable students to experience the difficulties and rewards of Christian vocations;
5. to develop certain basic practical skills necessary for success in specific Christian ministries through supervised experiences;
6. to gain a greater appreciation of the importance of Christian vocations in the plan and purpose of God.

**Reading and Colloquium:** Qualified upper division students may meet certain requirements by taking courses numbered 499 in the area of concentration needed. The 499 course of faculty-guided research requires the writing of a major research paper. The maximum credit toward graduation is limited by the students’ need, ability, and the decision of the Academic Committee. Colloquiums of five to eight students may do reading and discussion in a special area of study for 299 or 499 course credit.
**Challenge for Credit**
A challenge is appropriate when a student has taken a course at an unaccredited institution which is similar in content to a regularly scheduled course in the WJU curriculum. The following applies:

1. All challenges must be initiated by a petition to the Academic Committee.
2. The chairman of the department must determine that a specific course is appropriate for credit by challenge.
3. A student may not challenge a course if he/she has previously enrolled and withdrawn from or failed the course while at WJU.
4. The student will enroll in the course and pay the appropriate tuition when the challenge is approved by the Academic Committee.
5. The professor of the course may determine what learning activities, including attending certain sections of the classroom lectures, may be required of the student prior to the challenge exam.
6. The student is given full credit for the course and a "pass" grade upon successful challenge.
7. The transcript will note the course by the phrase, "credit by challenge."

**Student Classifications**

**Class Standing**
Class standing is determined by the number of semester units a student has completed. The units required for each classification are indicated below.

- **Freshman**: Less than 32 units
- **Sophomore**: 32 units, but less than 64
- **Junior**: 64 units, but less than 96
- **Senior**: More than 96 units

**Regular Student**
A regular student is one who has been officially admitted to the University. A minimum of 12 semester hours of credit is required for a full-time undergraduate program. Students carrying less than 12 units per semester are classified as part-time students.

**Transfer Student**
Students transferring from other colleges will be given advanced standing according to the number of transferable credits on their official transcripts and the grades earned in those courses. Prospective transfer students must submit official transcripts of their college work to the Registrar for evaluation (see Credit Transfer Policy, p. 38).

**Audit Student**
Students may audit a course when the class is desired for personal enrichment, not academic credit. Performance classes, such as private or class music lessons, speech, or homiletics, cannot be audited. WJU alumni may audit courses on a space available basis. An enrollment fee will be charged; see schedule of fees for details.

**International Student**
An international student is one who has been officially admitted to the University and may register for either a full-time or part-time program under an F-1 (Student) Visa issued by the U.S. Citizenship and Immigration Services.

**Probationary Student**
Students may be placed on Academic Probation, Financial Aid Probation, or Disciplinary Probation for a number of reasons. The purpose of probation is to alert students to problem areas and to assist in overcoming these difficulties. Students dismissed from the University for any of these reasons may not reapply for admission until a full academic year has passed.

**Academic Probation**: Students will be placed on Academic Probation if their GPA falls below a 2.0 for the semester, regardless of how many units were taken during the semester. (See section "Academic Probation" on page 37 for more details.)

**Financial Aid Probation**: In addition to remaining off Academic Probation, students must complete 67% (2/3) of the courses for which they enroll in order to show Satisfactory Academic Progress and remain eligible for federal, state, or institutional aid. Students who do not complete 67% (2/3) of their courses will be placed on Financial Aid Probation.

**Disciplinary Probation**: Students who have failed to live up to the standards and rules of the University and are being considered for dismissal will be placed on Disciplinary Probation.
Grading Information

Each instructor is responsible for determining final grades and for submitting them to the Registrar’s Office. These grades then become a part of the official records of the University. Grades which appear on the student’s grade report at the end of the semester are considered final unless the student identifies an error to the Registrar before six months elapse.

Grade reports will be distributed to all students by mail from the Registrar approximately four weeks after the end of the semester.

Grade Symbols

Every professor is required to submit a grade for each student registered in the course. The following grade symbols are used in reporting and recording a student’s proficiency in courses:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>

Plus and minus symbols are not used to calculate GPA.

Pass/Fail Grading

Certain courses are offered only on a pass/fail basis whereby the student will receive a grade of P or F, rather than a grade of ABCDF. A limited number of courses are offered on this P/F basis, and no courses are offered with an option of either P/F or A-F grading. Courses graded only on P/F are identified in the catalog. Policies and procedures governing pass/fail grading are:

1. The grade of P is not used in computing the grade point average; F grades are included in averages.
2. A Pass grade indicates work at a “C” or better level.

Conditional (E)

An instructor may grant a two-week extension to students to complete work after the semester end. If the work is successfully completed by the deadline, the E grade is changed to reflect completion of the course. If the work is not completed by the deadline, the E grade reverts to the grade the student had earned at the end of the semester.

Incomplete (I)

A student may petition the Academic Committee before the start of the final exams to receive a mark of I (Incomplete) if the student has satisfactorily completed at least three-fourths of the semester, but for reasons beyond the student’s control and acceptable to the instructor, cannot complete the last part of the course, and the instructor believes that the student can finish the course without repeating it. In order to receive an I grade, “Petition to Receive an Incomplete” forms are available online at www.jessup.edu or in the administrative office.

A student who receives an I is responsible for making up whatever work was lacking at the end of the semester. The Incomplete must be made up before the end of the following semester. (An incomplete for spring semester must be made up before the end of summer semester.) If course requirements are not completed within the time indicated, a grade of F will be recorded and GPA will be adjusted accordingly. Students making up an Incomplete do not register for the course, but make individual arrangements with the instructor who assigned the I grade.

To report the make-up, the instructor submits a Change of Grade form directly to the Registrar. When possible, make-up grades for currently registered students will be posted to the academic record before the semester’s grades are entered. Make-up grades received after the Registrar’s Office begins the final audit of credit summaries will be posted after the semester’s grades are entered.

Repeated Course (R)

Classes in which students receive a D+ or below may be repeated in order to improve their GPA or obtain credit for graduation. Credit will be counted only once for successful completion of the course, except for the courses designated in the catalog as allowable repeats. The original grade will remain on the student’s academic record with the notation “R,” but will not be included in the computation of the grade point average.

A student receiving a final grade of a D(+) or an F in a course can obtain credit by reregistering for the course, repeating the class work, and receiving a passing grade. A failed course cannot be challenged by examination.

Repetition of a course more than once requires the approval of the VPAA, and is granted only under extraordinary circumstances.

A failed course does not have to be repeated unless the course is required for graduation.

Withdrawal (W)

A student may drop classes in their schedule during the first week of instruction without penalty. A student may withdraw from a course after the late registration period, receiving a W grade, until the end of the tenth week of the semester. (See Drop or Withdraw from a Course, pg. 33)

Unofficial Withdrawal (U)

Students who fail to withdraw officially from class generally will be given an F for the class. Under certain circumstances, students may petition the Academic Committee to receive a U (Unofficial Withdrawal). A U grade does not affect the GPA but any refund is forfeited.

Grade Changes

Correcting a Grade

An instructor may correct a clerical error on a grade by filing a Change of Grade form with the Registrar’s Office. Requests for a grade change form should be made by the instructor directly to the Registrar’s Office. The form must be received by the Registrar’s Office within six months from the last day of the semester.
Academic Information

Appealing a Grade
After final grades have been filed in the Registrar’s Office, a grade in a course may be changed only by the course instructor. Appeals must be directed first to the instructor, then to the department chair, and to the Vice President for Academic Affairs. If the request remains unresolved at any of those levels, the student may file a grade grievance petition with the Academic Committee. The deadline to file an appeal is the last day of the subsequent semester.

All instructors are encouraged to retain records of completed course work and grades for a period of one calendar year from the date of the last day of the semester. Part-time, relocating, and retiring instructors should provide these materials to their respective departments.

Academic Standing
Students are expected to maintain a grade point average of 2.0 “C” or better in their academic work at WJU in order to continue in good standing.

Dean’s List
Students who complete 12 or more units in a semester and earn a GPA of 3.85 or higher are given special recognition by being placed on the Dean’s List.

Honor Roll
Students who complete 12 or more units in a semester and earn a GPA of 3.50 – 3.849 are given recognition by being placed on the Honor Roll.

Academic Probation
A student whose semester GPA falls below 2.00 will be placed on Academic Probation. Probation is a warning that studies are not of expected quality. A student on probation should plan carefully to avoid subsequent dismissal. The student should seek advice from a faculty advisor, and it is the student’s responsibility to seek the advice.

A student placed on academic probation must register for no more than 12 units and sign up for academic counseling with the Academic Skills Counselor. Probation will be lifted if the next semester's GPA is 2.00 or higher if their cumulative WJU averages are above probation level. If cumulative WJU averages are below the disqualification level after at least two semesters at the University, students may be academically dismissed (see below).

No more than two semesters of academic probation are allowed before a student is subject to academic dismissal.

Academic Dismissal
If a student’s semester GPA remains below 2.00 for two consecutive semesters, he or she is academically disqualified. “Academic dismissal” will be printed on the transcripts and the student will be required to leave the University for at least one academic year. A certified letter mailed to the last address provided by the student to the Registrar will discharge all University responsibility for notification.

Readmission
When one calendar year has elapsed after academic dismissal, the student may petition to re-enter and may be allowed to do so if evidence indicates positive possibility for scholastic success.

Advanced Standing
Students transferring from other colleges will be given advanced standing according to the number of transferable credits on their official transcripts and the grades earned in those courses. Prospective transfer students must submit official transcripts of their college work to the Registrar for evaluation according to the University “Credit Transfer Policy.” WJU follows the American Association of Collegiate Registrars and Admissions Officers (AACRAO) guidelines for transfer of credit.

Credit Transfer Policy
1. All courses taken at schools with regional or AABC accreditation, meet UC or CSU transferable credit requirements, do not repeat WJU credits, and are a C- or better will be accepted in transfer during the first semester of enrollment. Units will be accordingly distributed to proper requirements. Any extra units will be allowed to affect class standing but will not apply toward degree completion. Decisions about course comparability may be referred to the appropriate department chairs.

2. Transfer credit generally not awarded for coursework taken at institutions without regional or ABHE (formerly AABC) accreditation credit may be considered after students have successfully completed 24 semester units in residence at WJU. Consideration of such transfer credit may require:
• students to provide catalog descriptions and/or course plans for the classes that could transfer,
• evaluation and approval from the respective department chairs, or
• other appropriate means of validating the credits previously earned. The amount of transfer credit will be decided on a course-by-course basis and only awarded upon verification of the educational integrity of both the individual course and the institution from which the course was taken.
3. Verification of educational integrity for courses and/or degrees completed at a college or university outside the United States must come from an appropriately recognized international educational evaluation source, such as IERF (International Education Research Foundation). A list of acceptable international evaluation services can be obtained from the Registrar’s office. The cost of such verification will be borne by the student.
4. Students who have been out of college for an extended period of time may have to retake some coursework at the discretion of the Vice President for Academic Affairs.
5. Courses taken at another college but used as part of high school graduation requirements will not count toward completion of a degree, but may be used to waive required courses.
6. A maximum of 50% of requirements for a major may be allowed in transfer.
7. A maximum of 50% of the total units required for a bachelor’s degree are allowed in transfer from community colleges.
8. Students may appeal for reconsideration of evaluation and approval from the respective department chairs, or the Registrar. Final decisions about the awarding of transfer credit rest with the Vice President for Academic Affairs.

Conversion of Quarter Units to Semester Units
Classes at WJU are offered on the semester system, which consists of fifteen weeks of instruction and one week of finals.

