Greetings from William Jessup University!

This is such an exciting time in the history of our Christian learning community! Students, faculty, and staff are part of an unparalleled growth surge. We have more than doubled in size during the past few years. We look with eager anticipation at what God has planned for us on this exciting journey toward becoming a premier Christian university in Northern California.

We are an education institution that prepares our students to make a difference. As a university accredited by Western Association of Schools and Colleges (WASC) and Association for Biblical Higher Education (ABHE), we fulfill our mission in the spirit of a family where we love one another and help each other to achieve God's best in our lives. Our University is small enough to care about every individual but large enough to provide quality Christian higher education.

You may not know exactly how God will use you in the future, but you do know you want to deepen your life so that God can broaden your ministry for Him. Many come to WJU so that they can discern God's call upon their lives while simultaneously preparing to fulfill that call. As graduates, they go forth to serve Him in hundreds of different places around the world- for opportunity always follows preparation!

It is a privilege, joy, and honor to serve the Lord in this vital ministry. We would love to have the opportunity to share in your life as, together, we seek to glorify God through WJU.

Extraordinary Times!

As we look to the history of William Jessup University, we see an institution with a consistent and essential purpose: to educate Christians for leadership and service in church and society.

William Jessup University began during the Great Depression of the 1930s. Dr. Eugene Sanderson, who had already started three other Bible colleges, saw the need for a Bible college in the greater San Francisco Bay Area. He purchased two large houses on adjacent lots at Fifth and San Carlos Streets, across from the campus of San Jose State Teachers College. During the next five years, he improved the property and built a chapel for the faculty and student body yet to come.

In January of 1939, Sanderson asked William L. Jessup to carry on the vision and start the College. Bill and his wife, Carrie, moved from Visalia to San Jose to open the College. On September 20, 1939, classes began with fourteen students. The curriculum focused on the study of the Bible and preparation for church vocations.

During the next few years growth at San Jose Bible College created the need for a new and larger campus. Seven and one-half acres were purchased at Twelfth and Virginia Streets where the college remained until the move to Rocklin, California, in 2004. The first three buildings were erected and put into use by February 1951. The first on-campus housing, Beach Memorial Hall, a dormitory for women, was dedicated in 1960.

During the 1960s and 1970s new buildings included a second dormitory, a cafeteria, the Memorial Library, the Tiffin Center, a multipurpose gymnasium, and a classroom building. The College received accreditation with Accrediting Association of Bible Colleges (AABC), presently known as Association of Biblical Higher Education (ABHE), in 1962.

Dr. Bryce Jessup, the son of the founder and president since 1984, has led the University to its greatest growth in enrollment, facilities and curriculum. Multicultural programs focusing on leadership training were added to the curriculum for students from various cultural heritages in and around San Jose. Students come to WJU from more than thirty different birth countries. The School of Professional Studies for working adults was added in 1996 to meet the educational needs of adult learners and now comprises nearly one-third of the student population.

San Jose Bible College became San Jose Christian College on July 1, 1989. Regional accreditation was granted by the Western Association of Schools and Colleges in 2002. The name was changed to William Jessup University in 2003, and the main campus was moved to Rocklin, CA in 2004. The School of Professional Studies continues to have a presence in the San Jose area with a site on Saratoga Ave. The name change reflected the decision to broaden the academic programs to include traditional undergraduate studies, professional studies and graduate studies in a variety of disciplines.

Reconstruction of the Herman Miller complex in Rocklin now provides 150,000 sq. ft. of finished space on the 125-acre campus, including 14 classrooms, the library, faculty and administrative offices, three residence halls, student center, bookstore, coffee shop, dining room, chapel, cross country course, soccer field and basketball practice court. Additional construction planned for the future includes: additional classrooms, faculty offices and science labs; gymnasium, fitness center and recreation facilities; event center, group and individual music rehearsal rooms; permanent dining halls and additional residence halls.

Greater Sacramento Area

Rocklin, CA – Placer County

In 1839 Johann Augustus Sutter settled at the point where the American and Sacramento Rivers converge. Sutter was later granted 48,000 acres by the Mexican Government – little did they realize they had given away a goldmine! In 1848, just thirty miles east of Sacramento, gold was discovered. The news quickly spread and soon fortune hunters from around the world were flocking to the area in what was recorded as the largest human migration in history.

Sacramento became the State Capital in 1854 and also serves as the county's seat. Today, gold is still being discovered in the area, only now it is in the form of beautiful architecture, exciting recreational attractions, and a culturally rich and diverse world-class city!

With a fast-growing population of 1.2 million people, the Greater Sacramento area is a thriving metropolis. Sacramento has many professional sports teams, including the Sacramento Kings, the Monarchs, the Rivercats, and the Knights. Performing arts are also important, and residents can enjoy the ballet, opera, symphony, and theater.