In terms of the amount of course work required for the degree, the Quarter System and the Semester System are essentially the same. Students in both systems will take the same number of course hours in order to graduate; however, one is measured in quarter units and one in semester units. One (1) semester unit is equivalent to one and one-half (1½) quarter units of credit. One (1) quarter unit is equivalent to two-thirds (2/3) of a semester unit. To convert semester units to quarter units, multiply semester units by 1.5 to get the semester equivalent. Quarter units are already converted to semester units on all WJU documents.

Alternative Educational Experience Options

Credit by Examination
William Jessup University recognizes the College Level Examination Program (CLEP), DANTES, and the United States Armed Forces Institutes (USAFI) as means of earning college credit. Students may submit scores on examinations taken through these programs to the Academic Office for evaluation.

A maximum of 16 units may be awarded for CLEP and/or DANTES examinations.

Advanced Placement Exams
Students who receive a score of 3, 4, or 5 on an Advanced Placement Exam may receive college credit. Students who wish to receive credit for their Advanced Placement Exams will need to submit their official test scores to the Registrar’s Office. The credit will be transferred in as part of the student’s general education requirements.

Study Abroad
With prior approval from the Academic Office, students may earn credit for study abroad. Students must meet with an academic supervisor and develop an individual contract for their learning, including assignments to be completed for credit. Students must enroll for the units specified and complete all requirements before receiving credit. These units may be applied to general education, the major, and/or internship, depending on the focus of study and with approval from the Academic Office.

WJU participates in the Study Abroad programs of the Council for Christian Colleges and Universities; a higher education association of more than 150 intentionally Christ-centered institutions around the world. The Council’s mission is to advance the cause of Christ-centered higher education and to help its institutions transform lives by faithfully relating scholarship and service to biblical truth.

- The Scholars’ Semester in Oxford
- Uganda Studies Program
Graduation Requirements

To ensure completion of all requirements for graduation, students at William Jessup University make graduation plans during the first semester of their junior year. These plans are based upon the University catalog of the year in which they entered. Deviations from programs or adjustments for students transferring from other colleges must be cleared by the Registrar. Students who have made graduation plans should have them thoroughly checked by their academic advisors.

All those who seek a degree from WJU must fulfill the University's general education requirements, either by transfer credit or by courses taken in residency. At least half of the units required for a bachelor's degree must have been earned at a four-year institution. All course requirements must be completed by the last day of final examinations of the candidate's final semester. All grades, including those for make-up of incompletes, and all transcripts of work attempted at other institutions must be on file in the Registrar's Office before the start of the Spring semester.

All students must satisfy the current scholarship requirement. No degree, diploma, or certificate may be granted to a candidate unless all general core and department requirements have been fulfilled. If awarded in error or upon fraudulent claims which are discovered later, the degree, diploma, or certificate is immediately revoked.

Minimum Credits for Graduation
Candidates for graduation must accumulate a minimum of 128 semester units according to the prescribed courses for the Bachelor of Arts or Bachelor of Science degree, 64 semester units for the Associate of Arts or Associate of Science degree, and 24-32 units for a Ministry Certificate. All those who seek a degree from WJU must fulfill the University's general education requirements, either by transfer credit or by courses taken in residency. At least half of the units required for a bachelor's degree must have been earned at a four-year institution.

Academic Requirements for Graduation
In order to graduate, a student shall have a minimum cumulative grade point average of 2.00 for the total of all college-level credit attempted at William Jessup University. Specific degree program requirements must be met, including appropriate internship requirements.

Resident Credit
Resident credit means any course which is satisfactorily completed at WJU, except credit earned by special examination or correspondence courses. A minimum of 32 units must be completed in residency to receive a degree or diploma from WJU, and a candidate for graduation must complete the last 24 semester units in uninterrupted resident credit.

Application for Graduation
Candidates for graduation must file an application with the Registrar by December 1. The student initiates the application by requesting a preliminary check of his or her records with the academic advisor. Upon obtaining the application, the student lists all remaining degree requirements, obtains the required approvals, and returns the application to the Registrar's Office by December 1. The graduation petition fee will be added to the student's account when the application has been processed.

Students filing a completed application with the Registrar after the December 1 deadline will be charged an additional late fee of $50.00. Graduation applications will not be accepted after February 28. A candidate who fails to graduate on the selected date is required to file a new application for graduation and pay an additional fee.

Candidates are cautioned to examine their academic records for accuracy and to verify completion of Christian service and chapel requirements prior to submitting their Application for Graduation (see sections "Christian Service" and "Spiritual Formation" on page 11).

In addition, candidates for graduation from WJU must satisfy the faculty as to their fitness for Christian ministry. Students may be disqualified from graduation for inappropriate moral, physical, or social behavior.

All academic and financial obligations must be fulfilled prior to graduation.

Conferring Degrees
Degrees are conferred three times a year – in August, December, and May – at the close of summer, fall and spring terms. The date of the diploma reflects that session during which the degree requirements were completed. One graduation or commencement ceremony is held each academic year at the close of the spring semester. Students who have completed all requirements at any time during the previous year are eligible to participate.

In order to maintain the integrity of honors granted, diplomas will be mailed after all grades are received for the semester of graduation.

If the original diploma is destroyed, a duplicate may be ordered by contacting the Registrar’s Office. There is a fee for the replacement diploma. The new diploma will have a reissuing date as well as bearing the signatures of the current officials.

Academic Honors at Graduation
Graduates who have completed at least 60 semester units at WJU are eligible for the following honors:

<table>
<thead>
<tr>
<th>Honors</th>
<th>GPA Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa cum laude</td>
<td>3.85 to 4.00 GPA</td>
</tr>
<tr>
<td>Magna cum laude</td>
<td>3.70 to 3.849 GPA</td>
</tr>
<tr>
<td>Cum laude</td>
<td>3.50 to 3.699 GPA</td>
</tr>
</tbody>
</table>

Graduates who have achieved at least a 3.50 GPA but who have not completed 60 units in residence at WJU may graduate "with distinction."

Delta Epsilon Chi Honor Society membership is awarded for outstanding scholarship by the Association for Biblical Higher Education, formerly known as Accrediting Association of Bible Colleges. Membership is limited to 7% of the graduating class. Honors in the commencement program are computed on grades through the fall semester for spring graduation. Honors on the diploma and transcript are based on all grades received at WJU.
Expenses

Tuition and Fees
Costs at WJU are significantly lower than those at comparable private institutions, due in part to the gifts of many individuals and churches who provide a large percentage of the operating costs for the University. Contact the Admissions Office for WJU’s current tuition package and fee schedule, including residence costs.

Monthly Payments
All charges for a semester are considered due and payable in full upon execution of the student’s semester contract at registration. Students who are unable to pay the contract balance in full at registration may request to be allowed to pay a minimum of one-third of the balance due at registration and arrange a monthly payment schedule to pay the remainder before the end of the semester. Students who have a history of making payments on time will routinely be granted permission to arrange a monthly payment plan.

Institutional Refund Policies
Tuition and Fees: Students who must withdraw from a class or classes during the semester may receive a refund of a percentage of the semester’s tuition charges, library and student activities fees. To receive a refund, students must submit a completed drop card to the Registrar (see section, “Drop or Withdraw from a Course on page 33). The date of withdrawal for refund purposes is determined by the date the Registrar receives the completed drop card. Refunds indicated are percentages of total tuition charges, not of amounts paid to date of withdrawal. The student may be required to pay unpaid charges.

If financial aid programs have paid money on a student’s account, a different refund policy may be required and refund distribution will be made following the prescribed regulations issued by the federal government. The regulations and formulas governing such refunds may be examined in the Financial Aid Office.

Traditional Program Refund Policy
Before or during the first week of instruction ............... 100%
After the first week but before the end of the third week of instruction .............................................. 80%
After the third week but before the end of the ninth week of instruction .......................................... 40%
After the end of the ninth week of instruction ..................... 0%

Residence Costs
All unmarried freshmen and sophomores under 21 years of age are required to live in school housing unless they live with family members. Older students may live in school housing if rooms are available. Nearby apartment buildings provide convenient housing for students. All campus residents must buy a semester meal pass for the cafeteria, included in the room and board charges.

Students make arrangements to pay for food and housing with the Student Finance Office during registration. Room and board charges will be included in each semester contract. The Security/Cleaning deposit is refundable at the end of campus residency if the room is left clean and undamaged and all other debts to the University have been paid. With special approval, students taking fewer than six units or not enrolled at WJU may live in campus housing, if space is available. However, such residents will be charged a higher room and board rate. Overnight guests may stay in University housing only upon approval of the Residence Hall Director. A special fee is charged to overnight guests per person per night. Guests may not remain more than one week.

New and continuing students who plan to live in University housing should reserve their rooms at least four weeks before the beginning of the semester. Residence Hall reservation forms are available upon request from the Admissions Office.

Residence Refund Schedule
Residents who move out of campus housing before the end of the semester may be entitled to a refund of room and board charges. The refund amount will be pro-rated, based on the date that residents vacate their room and are cleared through the Residence Life staff.

Student Meal Plans
WJU has a cafeteria and food services for students that are reasonably priced. Meal plans are available, which save money over the cost of meals purchased individually: a punch meal ticket, which can be used anytime a student chooses to eat in the cafeteria, or a semester meal plan, which covers select meals during the semester. WJU requires all students living on campus to purchase a meal plan.

Meals for guests may be purchased in the cafeteria on a cash basis. Meal service is provided during the Fall and Spring semesters; however some holidays, such as Thanksgiving, Christmas, and Spring break, may not be included.

The University reserves the right to make minor cost-of-living adjustments in cafeteria prices during the school year.

Student Health Insurance Rates
Students are required to show proof of domestic health insurance prior to or at registration. Otherwise, a Student Health Insurance rate will be charged to all Traditional Students, domestic and international, every semester.

The insurance payment is required in full upon registration. If proof of insurance is shown to the Student Life representative during the late registration period, a credit will be applied to the student’s account. Insurance purchased in the Spring term will cover the student through the Summer term.

Please contact the Business Office for the current Student Health Insurance fees.
ATHLETIC INSURANCE/PARTICIPATION FEE
An Athletic Insurance/Participation Fee will be charged to all students eligible to participate in the University's Intercollegiate Athletic Programs. This fee is mandatory and cannot be waived with proof of insurance. Students can choose to pay the full amount of this fee with registration or to make three equal payments, due according to the WJU deferred payment program. The deferral of payment option is available only for an athlete's first semester of participation in the Athletic Insurance/Participation program. This is an annual fee and is not prorated; contact the Business Office for current fees.

FINANCIAL AID
We believe that your education is an investment in your future and our goal is to assist you in any way possible with the cost of that investment. Therefore, William Jessup University participates in federal, state, and institutional programs designed to help you fill the gap between the cost of your education and your ability to pay.

APPLICATION PROCEDURES AND DEADLINES
Students are required to apply for financial aid each year. The Free Application for Federal Student Aid (FAFSA) must be completed to determine eligibility for federal and state grants and loans. Additional applications are required for certain institutional scholarships.

APPLICATION PRIORITY DEADLINE: Students must submit the FAFSA, or the renewal FAFSA, and the GPA Verification Form postmarked on or before the March 2 deadline in order to be considered for Cal Grant A and B for the following academic year. The priority deadline for institutional aid is August 1. The deadlines to apply for federal grants and loans for each semester are listed below. Students who apply after the deadline may still receive financial aid if funds are available. Students with incomplete financial aid files or academic files will not receive credit for financial aid at the time of registration.

The following is a simple explanation of how to apply for financial aid at William Jessup University. All necessary forms are available in the Financial Aid Office. Contact us at finaid@jessup.edu to request forms.

1. Complete the Free Application for Federal Student Aid (FAFSA) on the Web at www.fafsa.ed.gov or as a paper application to send to the Department of Education. WJU's school code is 001281.
2. A Student Aid Report (SAR) will be mailed to you within 4 to 6 weeks. The SAR is a report of all the information you reported on the FAFSA. When you receive your SAR, check for any corrections that need to be made. If you make corrections, or if you have not listed WJU, send the SAR to the WJU Financial Aid Office with the corrections and your signature.
3. You may receive a letter requesting other documents to complete your financial aid file. Some students are randomly selected for “verification,” i.e., the student (and parent of a dependent student) must provide a signed copy of his/her 2003 federal tax return and complete a Verification Worksheet.
4. Complete all admissions requirements. Your admissions file must be complete before you can receive any aid.
5. You will receive an Award Letter within three weeks of completion of your file.
6. If you would like to receive a student loan, you may submit the loan application that will be sent to you with your award letter. Parents may request a parent loan application from the Financial Aid Office.

FEDERAL AND STATE AID
To apply for the following grants and loans, students must have submitted the Free Application for Federal and State Aid (FAFSA).

In order to qualify for federal and state aid programs, an eligible student must:

1. be a U.S. citizen, U.S. permanent resident, or eligible non-citizen.
2. be enrolled as a regular student in a degree program. The student must complete requirements for a degree within 150% of the normal time allotted for that degree (e.g. six years to complete a four year bachelor's degree).
3. have a high school diploma, GED, certificate of completion of a state approved home school program, two years of college course work which are completely transferable to a Bachelor's degree, or have passed an approved Ability to Benefit test within the last twelve months.
4. be enrolled for at least six units to qualify for state aid and student loans. The student must be enrolled for at least three units to qualify for federal grants and institutional aid. If units are dropped during the semester, the amount of financial aid awarded is subject to change.
5. not be currently in default on a prior student loan or owe money to a Federal Student Aid Fund.
Financial Information

Cal Grant A: This grant, awarded by the State of California, is based on California residency, grade point average (GPA), and financial need. Students must submit the FAFSA and the GPA Verification Form by March 2, 2005 in order to be considered for Cal Grant for the 2005-06 school year. Students who receive Cal Grant may or may not be eligible to receive any institutional aid for the 2005-2006 school year.

Cal Grant B: This state grant is available for California residents from low-income, disadvantaged backgrounds who have high potential and demonstrate financial need. Students must submit the FAFSA and the GPA Verification Form by March 3, 2005 for the 2005-2006 school year. Students who receive Cal Grant may or may not be eligible to receive any institutional aid for the 2005-2006 school year.

Federal Pell Grant: This federal grant, based on financial need, is available only to students working toward their first Bachelor’s degree. For the 2005-2006 school year, awards will range from $4,000 to $4,000.

Federal Supplemental Educational Opportunity Grant (FSEOG): This is a federal grant for students with exceptional financial need.

Federal Stafford Loan: This federal student loan program provides low interest loans from eligible banks to help pay educational expenses for students who attend at least half time (six units). Loans vary in amount based upon each student’s grade level and dependency status. Students may be eligible for a Subsidized Stafford Loan, in which the government subsidizes the interest while students are in school and during the grace period, and/or an Unsubsidized Stafford Loan, for which the student is responsible for paying the interest either during or after school. Repayment on Stafford Loans begins six months after a student graduates, drops below half-time, or withdraws from school.

Federal PLUS Loan (Parent Loans for Undergraduate Students): This federal loan program provides loans at low interest rates to parents of eligible students. Repayment of loan principal and interest begins within sixty days of the full disbursement of the loan.

Federal Work Study (FWS): This program enables Pell eligible students to earn a portion of their financial aid award through federally subsidized employment through WJU. Work study jobs are available both on and off campus.

Veteran’s Educational Benefits: William Jessup University is approved for coordination of Veteran’s Benefits.

Institutional Aid
WJU offers various tuition scholarships to new and returning students. Application information for each scholarship can be requested from the Financial Aid Office or viewed on our website at www.jessup.edu. Note that some scholarships require specific application. Scholarships which are awarded as a percentage reduction of tuition are limited to a maximum of 18 units per semester. Percentage scholarships have been noted below. Application for all institutional aid must be made by the priority deadline of August 1, 2005, unless otherwise specified in the following information.

The following institutional scholarships are available to all traditional WJU students. Degree Completion students are eligible to apply for the WJU Need Grant. Please note that institutional awards will be coordinated together to create a package that does not exceed 50% tuition discount.

Academic Scholarship: William Jessup University offers an Academic Scholarship to students who enter the University with a cumulative GPA of at least 3.25. This scholarship award is based on GPAs from official transcripts upon admission to the University. A student’s college GPA will be used if the student has completed at least 24 semester or 36 quarter units of college courses. Otherwise, the student’s high school GPA will be used to determine the award. The awards range as follows:

WJU Scholar Award
One award will be granted each year to one first-time freshman who meets all eligibility requirements below. This scholarship is renewable in the student’s subsequent years at WJU if the student maintains a 3.85 GPA.

Athletic Scholarship: Students competing in basketball, soccer, cross-country, or volleyball may be eligible to receive an Athletic Scholarship. These scholarships are given at the discretion of the Athletic Director on a yearly basis, and the amounts of the awards vary, up to 50% tuition award.
FINANCIAL INFORMATION

Christian Leadership Scholarship: WJU offers five one-year $2000 scholarships to entering students on the basis of Christian leadership potential and experience. Students who have been serving in some form of ministry or leadership capacity are encouraged to apply for the award. Applications for this scholarship can be requested from the Financial Aid Office and must be submitted by May 1 for the following school year.

Church Partner Scholarship: WJU offers this scholarship to students from churches that partner financially with WJU. This scholarship is awarded in the amount of $1000 for one academic year (two semesters, $500 is distributed for each semester) and is awarded on a “first-come, first serve” basis. Applications for this scholarship must be submitted by June 1 for the Fall term and by November 1 for the Spring term. Students will need to complete a Free Application for Federal Student Aid (FAFSA) in order to receive the scholarship. International students must complete the WJU International Student Application.

Ministry Worker Scholarship: WJU offers this scholarship to students involved in full-time paid ministry or to unmarried dependents of someone who is involved in full-time paid ministry. Students must complete the FAFSA, the Ministry Worker Scholarship Application, and submit proof of full-time paid ministry status. This scholarship, which ranges from 10-50% of the year’s tuition, is based on the EFC (Expected Family Contribution) determined by the Department of Education after completing the FAFSA. This scholarship may be renewed each year upon submission of the FAFSA and proof of continued full-time paid ministry. Applications for this scholarship can be requested from the Financial Aid Office and must be submitted by April 1, 2005. Students who miss the Fall deadline will be allowed to apply for a Spring term award by December 1, if funds are available.

Early Decision Credit: Students who have been officially accepted and who place a tuition deposit of $150 by April 1 will receive an additional $150 tuition credit from WJU towards their Fall school bill, or a $75 tuition credit if their $150 tuition deposit is received by June 1. This is available for first-time students only.

Endowment Scholarships: Returning students may be awarded privately funded tuition scholarships based on criteria designated by the donors. These scholarships are awarded at the end of each academic year for the following year. No application is necessary.

Music Scholarship: Students who excel in musical talent and ability may audition with the Music Department Chair for this scholarship. The amounts of the awards vary, up to 50% off tuition. This scholarship is renewable each year at the discretion of the Music Department.

WJU Need Grant: Students whose financial aid applications indicate significant financial need may be eligible for this scholarship. The scholarship is given on a yearly basis and the amount varies, up to $2,000. Eligibility requirements include: completion of the FAFSA and eligibility for federal aid (International Students may substitute the FAFSA with the WJU Financial Aid Application for International Students) and written petition to the Financial Aid Office for additional funding. Students who receive 25% of their annual tuition in other institutional or WJU endowed scholarships are not eligible for this award. This grant is renewable upon written petition by the student and approval by the Financial Aid Office. This scholarship is also available to eligible students in the Degree Completion Program.

Satisfactory Academic Progress Policy In order to be eligible for federal, state, or institutional aid, students must make satisfactory academic progress according to the University’s policy. This policy requires a student to have a cumulative GPA of at least 2.00 and to successfully complete a minimum of 67% (2/3) of classes in which the student has enrolled.

All students will be reviewed for compliance with the satisfactory academic progress policy at the end of their first year at WJU and thereafter at the end of every Spring Semester. Students who have not met the requirements for satisfactory academic progress will be notified and placed on financial aid probation. Financial aid probation is ineligibility for federal, state, and institutional aid, including scholarships, grants, and student loans.

Students who are placed on financial aid probation may be granted an extension of financial aid based on the appeal process described below if extenuating circumstances occur such as medical problems, family emergencies, a death in the family, or special circumstances as determined by the institution.

Students on financial aid probation may appeal to the Financial Aid Committee for reinstatement of financial aid by completing the Financial Aid Probation Appeal Form, available in the Financial Aid Office. A student who continues unsatisfactory academic progress must appeal for financial aid on a semester basis, for a maximum of two semesters. Financial aid may or may not be reinstated at the discretion of the Financial Aid Committee. After receiving the second semester of financial aid on appeal, a student may not receive financial aid again until achieving satisfactory progress.

Policies Regarding Outside Aid Students are encouraged to investigate other sources of financial aid, including churches, employers, corporations, Internet scholarship searches, and other organizations. Lists of available Internet scholarship searches may be requested from the Financial Aid Office.

Students who receive financial aid are required to report to the Financial Aid Office all resources known or expected to be available to them for the year (e.g. church assistance). Failure to report these resources may result in delay in receiving funds, cancellation of awards, or the reversal of funds already received.

All institutional aid is subject to coordination with federal, state, and all other aid sources. Availability of all aid is subject to federal, state, institutional, and private funding.
Course Descriptions - Traditional

Course Descriptions
Traditional Program

Course Numbering System

000-099
Developmental courses designed to prepare a student for college-level work and do not count towards graduation.

100-299
Lower division courses designed primarily for freshmen and sophomores.

300-499
Upper division courses designed primarily for juniors and seniors.

500-599
Graduate level courses designed primarily for graduates who desire a teaching credential.

Lower division courses are to be completed before upper division courses may be taken. Successful completion of the Writing Proficiency Exam is required before enrollment in upper division courses.

Explanation of Course Notation
The course number is followed by the semester hours of credit earned upon successful completion of the course. The title of the course is listed below the course number. Special courses numbered 399 and 499 are offered if needed and if a professor is available.

DCP course descriptions can be found on page 67.

Explanation of Intensives
There are three areas of emphasis within the Emmaus Curriculum: written communication, technology, and cultural studies. Each academic department has designated these “intensive” courses within their program. They are distinguished by the following symbols (located immediately after the course number):

Written Communication Intensive: N
Technology Intensive: T
Cultural Studies Intensive: H

B

BHST252
ARCHAEOLOGY OF THE NEW TESTAMENT (S: even years)
An investigation of the major archaeological finds and primary sources relevant for understanding the New Testament. A brief introduction to archaeological methods will provide the necessary foundation for evaluation of evidence presented in publications. (Prerequisite: BIBL 102 or 103)

BHST251
ARCHAEOLOGY OF THE OLD TESTAMENT (F: even years)
An investigation of the major archaeological finds and primary sources relevant for understanding the Old Testament. An introduction to archaeological methods will provide the necessary foundation for evaluation of evidence presented in publications. (Prerequisite: BIBL101)

BIBL101
CHRISTIAN FOUNDATIONS I (F)
Establishes the foundational strands, evident throughout Scripture, of God’s revelation of His character and plans and of His view of human nature. This introduction to the literature of the Old Testament and the history of the Jewish people through the post-Exilic period will emphasize the relevance of the revelation for today.