William Jessup University is located in Rocklin, CA a beautiful town of 43,000 nestled at the base of the Sierra Nevada foothills in Placer County, 20 miles northeast of Sacramento. The University's location, halfway between San Francisco and Lake Tahoe and only minutes from downtown Sacramento, provides WJU students with a wide range of service and recreational options.

Placer County offers both urban and rural recreation opportunities. You can catch a play and dinner in Sacramento, or head up to Lake Tahoe for fishing, boating, or camping. World class ski resorts are only a short drive away and an extensive regional mall called The Roseville Galleria is just a few minutes from the University.

The county is one of the fastest growing in California. This popularity is not only because of the various recreational attractions, but the strong and diverse economy. Computer and technological companies, business services, medical, freight, and recreation industries are just some of the top employers in the area.

Rocklin and its surrounding area hold many opportunities for service and outreach to people in need. Placer and Sacramento Counties are exciting places to be to learn more about the Lord and serve His people!

Vision Statement

The William Jessup University vision is that our graduates will be transformed and help redeem world culture by providing notable servant leadership; by enriching family, church and community life; and by serving with distinction in their chosen career.

Mission Statement

In partnership with the Church,
the purpose of William Jessup University is
to prepare Christians for leadership and service
in church and society,
through Christian higher education,
spiritual formation, and directed experiences.

Education at William Jessup University is:

Christ-centered
Biblical
Liberal Arts
Applied
Missional

Doctrinal Statement

William Jessup University is committed to an evangelical expression of Christian faith:

We believe in the one God: Father, Son and Holy Spirit, as revealed in the Holy Bible and made known in Jesus Christ our Lord.

We believe that Jesus the divine Son became human, was born of a virgin, ministered in word and miracle, died for our sin, was raised bodily from the dead, ascended to God's right hand and is coming again for his people.

We believe that the Holy Spirit is presently ministering through the Christian community, empowering lives of godliness and service.

We believe that the Holy Bible is completely God breathed, true in all its teaching, and the final authority for all matters of faith and practice.

We believe that Jesus Christ established his church on earth to carry out his saving mission among all ethnic groups and formed her to be one holy people.

We believe in God's saving grace that calls forth from all people: faith, repentance, confession, baptism, and new life and ministry through the Spirit.

We commit ourselves to the teaching, practice and defense of these truths until the coming of our Lord Jesus Christ.

Educational Philosophy

William Jessup University fulfills its mission with an emphasis on education that prepares Christians for servant leadership through the church, the one institution commissioned by God to fulfill His plan in the world. Such an emphasis mandates a curriculum which prepares persons who are thoughtful, compassionate, culturally sensitive, and capable of integrating personal faith and vocation in all avenues of society.

Educational Goal

The primary goal of education at William Jessup University is the integration of faith and learning. In pursuing this goal, we accept the unity of all knowledge under God and perceive no contradiction between the truth of the Christian revelation and that of scholarly investigation. WJU offers both general education courses that provide the broad scope of human knowledge and a biblical studies core that establishes a perspective which gives coherence and purpose to that knowledge.

Educational Objectives

The integration of faith and learning is facilitated by a curriculum and learning environment which:

1. Offer an appropriate balance between courses in Bible and theology, practical ministry, and general education, and erase any artificial barriers between these areas of study.
2. Encourage a well-conceived system of values and beliefs.
3. Celebrate and honor all cultural groups.
4. Personalize the educational process by emphasizing the priority of relationship-building throughout the University experience.

Student Learning Outcomes

William Jessup University desires that its students will exemplify servant leadership in church and society through the integration of faith, learning, and critical thought in the arenas of Christian literacy, spiritual formation, communication, systematic inquiry, sociocultural perspective, aesthetic responsiveness, and ethical leadership.

WJU graduates will:

1. Exemplify Christian literacy through applied biblical knowledge, a theological foundation, and a Christian worldview.
2. Engage in a life of Christian discipleship that integrates faith, character, and service.
3. Demonstrate competence and effectiveness in written expression, oral communication, and multimedia literacy.
4. Utilize systematic inquiry in the critical analysis of data and argument.
5. Achieve an informed sensitivity to the variety of human experience through the study of human culture, society, history and behavior.
6. Demonstrate an appreciation with discernment of various forms of artistic expression.
7. Demonstrate ethical and professional competence in their chosen disciplines.