BIBL102
CHRISTIAN FOUNDATIONS II (S)
A study of the Four Gospels and Jesus’ proclamation of the Kingdom of God in its historical, first century context. The course will open up an understanding of the person of Jesus, his teaching and ministry, including his final days, death and resurrection. (Prerequisite: BIBL101)

BIBL103
CHRISTIAN FOUNDATIONS III (F)

BIBL249
BIBLICAL INTERPRETATION (F, S)
A study of the principles whereby we understand, explain, apply, and live God’s word. Provides an understanding of how the Bible came to be and introduces the basic principles and skills required to interpret it accurately. The emphasis will be on the understanding and application of scripture to today’s world. This class is a prerequisite for all upper-division Bible and Theology classes. (Prerequisite: ENGL101)

BLG215 a, b
GREEK I, II (F, S)

BLG225 a, b
HEBREW LANGUAGE AND LITERATURE (F, S)
A basic introduction to biblical Hebrew designed to introduce the basics of vocabulary and grammar as prerequisites for translating the Old Testament. The courses will highlight the contribution language study makes to understanding the richness of the Old Testament.

BLG316
GREEK III (F)
An intermediate study of Koine Greek grammar and syntax through the translation of selections from the Greek New Testament. (Prerequisite: BLG215 a, b with a grade of “C” or higher, or permission of professor)

BLG317
GREEK IV (S)
Applies the skills from introductory and intermediate Greek as well as Biblical Interpretation to the detailed exegesis of a specific New Testament text. Includes principles of New Testament textual criticism and the use of various Greek language tools. (Prerequisites: BLG316 with a grade of “C” or higher, or permission of professor)

BLG318
GREEK V (F)
Reading of selected Greek texts from the Septuagint, the New Testament, and Patristic sources, with attention to textual and exegetical issues. (Prerequisite: Permission of professor)

DEGREE COMPLETION PROGRAM

William Jessup University has developed the Degree Completion Program (DCP), a nontraditional program to meet the needs of working adults who are at least twenty-five years of age or who have worked full-time for at least two years, and have 60 semester units (the equivalent of two years or more of transferable college credits). These individuals typically work full-time and are interested in completing a four-year college degree in the evening while continuing to work.

This program’s innovative format allows students to complete their Bachelor of Science degree with a major in Christian Leadership, Counseling Psychology, or Management and Ethics in approximately two years. Groups begin several times throughout the year and classes meet one night per week on a year-round basis. This bachelor’s degree is designed to apply closely to the student’s career goals and to equip students to be more effective team leaders in their chosen fields.

The Degree Completion Program operates in two locations:

Greater Sacramento Area Campus:
333 Sunset Blvd., Rocklin, CA, 95765
888-883-4226 or 916-577-2336

San Jose Campus:
1190 Saratoga Avenue, Suite 210,
San Jose, CA 95129
800-205-6100 or 408-278-4346

ACADEMIC CALENDAR
As a nontraditional program, the Degree Completion Programs offers starts on different dates throughout the year. Prior to each start, information sessions are held to inform prospective students about the program. Information sessions include:

- A description of the Degree Completion Program
- Meeting the needs of an adult student
- Financial matters, including employer reimbursement, loans and grants, and University payment plan
- Start dates for cohorts
- Application procedures
- Alternate credit sources

HOW THE DEGREE COMPLETION PROGRAM WORKS
The classes meet one night a week with cohorts of 12-20 adults; the night remains the same for the entire program. The students stay together as a cohesive group throughout the program. Each class works like a seminar with an experienced professor facilitating a practical exchange of experiences and ideas to raise the level of learning to focus on application and use of the learning in new ways. Courses are taught one at a time. Impressive faculty with Master’s or Doctorate degrees, and significant leadership, professional and/or ministry experience bring a wealth of real-world relevance to the classroom. Academic counselors assist in developing a personal plan for earning additional credits as quickly as possible. Curriculum reflects current adult learning principles. For added convenience, textbooks and all required materials are delivered to students. The curriculum of all majors links theory to practice, so one can take what is learned to work the next day and start using it. Additional college credit may be earned for demonstrating learning accomplished outside the classroom, including technical training, work experiences, military training, seminars, and informal learning.

One may expect the DCP to assist the development of skills in:

1. leadership and interpersonal relationships
2. written and oral communication
3. critical thinking
4. ethical decision making
5. multicultural awareness

EDUCATIONAL OBJECTIVES
The primary goal of education at William Jessup University is the integration of faith and learning. These student learning objectives apply to students in all programs, including the DCP.

The integration of faith and learning is facilitated by a curriculum and learning environment which:

1. offer an appropriate balance among courses in Bible and theology, practical ministry, and general education, and erase any artificial barriers between these areas of study;
2. encourage a well-conceived system of values and beliefs;
3. celebrate and honor all cultural groups;
4. personalize the educational process by emphasizing the priority of relationship-building throughout the University experience.

STUDENT LEARNING OUTCOMES
The integration of faith and learning is demonstrated in the lives of students who:

1. apply understanding of the Christian Scriptures and its major theological themes in coursework, classroom participation, projects, internship and Christian Service;
2. gain and apply knowledge and skills in systematic inquiry in Biblical thought, quantitative thought, and critical analysis of data and argument;
3. demonstrate competence in reading, writing, listening comprehension, and oral communication in the English language;
4. have entered into a life of spiritual formation integrating vocation, ministry, character, and lifestyle;
5. understand and appreciate cultural and ethnic differences and are sensitive to the needs of all humanity.
**Program Emphasis**

**Bible and Theology**
The Bible and Theology courses develop an integrative worldview for the selected ministry or career choice and provide an affective preparation for marketplace ministries.

**The Christian Leadership Major**
The Christian Leadership major focuses on qualities and characteristics necessary to be an effective team leader in any type of ministry work. The curriculum is designed to equip the student to work as a contributing member of a ministry team, church staff, or parachurch staff.

**The Counseling Psychology Major**
The Counseling Psychology major equips an individual for work in the helping professions in both secular and sacred settings. The curriculum is designed to prepare the student for paraprofessional positions in the helping professions and/or advanced education in a graduate school environment.

**The Management and Ethics Major**
The Management and Ethics major provides tools necessary to be an effective leader in business or ministry. The curriculum includes courses which provide a strong biblical foundation and courses in business, which are designed to emphasize the ethical and moral values of a Christian in today's world.

**Second Bachelor's Degree Option**
Many people are seeking a mid-life career change to enter the ministry or reach some other goal. If one already has a Bachelor's Degree which would meet the University's general education requirements, a second degree may be earned through the Degree Completion Program. Staff will advise on the process to follow to determine eligibility for this option.

**Courses**
A series of eighteen courses, the curriculum is not a collection of independent courses, but a unified set of modular courses that build upon each other to provide a cohesive learning experience.

**Faculty**
Faculty members who teach in the Degree Completion Program are highly qualified with graduate degrees, qualified professional designations, and significant ministry, leadership and professional experience. All faculty members hold a Master's degree or higher, and some are full-time William Jessup University faculty. All faculty participate in training regarding the special needs of adult students, making each course an exciting and valuable learning experience for you.

**Admission to the Degree Completion Program**

**Admission Criteria**
1. Completion of a minimum of 60 transferable semester hours credit from an accredited college or post-secondary institution acceptable to WJU.
2. Age of at least twenty-five or have completed two years of full-time work experience.
3. Cumulative grade point average of 2.0 (4.0 scale) or higher on all prior academic work.
4. A willingness to study in a Christian university.
5. Completion of English Composition I or higher.

**Admission Procedures**
Application is a simple process that can lead to a quick decision concerning one's eligibility for enrollment. The process requires the submission of the following:
1. An application form and payment of the nonrefundable application fee.
2. Official transcripts from all colleges and universities previously attended. If one does not have 60 transferable semester units, a person is legally required to submit an official high school transcript verifying graduation, in addition to other post-secondary transcripts. Official transcripts must arrive in an envelope sealed by the registrar of the previous institution.
3. Satisfactory Personal Recommendation from a pastor or a person who can provide a reliable character reference.
4. A personal letter of introduction describing one's spiritual journey, including comments on one's academic preparation, and services to one's community and church.
5. Complete the FAFSA, Free Application for Federal Student Aid, online (www.fafsa.ed.gov). Online filing is faster and the preferred method. After completing the application be sure to sign the FAFSA electronically with the pin number provided by the department of education. If you do not have a pin number you can apply for one on the FAFSA website. If financial aid questions arise, one should contact the Financial Aid Office.

Upon meeting all the above criteria, the Degree Completion Director will accept the admission application. Any exceptions will be considered by the Admissions Committee for acceptance, rejection, or provisional acceptance. At the admissions stage you will be informed of any graduation requirements still to be met and a recommendation as to when, where and how you can complete them.

William Jessup University reserves the right to reject any applicant or any request for readmission for any reason it may consider valid. Following are examples of the reasons that a student may be refused admission to WJU:
1. Academic deficiencies.
2. Substance abuse.
3. Mental illness. Students who apply following a hospitalization must sign a release to allow school officials to confer with appropriate professionals. The University reserves the right to be informed of a student’s after-care plan and to determine if a student is ready for the academic and social environment. The University requires that students wait one year between completing hospitalization and applying for admission.
4. Moral objections. Persons who show a lack of Christian character by practicing immoral or unchristian acts are requested not to apply for admission.

5. Lack of fit for the Program. The Admissions Committee review the full available profile of the applicant including GPA, academic completion rate, references, interview recommendations, spirituality, the projected probability of success in the Program, and how the applicant will likely fit with other students in the program.

SKILL LEVEL EXPECTATIONS
In the Degree Completion Program students complete their upper-division requirements for a degree; therefore, during their first two terms students must meet the University’s requirements for junior standing, which include the following:

ENGLISH COMPOSITION
Students must demonstrate proficiency in upper-division writing skills by passing the WJU Writing Proficiency Exam (WPE). Students are encouraged to take the WPE before classes begin, but must complete the exam no later than the end of the first term. Students who fail the first time must take the test again. A student who fails the test a second time must attend a WPE preparation class and take the test a third time. Students must pass the WPE no later than the end of the second term to continue in the program.

COMPUTER PROFICIENCY
Students demonstrate computer usage proficiency through successful performance on 1) the WJU Computer Proficiency Test, or 2) a computer class taken before or while enrolled in the DCP.

MATHEMATICS
A student who has not completed the general education requirement for mathematics may take the WJU Math Placement Exam to determine ability level and sequence of courses needed to complete the requirement.

READMISSION TO THE DEGREE COMPLETION PROGRAM
Degree Completion Program students who wish to re-enroll within a year during the period of an approved Leave of Absence simply are required to contact their academic advisor to create a re-entry plan. However, after more than a year’s Leave of Absence a student must request readmission in writing to the Director. The readmission decision will be based upon prior experience with the Program; the student’s current situation and motivation; and may require completion of the application process.

FINANCIAL INFORMATION
Costs at WJU are significantly lower than those at comparable private institutions, due in part to the gifts of many individuals and churches who provide a large percentage of the operating costs for the University. Contact the Degree Completion Program office for the current tuition package and fee schedule.

REFUND POLICY
Students who must withdraw from a course or courses during the term may receive a refund of a percentage of the term’s tuition charges. To receive a refund, students must submit a completed drop card to the Degree Completion Program office. The date of withdrawal for refund purposes is determined by the date the DCP Office receives the completed drop card. Refunds indicated are percentages of the total tuition charges, not of amounts paid to date of withdrawal.

Before or on the first day of classes .................. 100% of tuition
After 4 hours of instruction and
before end of 8 hours of instruction .......... 80% of tuition
After 8 hours of instruction and
before end of 12 hours of instruction .......... 40% of tuition
After 12 hours of instruction .............................. no refund

FINANCING YOUR EDUCATION
One of the primary considerations in planning for a college education is how to pay for the education received. The availability of federal and state financial aid programs and the wide variety of scholarships need to be investigated in order to ensure sufficient financial resources are available and which of the many options will be the best use of those resources. Please refer to the Financial Aid section of this catalog for a description of available aid. For additional information, please contact the DCP Office or the Financial Aid Office.

ACADEMIC PROGRAM INFORMATION
ADVISING
The DCP Site Director serves as academic advisor for DCP students at each site. The staff is also available to plan external course completion, help with career goals, selecting a major, and give counsel about grades and University life.

COHORT MENTOR
Each cohort is assigned a Cohort Mentor who provides assistance to students throughout the Degree Completion Program. The Cohort Mentor teaches up to 5 of the 18 courses for the cohort and will make regular contact with the students. The Cohort Mentor is not an academic counselor but serves as a coach, sponsor, advocate, advisor, and one who encourages spiritual formation. Cohort mentors are not to serve as a substitute for one’s pastor, but as a good person to talk with about anything inside or outside of class that might be impacting student performance.
**Degree Completion Program (DCP)**

**Registration**
Registration for the first term is held during Orientation at the individual campus. Registration for each succeeding term is conducted prior to class time at the last class session of the course preceding the new term. Approximately 3 weeks before registration preliminary contract information will be mailed to each student; students should be prepared to pay at least 1/3 of their contracted costs on registration night (plus a deferred payment fee if applicable).

**Audit Courses**
Students who have received transfer credit for a course in the Degree Completion Program will pay the book fee and audit the course for reduced tuition and book fee. Attendance and participation in the course is mandatory. Note that the course requirement is met through transfer, but the student may need additional units to meet the required degree total of 128 semester units.

**Waived Courses**
The requirement for a course in the DCP curriculum will be waived only if the student has previously taken the course at William Jessup University. Attendance in class, while encouraged, is not required.

**Incomplete Work**
Degree Completion Program students are expected to complete all course requirements during the time assigned for that course. The course final must be completed by the first week of the following course. The instructor will have 2 weeks to grade the final and submit the course grade.

Failure to turn in a final, or a failing grade on the course final, results in an automatic failure (F) for the course. Any student work, other than the final, not submitted by the due date will be considered a zero and the course grade will be calculated accordingly.

In the rare circumstance when it is impossible to complete the course requirements on time, the student may Petition to Receive an Incomplete ("I" grade). The student must contact the instructor to work out an agreement of a due date for incomplete work to be submitted. In order to receive an “I” grade, the student and instructor must submit the Petition to Receive an Incomplete form submitted within one (1) week after the final is due. For prompt submission, this form may be faxed to (916) 577-2240, attention Assistant Registrar.

The petition will be reviewed by the Academic Office and the Director of the DCP. Once the petition has been either granted or denied, the Academic Office will mail a copy of the petition to the student and instructor so both are aware of the outcome. A $25 processing fee will be added to the student’s billing. If the student fails to complete the work within the time limit, the grade for the course will become an F and the student must repeat the course at their own expense.

**Optional Ways of Earning Credit**
Adults come to continue their education in an in-service program with an already-existing diverse set of learning experiences and competencies. These learning experiences may be categorized into three broad modes of education, each of which may provide university-level credit. A prerequisite for the WJU Degree Completion Program is two years of formal accredited university-based learning. Formal education based learning may be directly transferred into a Bachelor of degree provided it fits the student’s program.

The second education mode, nonformal education provides structured, planned and staffed short-cycle learning experiences. These learning experiences are commonly used as staff training, or continuing education in workshops, seminars, conferences, short courses, and the like. However, they typically are not offered for academic credit. This mode of education often focuses on skill development for immediate use. A focus on the theoretical bases is often missing.

The third and broadest educational mode provides what is arguable the most important learning: informal education by definition is not planned or structured. Academic credit is not in focus with this kind of learning. This learning is sometimes called enculturation or acculturation. It is relational. One typically learns worldview, values, attitudes, one’s first language and other cultural forms informally. Informal education may be facilitated in internships, practica, time spent over coffee, walking together, specific observation, but it is not formally assessed and the learning remains serendipitous. One may learn specific content, skills or attitudes informally and reach high levels of competence. To receive academic credit this learning and these competencies must be demonstrated.

**Credit for Prior Learning**
In order to complete the requirements for a Bachelor of Science degree some students will need to earn additional credits beyond those that will be delivered in the Program and the formal educational credits they were granted in transfer upon entering the Degree Completion Program. During the admission process, the DCP staff will identify any additional courses needed for graduation and help prepare a plan for earning this credit by either formal, nonformal or informal approaches to learning.

WJU follows the Policy for Credit for Prior Learning from the Western Association of Schools and Colleges (WASC) in the granting of credit for both informal and nonformal education based learning. The University follows the standards of the Council of Adult and Experiential Learning (CAEL) to evaluate these demonstrations of learning.

**Informal Education Based Learning:** Many adults have gained considerable college-level learning through jobs, travel, family life, and other experiences. WJU recognizes the validity of these learning experiences and will award credit when sufficient documentation is provided through the preparation of a Credit by Demonstrated Competency (CDC) Portfolio or a learning Application Essay.
Nonformal Education Based Learning: Credit for workshops, seminars and licenses provide another avenue for credit as the learning is documented. Often a number of workshops or seminars dealing with similar topics may be combined to provide the equivalent of a college class. However, except for American Council of Education (ACE) approved military training, DSST (DANTES Subject Standardized Tests), and College Level examination Program (CLEP) exams, credit offered must “fall within the regular curricular offerings of the institution and are a part of the instructional program the student completes” and must be evaluated by “faculty holding regular appointments in the appropriate discipline,” in accordance with WASC standards.

We use the guidelines of the American Council of Education (ACE) and CAEL within the WASC constraints to guide in the evaluation of this learning. One general guideline used in evaluating seminar and workshop experiences is that forty-five “structured-hours” are usually equivalent to one unit of credit. These hours would include the seminar time, reading and writing about the topic. The awarding of credit also depends on the demonstrated use of the learning.

A maximum of 15 semester units can be earned through the CDC process, though not all students will have the appropriate life-learning experience to qualify for CDC. No more than 15 semester hours can be applied to lower division requirements or electives and no more than 7 semester hours can be applied to upper division requirements or electives.

Credit by Correspondence: Correspondence courses, if taken from an accredited college, may be accepted in transfer. Check with your DCP advisor before taking any correspondence courses to be sure the course will satisfy the University’s requirements.

Credit by Examination: College Level Examination Program (CLEP) and DSST examinations are standardized tests on selected topics. A maximum of 16 semester units can be earned through CLEP and DSST examinations.

Credit by Traditional Coursework: College classes are, of course, another option for completing needed credits. Additional courses are offered by the University on the main campus at various times. Classes may also be taken at other accredited colleges and be accepted in transfer. Please work with your DCP advisor to determine which courses are acceptable for transfer credit.

Attendance Policy

Due to the accelerated nature of the DCP courses, the Program practices a 100% attendance policy. Consistent class attendance is mandatory for students.

First absence: Students who miss one class of a five-week course may, at the instructor’s discretion, be allowed to make up the class by writing a 10-12 page paper that relates directly to the discussion covered in the missed class. The session make up must be completed and submitted to the instructor no later than 2 weeks after the last class session for the course. Failure to make up the absence will result in a zero for class participation. This paper acts as a replacement for classroom participation and is in addition to the original homework assignment that must also be completed.

Second absence: (This policy applies to students who have not filed a drop card for a course according to policy. Please refer to the policy on dropping a course for details) Any student who misses the FIRST TWO nights of any course without a Petition to Drop has not established attendance and will receive an “Administrative Withdrawal” from the class, earning a “U” grade. Students who miss two nights of class in ANY OTHER COMBINATION will automatically receive an “F” grade. In each case the course must be repeated at a later time at the student’s own expense.

The student will be notified in writing by the Academic Office that they have been administratively withdrawn from a course. The letter will also request that the student contact the Registrar about their intention to continue in the Program. If no response is received by the specified date the student will be administratively withdrawn from all remaining courses for that term and considered to have stepped out of the program. The student will be notified in writing of the official dismissal from WJU. Any student wishing to return to the DCP after these actions have been taken will be required to submit a new application. If accepted they will enter under the current catalog requirements. Serious financial consequences may result with either a drop or withdrawal. Financial Aid will likely be affected. The student is responsible to contact the Financial Aid office for information.

Dropping (Withdrawing from) A Course

Students withdrawing from a course must submit a Petition to Drop form to the DCP Office. Students who submit a Petition to Drop before the first class session will not receive a penalty and the course will not appear on the student’s permanent transcript. Students who drop a course after the first class session ends will receive a W on their permanent transcript. The Petition to Drop form is to be submitted to either the University Academic Office or local DCP Office. The effective date of the drop will be the postmark, fax date and time (original must follow by mail), or date and time received personally by University staff. Failure to withdraw from class by submission of a Petition to Drop will result in an F being entered on the permanent transcript for the class and any refunds for the class are forfeited.

A student who has officially dropped a class and who is no longer registered for credit or for audit is ineligible for further attendance in that class. Dropping a class may affect the student’s financial aid. It is the student’s responsibility to contact the Financial Aid office for information.

Withdrawing from the University

Withdrawing from all courses is a two-step process:

1. Dropping classes: Students who wish to withdraw from all classes in which they are registered must follow the process outlined in the preceding section (see “Dropping (Withdrawing from) A Course”).

2. Exiting the University: Students must submit a Request for Leave of Absence or Official Withdrawal to the University Academic Office or local DCP Office. If the leave is temporary, a student should fill out the Leave of Absence section in order to maintain the existing graduation program (see below). If the student will not be returning they should fill out the Official Withdrawal section.
**Degree Completion Program (DCP)**

**Leave of Absence**
Students who find it necessary to interrupt their enrollment should file a Petition for a Leave of Absence before leaving the University. A Leave of Absence good for a maximum of one year and allows students to maintain the existing graduation program. (Students who return from a Leave of Absence will enter under the current fee schedule.)

Students withdrawn from the University for one academic year or more (official or unofficial leave of absence) may be required to update some or all of the admissions requirements. (Failure to petition will mean that, upon their return, a student must fulfill all graduation requirements for the current academic year in which they re-enroll.)

**Petition to Change Cohort**
Students who wish to change cohort must obtain the approval of their academic advisor. A Petition to Change Cohort form must be completed, including academic advisor’s signature, and submitted to the Program Office or the Registrar’s Office. A $110.00 processing fee will be added to the student’s account. Depending on the student’s circumstances they may also need to file a Petition to Drop form and/or a Leave of Absence form.

**Administrative Drop/Classroom Conduct**
Students have a responsibility to conduct themselves on campus in ways which do not interfere with the rights of other students to learn or of instructors to teach. Use of electronic devices such as pagers, cellular phones, or recording devices, or other potentially disruptive activities, is permitted only with prior explicit consent of the instructor. The instructor may rescind permission at any time during the course.

If a student does not comply with requirements or obstructs the functioning of the class, the instructor may initiate an administrative drop. The instructor must record circumstances. The approval of Vice President for Academic Affairs is required. Prior to a decision, the VPAA will consult with the student and other parties as appropriate. Appeals go to the Academic Committee and the VPAA. Serious cases of misconduct will be referred to the Student Life Committee for appropriate action. The effect on grades is the same as a drop initiated by the student and is based on the date the administrative drop is approved. The student will be notified by the final grade report. There may be financial implications as a result of the drop.

**Application for Graduation**
Candidates for graduation must file an Application for Graduation with the Registrar by December 1. The student initiates the application by requesting that a preliminary check of his or her records with the academic advisor. Upon obtaining the application, the student lists all remaining degree requirements, obtains the required approvals, and returns the application to the Registrar’s Office by December 1. The nonrefundable graduation application fee will be added to the student’s account when the application is received.