Multicultural Education at WJU

William Jessup University encourages a multicultural environment where all cultural groups are celebrated and honored. Multicultural education at WJU seeks to remove the barriers of culture and language that would prohibit the contextualization of the gospel of Jesus which is crucial to the ethnically diverse world in which we live. The purposes of multicultural education at WJU are to:

1. Educate, train, and prepare Christians from various ethnic groups for service and leadership in Christian ministry.

2. Teach principles of cross-cultural appreciation, evangelism, and ministry to all students.

All students at WJU are expected to acquire skills in cross-cultural communication in order to proclaim the Christian story in our world of many ethnic groups. Students with particular interest in multicultural or cross-cultural education are encouraged to pursue a degree in Intercultural Studies. In this way, students from the dominant culture are equipped not only to appreciate cultural diversity in America but to experience cross-cultural ministry within or beyond our borders.

This rationale for multicultural education is consistent both with our view that God honors people from all cultural heritages without showing favoritism and with our Christian commitment to giving all people an opportunity to respond to the good news of Jesus.

School of Professional Studies (SPS)

The School of Professional Studies serves to meet the needs of working adults who have completed 2 years of full-time work, and have at least 30 transferable college credits. This program's innovative format allows you to earn your Bachelor of Science degree with a major in Christian Leadership, Business Administration, or Counseling Psychology in as little as 19 months. Classes begin throughout the year and meet one night per week on a year-round basis. This bachelor's degree is designed to apply closely to students' career goals and to equip students to be more effective leaders. Contact the School of Professional Studies Office for information on starting dates for classes. In addition, SPS is offering a Post-Baccalaureate, Teaching Credential. This one year program prepares students for their multiple subject preliminary teaching credential upon completion of our California Commission on Teacher Credentialing approved program designed to help meet the subject matter competence. SPS also offers minors in Bible and Theology, Counseling Psychology and Business Administration.

Visiting the Campus

We encourage you to visit our campus! We host two main events, "Preview Days" and "Transfer Day." Check our website or call the Admission Department at 916.577.2222 for dates. These events are a time for prospective students and their families to visit the WJU campus, meet students and faculty and receive valuable information about the WJU experience. There is one significant difference between the two events: Transfer Day is entirely focused on assisting college students make the transition from their former college or university to WJU. Transfer students are encouraged to attend both a Preview Day and the Transfer Day. There is no cost for either event and an RSVP is required. Please contact the Admission Office or check our web site for details. If you are unable to attend either event, simply contact us 7-10 days in advance and we will gladly arrange for a meeting with an Admission Counselor, a campus tour, sitting in on a class, eating in the café and even staying overnight in the residence halls! "Seeing is believing" and we hope you will take advantage of a visit to our campus.

Application Procedures

The following is needed to complete an application for William Jessup University.

(Admission policies and procedures for the adult School of Professional Studies follows Traditional Admission Procedures)

1. Completed formal application, submitted between September 1 and the priority filing deadline of April 1.
2. A non-refundable application fee of \$45.00 is required with either the online or paper version of the application.
3. The confidential Academic Recommendation, completed by a teacher or professor preferably in English, Math or Science.
4. The confidential Personal Recommendation, completed by your pastor (preferred), school counselor, or employer.
5. An essay response addressing academic preparation, co-curricular activities, services to your community or church and a statement of personal faith. See application for specific question.
6. **Official** high school transcript for entering first-year students. (GED or State High School Proficiency Exam may serve as equivalence).
7. **Official** reports of the Scholastic Aptitude Test (SAT) scores or the American College Test (ACT).

WJU's college number for the SAT is 4756 and the number for the ACT is 0417.

8. **Official** college transcript(s) for a transfer student. Note: If a transfer student has less than 24 academic semester units completed at the time of application, a final official high school transcript and SAT/ACT score are required.

Application Deadlines

To avoid any processing delays, all applicable items above must be postmarked by the following priority filing dates:

Fall Semester	April 1 (postmark)
Spring Semester	December 15 (postmark)

Admission Criteria

WJU seeks to admit applicants committed to a Christ-centered environment, who can demonstrate solid academic preparation reflected through their transcript and SAT/ACT scores, and who value a traditional undergraduate experience marked by campus community living and involvement. Although WJU does not set minimum academic GPA or standardized test criterion to apply, we practice selective admission. An interview is recommended and may be required.

Freshman

It is recommended that a high school student follow a competitive college preparatory plan that most high schools have established.

WJU Recommended Core Curriculum

- 4 years of English w/Literature and Composition
- 3 years of Math (minimum Algebra I & II, Geometry)
- 3 years of Science (Gen. Science & 2 of Biology, Chemistry or Physics)
- 3 years of Social Science (US & World History, Government/Economics)
- 2 years of one Foreign Language (Sign Language is accepted)
- 1-4 years of an Academic elective (i.e. Math/Science/Social Science/Religion)

Transfer

WJU welcomes transfer students regardless of the number of units completed at other accredited colleges and universities. A "transfer" student is defined as a high school graduate who then attends college following the summer of

graduation. Applicants who have completed more than 24 solid academic semester units at the time of application will have their admission evaluation done primarily on the basis of college work. On the other hand, if you have completed less than 24 solid academic semester units at the time of application, your admission evaluation will be done primarily on the basis of your final high school transcript, SAT/ACT scores and completed college work. Note: the coursework considered for admission may differ from what coursework is actually transferable. In most cases, a transfer student will transfer in more semester units than were used for the admission decision. Visit our website, or contact the Traditional Undergraduate Admission Office or Registrar's Office to obtain a copy of a community college general education articulation of coursework to help you register for the proper classes.