Students filing a completed application with the Registrar after the December 1 deadline will be charged a late fee of $75.00. Graduation applications will not be accepted after February 28. A candidate who fails to graduate on the selected date is required to file a new Application for Graduation the next academic year, and pay the new graduation fee.

Candidates are cautioned to examine their academic records for accuracy and to verify completion of three quarters of Christian Service prior to filing the Application for Graduation. Although the Christian Service requirement is course embedded, passing the course does not ensure successful completion of Christian Service. For more information, contact your cohort mentor.

In addition, candidates for graduation from WJU must satisfy the faculty as to their fitness for Christian ministry. Students may be disqualified from graduation for inappropriate moral, physical, or social behavior.

All academic and financial obligations must be fulfilled prior to graduation.

**Conferring Degrees**
Degrees are conferred three times a year – in August, December, and May – at the close of summer, fall and spring terms. The date of the diploma reflects that session during which the degree requirements were completed. There is one graduation or commencement ceremony each academic year held at the close of the spring semester. Students who have completed all requirements at any time during the previous year are eligible to participate.

In order to maintain the integrity of honors granted, diplomas will be mailed after all grades are received for the semester of graduation.

If the original diploma is destroyed, a duplicate may be ordered by contacting the Registrar’s Office. There is a fee for the replacement diploma. The new diploma will have a reissuing date as well as bearing the signatures of the current officials.

**Academic Honors and Graduation with Honor**
A student in the Degree Completion Program is eligible for academic honors at the end of any term if he/she has taken 12 or more credit hours and has achieved a grade point average at the following levels:

- Deans’ List: $3.85-4.00 GPA
- Honor Roll: $3.50-3.849 GPA

A student who has completed at least 60 semester units at WJU is eligible for the following honors at graduation:

- Summa Cum Laude: $3.85-4.00 GPA
- Magna Cum Laude: $3.70-3.849 GPA
- Cum Laude: $3.50-3.699 GPA

**Academic Probation**
A student whose term GPA falls below 2.00 or who withdraws from 2 or more courses in a term will be placed on Academic Probation. A student on probation should plan carefully to avoid subsequent dismissal from the College. Probation is a warning that studies are not of expected quality. The student should seek advice from his/her academic advisor and Cohort Mentor. It is the student’s responsibility to seek such advice. Students will have one semester to bring their GPA above 2.00.
**Records**
William Jessup University, in compliance with State and Federal regulating Boards, maintains records for all students at its main administrative location. Materials required by the Reform Act shall be preserved for five years; all academic and admissions records are maintained in accordance with local, state, and federal laws.

**Instructional Resources**
The WJU Memorial Library is perhaps the best theological library in Placer County. The Library has over 35,000 volumes and a complete collection of over 62,000 items including books, magazines, journals, and audio and video resources. The Library has web-based research database tools such as EBSCOHost, online library catalog, and computer search stations for patron use at either Degree Completion Program site.

A computer lab, housed in the library, is available for student use during library hours. Microsoft Office, Internet access and other academic software are available. A MIDI (Musical Instrument Digital Interface) Lab is housed on the second floor of the library, where PCs, Roland RS synthesizers and Sibelius music software are available. A computer is also available for limited student use at the DCP offices in San Jose and Rocklin.

Extension students can request to have library materials delivered to the extension sites for them to pick up. Requests can be made by email at library@jessup.edu or by phone at (916) 577-2288. If the requested items are available for check-out, the items will be shipped out within 24 hours.

**Appeal Process**
The student is to follow the steps listed below when making an appeal. The first step should resolve most problems. Any issue that cannot be resolved at that level may be appealed to the next. Any appeal may be carried to the President of the University if the appeal process outlined below does not resolve the issue.

**Academic:** For all appeals concerning changes in a student’s classroom status or program that deviate from normal procedures, contact the local DCP Director, discuss the situation, and obtain a petition for a change if it is felt necessary. Submit the petition to the DCP Director for consideration by the DCP Academic Committee.

**Financial Matters/Financial Aid:** For all appeals concerning student financial matters or student financial aid, discuss it with the DCP Director who will refer you to the Student Finance Officer or the Financial Aid staff person. Submit your problem/appeal in writing to the Controller or Financial Aid Administrator (as appropriate) for action by the Administrative Council or the Financial Aid Committee.

**Student Life:** Every student has access to a formal grievance process if so needed. In the event a student has specific concern regarding a policy of the University, the student is encouraged to communicate the concern in writing to the Vice-President for Student Life. The Vice-President of Student Life will act to bring formal resolution to the stated grievance either by addressing the issue directly, or, if necessary referring the issue to the Associate Dean of Students. If satisfaction is not achieved, a student may appeal directly to the President.

**Counseling**
Students should feel free to seek out a faculty member of their choice or request referral for counseling from the Student Life Office. Students are responsible for any fees incurred as a result of personal counseling off-campus. For referrals or other information, please call the Student Life Office at 916-577-2322.

**Disability Services**
As a part of insuring equal access and opportunity, the Student Life Office will seek to facilitate accommodation for students with disabilities on a case by case basis. It is up to the individual student to request assistance. Each student is required to provide documentation of disability to the Student Life Office prior to receiving assistance. For further information, please call the Student Life Office.
Degree Completion Program (DCP)

Degree Completion Program Graduation Requirements

The Degree Completion Program offers Bachelor of Science degrees in Bible & Theology with a second major in Christian Leadership, Counseling Psychology, or Management & Ethics. All degrees, which require a minimum of 128 semester units, are built upon a three-part structure which is designed to integrate prior academic and occupational choices with our program emphasis on vocation, ministry, character, and lifestyle.

General Education requirements not only secure a broad-based foundational knowledge, but allow students to redeem courses taken earlier in their academic careers. Students are encouraged to complete their General Education requirements of 52 units prior to enrolling in the program of their choice.

The DCP programs of Christian Leadership, Counseling Psychology, and Management & Ethics (54-58 units each) offer a biblical worldview which prepares students to think, communicate and act in a complex, changing, and demanding global community.

The final component of the degree offers students opportunity to utilize educational experience gained in prior college or vocational choices. See the section “Optional Ways of Earning Credit” on page 63 to discover avenues to earn these 18-22 units.

Bachelor of Science Christian Leadership

The Christian Leadership major provides students with the tools necessary to be effective team leaders in any type of ministry work. Both the church or parachurch staff and the church member will be significantly equipped to work as a contributing member of a ministry team.

The dual major includes modules which will provide a strong biblical foundation for personal relationships and interaction, leadership in the attainment of goals and establishing priorities, understanding the culture in which students live and work, and continued development of skills necessary to be effective in ministry work.

This dual major equips students to continue the pursuit of their education as a life-long experience after receiving their degree.

**Bachelor of Science Counseling Psychology**

The Counseling Psychology major is designed to develop an individual's capacities for work in the helping professions in both secular and sacred settings. Its mission is to prepare Christians to lead individuals/groups to wholeness in Christ, utilizing methods that are scripturally sound and culturally sensitive.

The Counseling Psychology degree, as distinct from other ministry related degrees, prepares students for the soul care dimensions of ministry to individuals and families. For some, the major will provide foundational studies in preparation for graduate school in the helping professions. Graduates who seek advanced education, typically choose advanced studies in Psychology, Counseling, or Social Work. Others will apply this degree to work within mental health settings immediately after graduation and/or utilize the relational skills gained in this program in a wide range of careers, including business, human services, and church/parachurch ministry.

General Education Requirements ........................................... 28
Electives (by transfer, CDC, or concurrent enrollment) ................... 18

Counseling Psychology majors are required to take Introduction to Psychology and Developmental Psychology as part of their Foundational Studies courses. If a student has not taken these courses within their general education program, they will be referred to these courses in the WJU Traditional Program, online, or at a community college.

### BACHELOR OF SCIENCE MANAGEMENT AND ETHICS

The Management and Ethics major provides tools necessary to be an effective leader in business or ministry. The curriculum includes courses which provide a strong biblical foundation and courses in business, which are designed to emphasize the ethical and moral values of a Christian in today’s world. This major equips students to continue the pursuit of their education as a life-long experience after receiving their degree.

This program includes a final project that is introduced in Cutting Issues in Management (ME471XL) and culminates in the final course Communication Concepts (SP383XL). This project will be designed to satisfy the University requirement for Christian Service. It also serves as a capstone project that demonstrates the integrated learning goals of this dual major.

### Course Descriptions - DCP

**Course Descriptions**

**Degree Completion Program**

**Course Numbering System**

- **000-099**
  Developmental courses designed to prepare a student for college-level work and do not count towards graduation.

- **100-299**
  Lower division courses designed primarily for freshmen and sophomores.

- **300-499**
  Upper division courses designed primarily for juniors and seniors.

In general, the first digit of the course number indicates the year level at which it is recommended that the course be taken (1=freshman, 2=sophomore, 3=junior, 4=senior, 0=remedial). Lower division courses are to be completed before upper division courses may be taken. Successful completion of the Writing Proficiency Exam is required before enrollment in upper division courses.

**Explanation of Course Notation**

The course number is followed by the semester hours of credit earned upon successful completion of the course. The title of the course is listed below the course number. Special courses numbered 399 and 499 are offered if needed and if a professor is available.

**CM30XL**

- **Functioning in a Multi-cultural World**
  - The student will become acquainted with the demographic reality of the ethnic mosaic in the United States and learn to relate with and witness to those from other cultural heritages. This objective will be accomplished by both classroom learning activities and practical experience with people from various ethnic groups in the student’s environment.

**CM352XL**

- **Christian Perspective**
  - Challenges students to consider how general revelation (creation) and special revelation (the Scriptures) of God affects every aspect of life. Each student will be encouraged to develop a truly Christian world view and understand and critique competing world views.

**CM361XL**

- **Christian Theology**
  - Examines the teaching of the Scriptures concerning fundamental doctrines of the Christian faith including the nature and attributes of God, the origin and nature of man and sin, and the person and ministry of Christ enabling students to formulate or clarify their own faith statements.

**CM365XL**

- **Strategies for Success**
  - This course provides a set of bases to succeed specifically in a higher education program which translates into strategies for success in life. Specific topics include the identification of personal strengths, the setting of personal goals and priorities, developing appropriate attitudes, effective writing, reading for success and fundamentals of research.

**CM372XL**

- **Foundations of Teaching and Preaching**
  - A "cross-training" module to introduce the principles and skills necessary to effectively communicate Scripture through teaching and preaching delivery. Practical application assignments will be made, and reports/presentations will be given. Emphasis will be placed on methods and applications.

**Gene De Young**  
(2003), Vice President for Finance and Administration (2004)  
Azusa Pacific University, BA, 1982; California State University, Sacramento, MBA, 1993; CIMA.

Gene comes to WJU following 20 years in the private and public business sectors. He has held partner positions in both retail and real estate development entities as well as consulted in the financial services sector. Gene also served as an adjunct faculty member in the College of Business Administration at California State University, Sacramento.

**Paul Blezien**  
(2004) Vice President for Student Development  
University of Wisconsin, BS, 1980; Ball State University, MA, 1985; Azusa Pacific University, Ed.D, 2004.

Paul sees the students at WJU as a sacred trust from their families and from God and he strives to be a faithful steward of that sacred trust. He is committed to providing the leadership necessary to foster a genuine Christian learning community at WJU. Combining out of class experiences in worship, outreach, discipleship, athletics, social activities, and leadership with the excellent classroom instruction at WJU helps students discern the call God has upon their life while simultaneously preparing them to respond to that calling.

Prior to joining the administration of WJU, Paul served in a variety of leadership positions at Northwestern College in Orange City, Iowa and the University of Wisconsin System. He also serves as an adjunct instructor in graduate programs at Geneva College in Beaver Falls, PA and Azusa Pacific University in Azusa, CA. He has been a member of The Association for Christians in Student Development (ACSD) and currently sits on the Executive Committee of that organization.

Yuba College, AS, 1983; California State University, Sacramento, BS, 1986; licensed CPA.

Licensed as a Certified Public Accountant in the State of California and a qualified purchaser of the Myers-Briggs Type Indicator, Cameron believes a big part of a student’s education is preparing them to function within society with respect to their financial responsibilities. He is also passionate about helping students appreciate the differences among personalities in accordance to how God has designed each one of us. Cameron is intrigued by the correlation between the reconciliation process he encounters within the Business Office with financial numbers and the reconciliation process between God and man.

Cameron came to WJU as one of our Men’s Basketball Assistant Coaches in 1998 and was hired on as the Controller in 1999. He has worked in public accounting, private manufacturing, and in the financial services (pension related) fields. Cameron strives to build the relational connection between the Business Office staff and the students of William Jessup University.

FACULTY

The faculty at WJU are committed to God, the mission of the University, academic excellence, and our students. Excellence in teaching and personal interaction with the students are the two main priorities of the faculty. The student-teacher ratio at WJU is 11:1, which allows professors the opportunity to know their students on a personal level. Interaction with students outside of the classroom is not something that just happens to occur, but is purposefully initiated and enjoyed.

FULL-TIME FACULTY

PROFESSORS

GLEN BASEY
(2001) Chair, Christian Education; Director, Credentials with Character

Glen believes “Christian Education is the Hope of the World” as servants in Christ’s church teach the gospel and encourage people by teaching them toward Christian maturity. His activities have included training teachers, conducting workshops and seminars, individual counseling and as a teacher in the congregation and on the college campus.

Before joining the staff at WJU, Glen served more than 40 years of ministry with 24 of those years spent at Puget Sound Christian College, Edmonds, WA. The first eleven years he served as head of the Christian Education department and as a teacher of Education, Youth Ministry, Psychology, and Bible. The last thirteen years at Puget Sound Glen served as President. During his tenure the College was brought out of debt, received national recognition as the fastest growing College in 1990-1991, launched a Degree Completion Program, and upgraded the curricula program.
**Academic Personnel**

**David Beavers**  
(1986) Chair, Pastoral Ministry  

David has served the church since his ordination in 1959 as a youth minister, new church-evangelist, and minister. During his 26 years in the preaching ministry he worked with congregations in Illinois, Georgia, Florida, and California. He was with the Central Florida New Church Evangelistic Association in the early 70’s, doing new church work in Titusville, Florida.

His doctoral thesis subject was *Expository Preaching and Topical Preaching, An Evaluative Experiment*. David writes exegeses and sermons for the *Biblical Preaching Journal*. He has written for *The Lookout, Christian Standard,* and *Ministers Manual* (Doran’s) and presented two academic papers that are included in the *Papers of the Academy of Homiletics*. Furthermore, Dr. Beavers prepared a series of sermons for *Ministers Manual 2000* and *2005* and wrote a book in 1993, *Bill Jessup: Preacher of Unity and Worship*.

**Les Christie**  
(1993) Chair, Youth Ministry  
Pacific Christian College, BS, 1971; Fuller Theological Seminary, MAR, 1974; Trinity Evangelical Divinity School, D.Min., 2002.

Les has been in youth ministry for 39 years, serving at Eastside Christian Church in Fullerton, CA for 22 years. He has spoken in 48 states, 11 foreign countries, and at more than twenty Christian colleges, seminaries and universities. Les has lead seminars at the Youth Specialties National Youth Workers Convention every year since 1980. He has been a member of Youth Specialties Resource Seminar (CORE) for 9 years and is a team member for “Understanding Your Teenager” leading parenting seminars all over the country.

**Merilyn Hargis**  

Merilyn Hargis really “digs” what she does—literally. As an archaeologist, she has spent a lot of time in Israel excavating at archaeological sites and gaining a different perspective on the world of the Bible and the land where Jesus lived. She brings to her teaching of Old Testament, archaeology, and Hebrew the excitement of discovering “buried treasures” in God’s Word and their relevance for Christian life and ministry today.

Merilyn taught at several colleges, universities and seminaries before coming to William Jessup University. She has written articles for magazines and journals and co-authored a book, *Hindsight Tour Guide*. She appeared on the *Day of Discovery* television series on Revelation and has spoken at retreats across the U.S. She was named to the *Who's Who Among American Teachers* (2002).

**Portia Hassanzadeh**  
(1994) English; General Education Program Chair  
San Jose State University, BA, 1984; MA, 1989; California Institute of Integral Studies.

Portia loves to read, loves to write, and loves to share these passions with others. “All truth is God’s truth” is the motto of her program, so she emphasizes helping students find meaning and personal application in both their writing and reading coursework. She is currently pursuing her doctorate from the California Institute of Integral Studies. Portia is also interested in reflective writing as a meta-cognitive discipline, as well as writing style and literature each in connection with personality.

Portia began teaching English to college students at San Jose State University in 1988. There she was awarded the Mara Steffey Award for Outstanding Graduate Student in 1989, and the Best Thesis in the School of Arts and Humanities in 1990.
Jon McFarland  
(1987) Chair, Bible and Theology  

It is the fulfillment of a long-time goal to now be training others for ministry. Jon brings to this task a love for people and the preaching and teaching of the word. 

Jon came to William Jessup University with fifteen years of local ministry experience. Six of those years were in Southern California, where Jon taught extension classes for Pacific Christian College. For the other nine, Jon was in Northwest Arkansas. During his ministry in Rogers, Arkansas, Jon worked with the Northwest Arkansas Hospice group caring for the critically and terminally ill. He has done extensive bereavement counseling and training in grief management and hospice care. He also served on the Hospice Board for a number of years and on the boards for various area minister’s alliances, men’s fellowships, Christian camps, and the board of directors for Christ on Campus.

Liz Stanley  
(1996) Chair, Music and Worship  
California State University at Hayward, BA, 1978; Single Subject Teaching Credential, Music, 1980; MA, 1983.  

In the church Liz has served in a variety of ministry positions, including her work as a Worship Leader, Music and Worship Director, Children’s Choir Director, and deaconess. Liz brings to William Jessup University an enthusiasm and a love of her students. 

Liz has been involved in Music Education at both the secondary and college level since 1980, having taught choral and vocal music in several local school districts and at Patten University in Oakland, CA. Liz has also been active in solo, ensemble and choral performances with Bay Area choruses and opera companies. She has enjoyed serving as an adjudicator for ACSI competitions and for other solo, ensemble, and choral festivals. Liz has also presented seminars on vocal technique and enjoys leading worship in conference and retreat settings.

Lee Wanak  
(2003) Intercultural Studies  
Devry University, AS; Moody Bible Institute, BA; Denver Seminary, M.Div; Ateneo University, MA; Northern Illinois University, MS; Denver Seminary, D.Min.; Indiana University, Ph.D.  

Lee believes all Christians have a calling and role as God’s ambassadors in the furthering of His Kingdom. He is committed to preparing students for cross-cultural work and deepening their understanding of diverse peoples. His passion is to see students deeply involved in the mission of God. 

Prior to joining WJU, Lee served as an International Theological Education Consultant, Academic Dean, and Director of the Doctor of Education program and Professor of Christian Education at the Asia Graduate School of Theology and Asian Theological Seminary. He also served as a missionary working with Filipino tribal minorities and urban churches in the areas of pastoral training, church planting and administration. He brings to his teaching rich cross-cultural experiences from a variety of ministerial and educational settings.

Beverly Wiens  
(1981) Chair, Counseling Psychology  
Bakersfield College, AA, 1967; San Jose State College, BA, 1969; MA, 1970; Santa Clara University, MA, 1992; Northern California Graduate University, Ph.D., 2001; Licensed M.F.T.  

Bev believes that God has designed us to live in intimate relationship with one another and with Him, and that our human intimacies are a rehearsal for intimacy with God. Licensed as a Marriage and Family Therapist, her passion centers around the study of human attachments and their correlations with attachment to God. This study was the focus of her dissertation. 

Prior to joining the faculty at William Jessup University, Bev taught in the Family Life Science department at West Valley College and in the Child Development departments at San Jose City College and San Jose State University. In addition to her work at WJU, she is an adjunct faculty member in the Marriage & Family Therapy Master’s program at Western Seminary, Los Gatos campus. She brings to her teaching, rich experience in a variety of educational settings, as well as a keen appreciation for her freedom here at WJU to integrate her faith with the study of psychology.
**Nam Soo Woo**  

The Woo family moved to San Jose in 1987 to teach at what was then San Jose Christian College and to plant a Korean American church in San Jose. Nam Soo has led many Korean students to William Jessup University’s programs at both the main campus and extension programs since that time.

Nam Soo Woo has been ministering more than twenty years in both Australia and the U.S. as an ordained Christian church pastor. Specifically he worked as a missionary with the Aboriginal Evangelical Mission in Australia from 1976-1985. He also planted the Korean-Australian church in Perth, Australia, during that time.

**Julius (Rex) Gurney III**  
(2003) History  
University of New Mexico, BA, 1979; Golden Gate Baptist Theological Seminary, M.Div., 1987; Union Theological Seminary, Ph.D., 1999.

Rex has a passion for teaching history because learning about the past can help our understanding of the present. Who we are as Christians living in the 21st century has been molded by the understanding of “the ways of God and Man” of those who have journeyed on this earth before us. For the Christian, an appreciation of the rich tapestry of history – both secular history and Church history – is an invaluable tool for self-understanding. Being able to articulate who one is and why – a process aided by the study of history – is an important part of the journey of self-discovery.

Prior to joining the faculty of WJU, Rex pastored for nine years in Oakland and San Jose, CA. He has also spent several years on the mission field in both Colombia and Ecuador, taught high school overseas and in the States, and directed Golden Gate Baptist’s Hispanic Seminary Extension in San Francisco.

**Gary Hartman**  
(2004) Teacher Education  

Gary has been a long time advocate of “parental choice.” In the K-12 public school system, he has directed and taught in “schools-within-a-school” systems, magnet and alternative education school systems, and was the founding Principal of Rocklin Academy, a Sacramento Area Charter School that consistently receives California’s highest Academic Performance Index (API) ranking.

Gary brings a wealth of experience and deep love for powerful teaching and learning to WJU and its students. He has served in all arenas of public and private education, from elementary to high school teacher and principal, alternative education director, public school district superintendent, and charter school developer and founding principal. Gary has also completed extensive coursework in marriage and family counseling and been selected by WASC Regional Accreditation Commission to participate and chair several accreditation visiting committees in California.
KENNETH LOGAN  
California State University, Sacramento, BA, 1991; MA, 1995; California School of Professional Psychology, Ph.D., 2001.

Ken’s primary academic and clinical interests center around the effects of spiritual formation and character development on health and wellbeing. His graduate research focused on measuring Christian styles of belief and the effects of confession on psychological and physiological health.

Ken brings 12 years of academic and clinical experience to William Jessup University. He earned his doctorate at the California School of Professional Psychology, instructs full-time as an Assistance Professor of Counseling Psychology at William Jessup University, part-time as an Assistant Professor at Western Seminary, and maintains a part-time clinical practice in Sacramento. His areas of clinical expertise and specialization include marriage therapy, parent-child interaction therapy, and Christian spiritual formation. He is a frequent presenter at churches and retreats.

THOMAS RUSCICA  
Azusa Pacific University, BA, 1992; MA, 1995.

Tom has a passion for choral music and worship in the church. He has served in music ministry in many different denominations including Assembly of God, Baptist, Church of God, and Lutheran, and enjoys learning about different styles of worship. Tom also has a passion for teaching and considers equipping the ministers and worship leaders with the necessary skills a huge responsibility.