International Student

William Jessup University is approved by the U.S. Citizenship and Immigration Services for the admission of foreign students. International students play an important role in enhancing the cross cultural experience of the student body.

There are specific entrance requirements and procedures for international student applicants that may differ from an applicant who is a U.S. Citizen. The strength of the high-school equivalent program, the record of academic aptitude demonstrated by SAT or ACT results, the TOEFL results and questions on the application are important in determining admission. WJU applicants who submit academic records for coursework taken outside the United States must submit those records to any credential evaluator approved by the National Association of Credential Evaluation Services (NACES). To view a list of approved service providers, visit www.edupass.org/admissions/evaluation. The student is responsible for paying the credential evaluation and translation fees.

Carefully consider the following:

- **The TOEFL (Test of English as a Foreign Language) exam is required of all international students** and must be taken before acceptance to the university is granted. NOTE: You can be exempt from taking the TOEFL if you have completed at least 4 years of full-time study at a secondary or post-secondary level in which English was the language of instruction, and can provide a letter from the institution stating English is the primary language of instruction. If this is the case, then you must submit the SAT or ACT instead, unless you are a college transfer with greater than 24 academic solid semester units completed.

On the TOEFL exam the minimum score requirement is a 500 on the paper-based test, a 173 on the computer-based test or a 61 on the internet based test (iBT). General information inquiries about the TOEFL test can be forwarded to:

- No U.S. government aid is available to foreign students, including student loans. However, you may qualify for WJU academic and athletic scholarships. We do not offer full scholarships. These scholarships are only partial awards and will not cover the entire cost of an education at WJU. You will be responsible for any remaining tuition, fees, room and board, books and supplies, and miscellaneous expenses. Please contact the Admissions Office for details about the applicable scholarships. □
- You must provide official evidence of complete financial support for your annual educational costs at WJU. The annual tuition, fees, room and board for the 2010-11 academic year is \$28,210. This does not include books, supplies, transportation and miscellaneous expenses. The estimated total cost of attendance budget is \$32,486. The official evidence that the funds are available must be shown by bank statements with the total amount in U.S. dollars; it can be from more than one source. □
- The U.S. "Affidavit of Support" (form I-134) is the most common form used for official evidence. Affidavit of Support forms may be requested from the WJU Admissions. On this document the sponsor must state the exact duration and amount of money or provisions the sponsor intends to provide, and the document must be officially witnessed or notarized. If you have more than one sponsor, you must provide an Affidavit of Support form for each one.
- If the student's personal funds are going to be used to pay for all or a portion of their educational costs at WJU, then an official bank statement or certificate of deposit in U.S. dollars of those funds totaling one of the budgeted amounts must be submitted to WJU. (Request a Student VISA I-20 Information form for specific amounts).

IMPORTANT NOTICE: Once the admissions requirements are completed and official documentation of complete and sufficient financial support for an I-20 are provided, the admission application will be submitted for consideration. If accepted, the student must pay a \$5,000 (US Dollars) enrollment deposit in order to reserve a spot and be eligible to register for classes. If the student cancels before starting classes, WJU will fully refund the \$5,000. Upon receipt of the enrollment deposit, an I-20 will be issued to the student. Each semester balance owed must be paid before starting classes or else be reported to INS.

Other admission criteria

- An applicant who does not enroll for the semester in which they are offered admission will be cancelled and placed in an "inactive" status. In order to be reconsidered for a future semester, the applicant must submit in writing the desire to have their file "reactivated" and do so by the subsequent deadline.
- An applicant for the Post-Baccalaureate Teaching Credential Program (see SPS admission process) must complete the admission process for both the teaching credential program and the university in general. Once both application processes have been completed, admission to the teaching credential program will determine admission to the university. If admission to the teaching credential program is not granted, the applicant will have the option to be considered for a second bachelor's degree.
- A WJU student who withdraws without being granted an approved "Leave of Absence" will be required to reapply to return. As part of the reapplication process, the student will be asked to update their original application materials. A reapplicant must be cleared by the following three departments: Business Office (no balanced owed), Registrar's Office (not academically suspended), and Student Life (not expelled). An Application for Readmission may be obtained from our website or by contacting the Traditional Undergraduate Admission Office.

William Jessup University may choose to not offer admission or not honor any request for readmission for any reason it may consider valid. Following are examples of the reasons that a student may be refused admission to WJU:

1. Academic record deemed deficient.
2. Substance abuse.
3. Mental illness. Students who apply to WJU following a hospitalization must sign a release to allow school officials to confer with appropriate professionals. The University reserves the right to be informed of a student's after-care plan and to determine if a student is ready for the academic and social environment at WJU. The University requires that students wait one year between completing hospitalization and applying for admission.
4. Moral objections. Persons who show a lack of Christian character by practicing criminal acts of any kind, sexual immorality, witchcraft, or any other immorality and unchristian acts are requested not to apply for admission.

All admitted students agree to abide by the University standards conduct as outlined in the Student Handbook.

Acceptance of an applicant to WJU is determined by the Director of Admission in accordance with the Admission Committee.

Admission on Probation

Periodically a student's academic record may indicate potential scholastic difficulties at WJU and the student may be accepted on probation. A student entering on probation will be required to enroll in a required Academic and Personal Development class (as determined by the Office of the Registrar), will be limited to 12-14 units, and will have the first term to support their academic proficiency by achieving a minimum 2.0 GPA. A student who obtains below a 2.0 GPA or neglects their commitment to their Academic and Personal Development class may be subject to dismissal.

Confirmation Deposit

Once offered admission, applicants are required to submit a \$250 tuition deposit and housing application or commuter application to the Admission Office postmarked by June 1, or a date specified by the Director of Admission for late admits. Priority consideration for housing, registration, and financial aid is given to those students who submit the deposit postmarked by the deadline. The \$250 tuition deposit is applied directly to the first term of attendance. For fall semester starts, it is non-refundable after June 1, or a date specified by the Director of Admission for late admits. For spring semester starts, it is non-refundable after December 15, or a date specified by the Director of Admission for late admits.

English Proficiency

All degree-track students must satisfy the University's General Education requirements. Completion of English Composition I and II or their equivalents (as determined by the General Education Department), is required of every candidate for a degree at WJU. Courses in English as a foreign language taken at an overseas school may not be used to satisfy English composition requirements at WJU.

On-Campus Housing

An important aspect of William Jessup University is a student's residence life experience. Holistic education seeks to develop well rounded individuals, and living in a WJU residence hall provides opportunities for growth and development outside the classroom. As a residential university WJU desires to have its students live in campus housing. All non-commuting students are required to reside in residence halls unless permission is granted by the Associate Dean of Students based upon adequate grounds for residence elsewhere.

A commuting student is understood to be a married student, or an unmarried student living at home with his/her parents. All other exceptions require the approval of the student life office, and may be granted if:

1. A student is above 22 years of age.
2. A student's parents request permission for her/him to live with a close relative who is married and has an established home in or near Rocklin.
3. Required by a physician for health reasons (please contact the Associate Dean of Students for appropriate documentation).

4. Students with more than 90 units.
5. Off-campus program/internship/student teaching.

All students who will not be living in one of the residence halls must complete the form "Application for Commuter Status" as part of the registration process. Students will not be allowed to register for courses until this application is submitted to the Student Life office. It is the expectation of the university that all students paying room and board costs will live in residential housing.

In the event campus housing exceeds capacity a selection process based on academic seniority will be initiated for off-campus housing.

Placement Testing

English

Placement into English 092 and English 101a will be determined by ACT and SAT verbal scores. A student must attain either score of ACT VERBAL-20 or SAT VERBAL-500 in order to be placed into English 101a. Scores below this will require students to take the remedial class of English 092. If a student does not believe that they are placed correctly, they are allowed to challenge this decision by taking the English Placement Test for \$30.

Math

SAT/ACT scores will be used to determine placement into Math 092 or 200 or above. A student must attain either a score of ACT MATH – 20 or SAT MATH – 520 in order to be placed into Math 200 or above. Lower scores will require students to take the remedial class of Math 092. If a student scores exceedingly high on the math section of the SAT or ACT, we recommend the student consider taking the College Algebra CLEP test in order to meet the WJU requirement. If a student does not believe that they are placed correctly, they are allowed to challenge this decision by taking the Math Placement Test for \$30.

Challenging a Placement

Students may pay a \$30 fee per subject to use this testing to challenge their course placement. These tests are written and must be scheduled through the Success Center by calling (916)577-2253.

Writing Proficiency

Writing Proficiency at WJU is assessed in a 300-level writing-intensive course that is required in each major. Courses that are writing intensive are indicated in the Catalog. Upon completing the course, each student will be given a score for writing proficiency using the institutional rubric. Students who obtain a composite score of 4, 5, or 6 based on their writing for the semester will be designated proficient. Students who obtain a score lower than 4 will be required to take an Advanced Composition course as an elective. This requirement is for all undergraduate students, whether traditional, transfer, or SPS. If a student has already obtained a Bachelor's degree from an accredited institution whose accrediting agency is approved by CHEA, WJU will not require the student to be assessed for writing proficiency.

Bachelor Degree—If a student has already obtained a Bachelor degree from an accredited institution whose accrediting agency is approved by CHEA, WJU will not require the student to complete a writing assessment.

Admission Criteria for School of Professional Studies

To be admitted to the School of Professional Studies, a student must meet or exceed the following requirements:

- 1 Completion of a minimum of 30 transferable semester hours credit from an accredited college or post-secondary institution acceptable to WJU.
- 2 If a student has less than 60 semester hours the State of California requires that he/she submit a high school or other transcript proving high school graduation equivalency in addition to other post-secondary transcripts.
- 3 If a student is admitted with less than 60 semester hours transferred into the program, he/she may begin their studies in the SPS Bridge Program.
- 4 Completion of a minimum of 60 transferrable applicable semester hours are required to begin courses in their major.
- 5 Completion of two years of full-time work experience post high school.
- 6 Cumulative grade point average of 2.0 (4.0 scale) or higher on all prior post-secondary academic work.
- 7 A willingness to study in a Christian university with requirements including Bible.
- 8 Completion of English Composition I or higher and any program specific prerequisites.

Admission Procedures

Application is a simple process that can lead to a quick decision concerning your eligibility for enrollment. The process requires the submission of the following:

1. An application form and payment of the nonrefundable application fee.
2. Official transcripts from all colleges and universities previously attended. If you do not have 60 transferable units, you are required to submit an official high school transcript verifying graduation, in addition to other post-secondary transcripts. Official transcripts must be sent directly from the institution to the SPS office. Transcripts that pass through a student's hands (even if in a sealed envelope) are considered unofficial.
3. Satisfactory personal recommendation.
4. A personal letter of introduction describing the applicant's academic preparation and services to his/her community.
5. Complete the Free Application for Federal Student Aid (FAFSA), online. Online filing is faster and the preferred method. Contact the Financial Aid Office with any questions.

Upon meeting all the above criteria, the SPS Admissions Committee will consider the admission application for acceptance, rejection, provisional or probationary acceptance. William Jessup University reserves the right to reject any applicant or any request for readmission for any reason it may consider valid.

Writing Proficiency

Writing Proficiency at WJU is assessed in a 300-level writing-intensive course that is required in each major. Courses that are writing intensive are indicated in the Catalog. Upon completing the course, each student will be given a score for writing proficiency using the institutional rubric. Students who obtain a composite score of 4, 5, or 6 based on their writing for the semester will be designated proficient. This requirement is for all undergraduate students, whether traditional, transfer, or SPS. If a student has already obtained a Bachelor's degree from an accredited institution whose accrediting agency is approved by CHEA, WJU will not require the student to be assessed for writing proficiency.

Bachelor Degree—If a student has already obtained a Bachelor degree from an accredited institution whose accrediting agency is approved by CHEA, WJU will not require the student to complete a writing assessment.

Bridge Program

Bridge classes focus on General Education and Free Electives and are offered in the same accelerated format as major courses. These classes serve as a “bridge” to students seeking to enter their major program (pre-major classes) or for completion of degree requirements (post-major) after a student has completed their major program. Bridge classes are scheduled in a manner consistent with major courses, allowing students to complete all their degree requirements at WJU in a time effective and continuous manner.

Petition to Change Cohort

Students who wish to change cohort must obtain the approval of the SPS Director or Associate Director. A Petition to Change Cohort form must be completed, including SPS Director or Associate Director signature, and submitted to the SPS Office or Registrar’s Office. A \$120.00 processing fee will be added to the student’s account. Depending on the student’s circumstances the student may also need to file a Petition to Add/Drop form and/or a Leave of Absence form.

Student Life

Campus Life

In order for students to be prepared as Christian leaders, they must continue to develop their integrity and Christian character. Intellectual growth without personal growth is of limited value for leadership and service. The right balance of hard work, academic study, spiritual discipline, relationship building, mentoring, and involvement in service is important to develop at an early stage in one’s university experience. As faculty, staff, and administration work together for the development of the whole person, students develop a deep and meaningful commitment to our Lord while understanding their own particular calling to Christian character and career. Student Development partners with faculty to help students round out and balance their university experience with growth opportunities beyond classroom and coursework.

The Student Development Department at WJU exists to:

1. Foster a community of learning where intellectual, emotional, spiritual, and physical dimensions of life can be developed.
2. Provide opportunities which enable students to grow in their understanding of and ability to confront values, ideas, and cultures which may be new and different.
3. Create an atmosphere in which students can cultivate and refine their temperaments and abilities and are empowered with life skills.
4. Encourage students to pursue the goal of Christian servanthood on campus, in the church, in the community, and around the world.

Student Attitudes & Behavior

Students at WJU are individuals who want to push intellectual, spiritual, and emotional growth to the edges, not push the limits of extreme behavior. WJU emphasizes positive attitudes and values based on biblical understandings of how to live in obedience to Christ, according to God’s grace. The rule of conduct has been described as simply to live in a way which would bring glory to Christ and would be in the best interest of the campus community. The University community seeks to foster responsible Christian freedom, which requires a wise stewardship of mind, body, time, abilities, and resources. However, since all of us are in process and may need some direction, the University makes clear some additional expectations, which are outlined in the Student Handbook.

Campus Ministries

William Jessup University is committed to being Christ-centered in both our academics and co-curricular programs. Campus Ministries exists to fulfill the mission and educational objectives of WJU by providing a foundation for spiritual growth and leadership in three areas: community worship, service/outreach and discipleship. Traditional full-time students are expected to attend chapels regularly, participate in Service, as well as attend a spiritual formation group while attending WJU.

Chapel – Traditional Students

Chapel is at the center of our community expression of worship as a university and includes a broad diversity of speakers, artists and offerings of worship. Chapel is held on campus almost every Wednesday & Friday from 9:30am – 10:20am during the traditional fall & spring semesters at William Jessup University (major holidays excluded). Regular chapel attendance is required every semester for full-time (12+ units) traditional students at WJU. Some exemptions can be petitioned using the “Chapel Waiver

Form" and include student teaching and study abroad semesters. Chapel credit is attained by missing no more than 6 of the regular chapels in a given semester (or earning 23 total credits). Additional evening chapels are now available twice a month to offer students more options for chapel attendance. Additional absences for doctors appointments, sickness, etc are not generally granted except in severe circumstances (e.g. hospitalization). Because chapel attendance is an enrollment requirement, students who do not attain credit will be required to meet with the Dean of Students regarding dismissal and appeal options. Please refer to the Student Handbook for more details on chapel policies and requirements for those who enrolled before fall 2008.

Service – Traditional Students

Service hours are required for all full-time traditional students (12+ units) desiring to receive a degree or certificate at WJU. These may be earned through various areas of service within the community which may include church ministry, civic ministry, missions, other areas of outreach, or enrollment in designated service learning courses. To receive a semester of service credit, a student must serve in a volunteer ministry for which they do not receive pay or other academic credit for a minimum of thirty (30) hours during a given term (spring, summer, or fall). Traditional students are required to attain service credit for one half (1/2) of the time they are enrolled full-time at WJU. Please refer to the student handbook for more details on Service policies and requirements for those who enrolled before fall 2008.

Spiritual Formation Groups – Traditional Students

Spiritual Formation Groups (SFGs) are small groups of students led by faculty, staff & student leaders. The purpose of these groups is to engage students in an intentional interactive setting where they can pray for one another, share joys and challenges, discuss ideas and find support. SFGs are normally held during the Monday chapel hour and students may register for SFGs like they register for classes. Traditional students must attain SFG credit for one half (1/2) of the time they are enrolled full time at WJU. A "Credit" or "No Credit" grade will be given at the end of the semester solely based on group attendance. Freshman students are automatically placed in an orientation class which fulfills the SFG requirement for their 1st semester. Students should check with Student Life to ensure they are meeting the proper requirements. Please refer to the student handbook for more details about SFG policies.

Chapel, SFG, & Service Disputes – Traditional Students

Chapel and Service credit will be communicated in writing no later than the Friday of Finals Week for each semester. SFG credit is reported on the regular grade reports after each semester. Any disputes regarding credit must be submitted in writing using the Campus Ministries General Petition form NO LATER than the last Friday of December (for fall semester credit appeals) and the last Friday of May (for spring semester credit appeals). Appeal forms are available in the Student Life office or online.

Student Leadership – Traditional Students

The development of strong leadership skills among our student body is an important purpose of the University; the Student Leadership program provides practical, focused opportunities for leadership development.

The WJU Student Leadership program consists of five major components:

1. Student Government is composed of an executive council including a president, vice president, business manager, and representatives. These executive officers are elected in the spring semester prior to their year of service and representatives are elected early in the fall semester of the year of their service. The primary purpose of Student Government is to provide the student body with representation to the University, as well as provide valuable information back to the student body.
2. The Orientation Assistant program is designed to assist new students in the transition to University life and the WJU community through Orientation and co-leading SFG/cohort groups. In doing so, Orientation Assistants play a vital role in providing academic, social, and spiritual support for new students and the University community.
3. Campus Ministries student leaders work together with the Director of Campus Ministries to promote spiritual development and provide opportunities to serve others. They provide leadership through programs such as Chapel, Service, Spiritual Formation Groups, prayer groups, missions, and special events.
4. Resident Assistants provide on-campus students with service related to campus residence halls. Their primary purpose is to assist the Residence Directors with building a Christian residential community through implementing residence life policy and providing residence programming. They are available around the clock to assist resident students with any issue related to on-campus living.
5. Student Activities and Intramurals programs provide the university with a wide variety of activities that range from engaging discussions of social issues to night games, movies, and outdoor adventures. The intramural program provides regular athletic events for all students to participate such as: volleyball, basketball, flag football, and dodge ball.

Student Activities

Student Activities exists to fulfill the mission and educational objectives of William Jessup University by providing activities and educational programs that emphasize the priority of relationship building and community development, encourages the development of integrated values systems and beliefs, and promotes a holistic perspective of health and wellness.

University Music Activities

The William Jessup University Music Department provides opportunities for student, faculty and staff involvement in musical activities. Participating in a WJU music group is a great way to make new campus friends, experience excellent musical training, perform, and serve the University. The campus community is welcome to perform in any of the performing groups and ensembles:

- **University Choir:** open to all WJU students.
- **University Instrumental Ensemble:** open by audition to all WJU instrumentalists.
- **The Way:** a touring ensemble of mixed voices, open by audition to all WJU students.
- **Awaken:** a five member touring worship band, open by audition to all WJU students.
- **University Alumni and & Community Choir:** an evening community choir, open to the general public, alumni, faculty, staff. Auditions may apply.

Intercollegiate Athletics

Intercollegiate athletics at WJU provides development for the body, mind, and spirit of each student athlete. It is the goal of the Athletic Department to train athletes in sportsmanship, assist their growth in character, leadership, athletic ability, and provide opportunities for Service. More important than wins and losses, student-athletes are encouraged to develop an ability to promote Christ through sport both locally and globally.

Athletic programs include varsity intercollegiate teams in Men's and Women's Basketball, Soccer, Cross Country, Track & Field, Men's Golf, Women's Volleyball, and Women's Softball. The University is a member of the NAIA (National Association of Intercollegiate Athletics), competing in the Cal Pac (California Pacific) Conference.

New Student Orientation – Traditional Students

Transition to University life is filled with many significant changes and challenges. In order to help students make these changes, the New Student Orientation program introduces students and their families to the WJU community, campus facilities, campus services, and most importantly, to fellow students and WJU staff. We believe the development of meaningful and healthy relationships is a key to making a smooth transition into the university experience. The orientation program helps develop strong friendships, which often last a lifetime and provide the support needed for the tougher moments of life. During the week of New Student Orientation, required of all new students enrolled in six or more units, students will be involved in a welcome dinner, worship, community service project, and various interactive activities. Student leadership members play a vital role in New Student Orientation by facilitating directed programming, sharing their personal college experiences, and building relationships with new students.

Student Life Office

The goal of the Student Life Office is to facilitate opportunities beyond the classroom experience that will impact a student's social, personal, physical, and spiritual development. We believe that the development of relationships and the building of community are essential elements of the overall educational experience and will aid in both success at the University and success in life. As such, we encourage students to benefit from involvement and participation in campus community activities and programs aimed to assist in the development of relationships and provide experiences that will reinforce the value and importance of community involvement and service.

The Student Life Offices are the focal point of all departments and programs within the Division of Student Development. Here students will find the offices for the Vice President for Student Development, Associate Dean of Students, Residence Life, Student Activities, Student Leadership, and Athletics.

In addition to our primary goal, a number of services are also provided through the Student Life Office:

1. Distribution of student identification cards.
2. Determination of Chapel attendance and Service completion.
3. Coordination of student activities calendar.

4. Publication of student and residence life handbooks.
5. Enforcement of University student policies.
6. Management of Student Insurance Policy and Information.
7. Assistance with Campus Mail Services.

Student Union and Student Commons

The Student Union and Student Commons provide space where students may relax, watch TV, participate in student clubs and organizational meetings, study, or visit with fellow students. They provide accessible, fun, and inviting settings for the campus to enjoy and a comfortable social outlet for all WJU faculty, staff, and students. Board games, pool tables, foosball, and ping-pong tables are available to all current University students.

Café

The café is not only a place to enjoy a meal at WJU, but also a place for fellowship and interaction with the University community. Students, faculty, and staff gather in the cafeteria to spend time with one another, reflect on class discussions, or just relax. Please check for meal times at the café, or online at www.jessup.edu. Meals are not served during vacations or recesses.

Bookstore

The William Jessup University Bookstore is available to meet the student's needs for textbooks, WJU attire, and a wide variety of supplies to aid a student's experience.

Instructional Resources

The WJU Memorial Library is perhaps the best theological library in Placer County. The Library has over 35,000 volumes and a complete collection of over 62,000 items including books