Prior to joining the faculty at William Jessup University, Tom served as worship leader and choral director at Resurrection Ministries, Shepherd of the Hills Lutheran Church, and Glendale Community Church of God. In addition to his work in the church, Tom taught music at various schools in Los Angeles, as well as at Liberty High School in Brentwood, California.

ROGER SALSTROM  
Purdue University, BSAE 1971; Indiana University, MBA, 1973; University of California, Ph.D., 1989.

Roger believes that God must direct our lives 24 hours a day seven days a week. Too often God and ethics are removed from the everyday decisions made in businesses and often Christians are not visibly different from others. His focus is on how to incorporate Biblical values into the business environment so Christians can use the workplace to be an effective evangelistic environment.

Prior to joining the faculty in 2003, Roger taught in the Organization and Management Department at San Jose State University for 14 years. In addition, he has over 13 years experience working for major corporations in management. He brings to the classroom practical experience and theory, as well as the perspective of analyzing business decisions from a Biblical point of view integrating faith with business.
Assistant Professors

**Rhonda Capron**  
Shippensburg University, BS, 1981; University of New Mexico, MBA, 1996.

Rhonda confirmed her passion for teaching after first being an adjunct instructor in the WJU Degree Completion Program. She soon left her business career to dedicate her time and energy to teaching at William Jessup University. Rhonda’s focus is to prepare students to be Christ-centered business leaders.

Prior to joining the faculty at WJU, Rhonda was a Vice President for Support Services at Oracle Corporation. She has 20+ years of business experience, working for both the public and private sector, which she incorporates into the classroom. Her focus has been technology solutions and planning.

**James Crain**  
San Jose Bible College, BA, 1966; Western Conservative Baptist Seminary, M.Div., 1970.

Jim likens himself to the farmer in Christ’s Parable of the Sower who broadcast his seed into as much fertile soil as he possibly could in the allotted time he was given. After three decades of implanting God’s Word into the hearts and minds of students, he has witnessed the crop of thirty, sixty and a hundred-fold promised by Christ. In recent years he has enjoyed teaching the children of his earliest pupils.

Jim joined the full-time faculty in 1971 after five years in youth ministry at Central Christian Church in Portland, Oregon. For seven years he was Professor of Practical Ministries, teaching courses in youth work, Bible and theology and homiletics. From 1978 until 2005 he was adjunct professor. During that time he founded a radio and concert ministry in the south Bay Area (1978 - 1985) and served as Senior Pastor of Green Valley Christian Church in San Jose (1985 - 2005).

**Debra Cunningham**  
California Baptist University, BA, 1979; Southwestern Baptist Theological Seminary, MA, 1982.

Debbie believes strongly in the role and influence of children in our society. Children are not “pre-people”; they are the fullness of who God created them to be at their particular stage of development. Because of this, Debbie’s heart is passionate about influencing educators and children for Christ both in the church and in the public and private classroom setting.

Debbie and her husband moved to Northern California in 1984 and she served as an Assistant Director for an Infant Toddler Center and Preschool. While raising her children, she served as Children’s Ministries Coordinator for Cornerstone Evangelical Free Church in Yuba City. She also taught at Camptonville Academy, a charter school based in Marysville and in 2004 was awarded the “Educator Who Is Making A Difference” award, for piloting an innovative, non-traditional classroom based program. Debbie’s eclectic teaching opportunities have helped her deeply appreciate the opportunity to integrate faith and learning in the classroom at WJU.
Sharon Forkum
California Baptist University, BA, 1973; United States International University, MA, 1990.

Passionate about God’s love and the importance of expressing such love, Sherry believes the written word is paramount to spreading His love. Providing tools for writing is an important part of her mission, as well as setting the example of being a Christian teacher in a secular system. The focus of her dissertation is Generational Differences, an area of great interest for her as she teaches and ministers to William Jessup University students.

In addition to teaching at WJU, Sherry has been an instructor at Sierra College and Hawai’i Community College, and is a published author of children’s books. She has also taught all levels of education, Kindergarten through 12th grade, with writing, reading, and communication being the focus. Sherry is also passionate about teacher education. Over the past 30 years, she has been master teacher for 20 student teachers from various universities and interns for the State of California.

Nathan Herzog
Point Loma Nazarene University, BA, 1999; National University, MA, 2002.

Today, more than ever, teachers are taking the role of a parent. Because of this, Nathan feels it is important for him to instill parental responsibilities into WJU’s teacher candidates. Coming from a family of eleven children with a large number of close-knit extended relatives, you can imagine he has many “real-life” situations to share in the classroom. Nathan is excited to be a part of what God is doing at WJU and specifically in the Credentials with Character program as it is designed to further develop characteristics helping students grow spiritually, intellectually, and academically.

Before starting as an adjunct instructor last year at WJU, Nathan taught for six years in various public and private classroom settings at the senior and junior high levels. He has been a high school soccer coach, Science Department head, and Health Academy instructor in past years. He is also a state certified scorer and trainer for the Teaching Performance Assessments (TPA’s) and has been published for his research on animal behavior.

Elizabeth Inpyn
University of California, Santa Barbara, BA, 2000; National University, MAE, 2002.

Alice Mills
(2004) English
University of California, Irvine, BA, 1992; and MFA, 1996.

Alice believes that everyone has a voice worth developing in service of the callings God has placed on our lives. As a writer and a teacher of writing, Alice seeks to inspire students to discover their unique testimonies as well as learn to critically evaluate the world around them.

Alice has thirteen years of cumulative experience, teaching English and Composition at a variety of colleges, universities and high schools, public and private, including the University of California, Irvine; Western Kentucky University; Campbellsville University; and Lindsey Wilson College. She is also published in various professional publications, including poetry journals.
Karen McReynolds  
(2004) Science 
Northern Arizona University, BS, 1980; San Jose State University, MA, 1996.

Karen has a love for teaching and passion for science that she uses to get others interested in the intricacies of God’s marvelous creation. She is especially interested in motivating Christians to become involved with the care for this amazing world.

Karen’s prior teaching experience includes several years at Bethany College near Santa Cruz, CA, as well as courses at Merced College and San Jose Christian College. She arrived at WJU following four years in Belize, Central America, directing Jaguar Creek, an environmental field station for Target Earth International, a Christian nonprofit dedicated to serving the earth and poor. Karen also lived in Dominican Republic and Ontario, Canada, while working for New Horizons Youth Ministries.

Fritz Moga  
(2004) Youth Ministry 
San Jose State University, BS, 1979; San Jose Christian College, BS, 1990; Hope International University, MA, 2001.

Fritz has dedicated his life to serving God by teaching and caring for teenagers. After eighteen years as a Youth Pastor it was an exciting and natural step to move into teaching Youth Ministry at William Jessup University. His passion is to train up the next generation of youth leaders that will carry on ministry both locally and globally.

Fritz’s first teaching position was as a Physical Education instructor and Athletic Director at Valley Christian Junior High School in San Jose. Following that experience Fritz served as a Youth Pastor in San Jose for almost eighteen years. He has vast experience in teaching, leadership, music, camping and missions programming. Prior to joining the faculty, Fritz spent four years as WJU’s Director of Campus Ministries overseeing the chapels, small groups, and Christian service programs.

UNIVERSITY POLICIES AND REGULATIONS

NOTICE OF NONDISCRIMINATORY POLICY
William Jessup University admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the University. It does not discriminate on the basis of race, color, national and ethnic origin, age, sex, or physical handicap in the administration of its educational policies, employment practices, admissions requirements, or scholarship and loan programs. Assistance for handicapped students is available and is directed by the Student Life Committee. Classrooms and offices are wheelchair accessible. Arrangements for students with other special needs may be coordinated by the Student Life Committee to enable them to complete their programs. Inquiries regarding compliance may be directed to the President of the University, 333 Sunset Blvd., Rocklin, CA 95765.

STUDENT TUITION RECOVERY FUND
California law requires that, upon enrollment, a fee be assessed in relation to the cost of tuition (Education Code Section 94343). These fees support the Student Tuition Recovery Fund (STRF), a special fund established by the California Legislature to reimburse students who are California residents and who might otherwise experience a financial loss as a result of untimely school closure. Institutional participation is mandatory.

It is important that students keep a copy of any enrollment agreement, contract, or application to document enrollment; tuition receipts or cancelled checks to document the total amount of tuition paid; and records which will show the percentage of the course which has been completed. Such records would substantiate a claim for reimbursement from the STRF, which, to be considered, must be filed within 60 days following school closure. For further information or instructions, contact: Bureau for Private Postsecondary and Vocational Education, 1027 Tenth Street, Fourth Floor, Sacramento, CA 95814-3517.

STUDENT RIGHT-TO-KNOW
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.
   - Students should submit to the Registrar written requests that identify the record(s) they wish to inspect. The Registrar will make arrangements for access and notify the students of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.
   - Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the Registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   - One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by William Jessup University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education. 400 Maryland Avenue, SW Washington, DC 20202-4605.

WJU reserves the right to refuse students to inspect the following records:

1. Their parents’ financial statements.
2. Letters of recommendation that are a part of the admissions file. Once students are admitted, all letters of recommendation will be destroyed.
3. Records connected with an application to attend WJU or a component of WJU if that application was denied.
4. Those records which are excluded from the FERPA definition of education records.

DIRECTORY INFORMATION
William Jessup University designates the following items as Directory Information: student’s name, parent’s name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended, and photograph. Students who do not want their directory information to be disclosed must make a written request to the Registrar during registration. If such action is chosen, WJU will not be allowed to announce any awards received, include students name and degrees earned in the graduation program, nor release any information to potential employers, graduate schools, or seminaries. WJU will be allowed to release directory information for students who do not waive their right to disclosure in writing.
**Appendix**

**Policies on the Retention of Student Records**
All student records are permanently, clearly, and safely maintained, with transcripts held in fire proof, lockable cabinets. Student records are handled in accordance with governmental regulations regarding privacy. These records, kept in computer storage, are only accessible with proper security clearances and are regularly and frequently backed up on disk storage systems, which are kept in locked, fire proof cabinets. Duplicate copies of all transcripts are kept in a fire-safe storage area apart from the building where the originals are stored. Although there is certainly no anticipation of William Jessup University closing, if such an event were to occur there is a WASC accredited sister-institution which could become the custodian of records.

**Student Grievance Procedure**
Every student has access to a formal grievance process if so needed. In the event that a student has a specific concern about a policy of the University, the student is encouraged to communicate the concern in writing to the Vice President for Academic Affairs (for academic matters) or the Vice President for Student Life (for co-curricular matters). The Vice President will act to bring formal resolution to the stated grievance either by addressing the issue directly, or, if necessary referring the issue to the Registrar or Associate Dean of Students, as appropriate. If satisfaction is not achieved, a student may appeal directly to the President.

**Drug Free Workplace**
The Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires all schools receiving federal funding of any kind (i.e. College Work Study, Pell Grants, FSEOG) to notify all students and employees of the following information on an annual basis:

1. William Jessup University requires that its campus be drug free. The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance while at WJU is prohibited. Violation of this policy will be considered cause for dismissal.
2. WJU is required to impose sanctions, up to and including dismissal from all programs of study, on any students engaged in the abuse of alcohol or the unlawful possession, use, or distribution of illicit drugs while on the property of WJU. In addition, students involved in such illegal activity are subject to legal sanctions under local, state, and federal law.
3. The health risks associated with the use of illicit drugs and the abuse of alcohol are many. Detailed information concerning known health hazards resulting from the abuse of drugs is available in the library in the resource file entitled “Drug Free Campus.”
4. Several drug and alcohol counseling, treatment, and rehabilitation programs are available. Should you or someone you know need help in dealing with a drug or alcohol problem contact:
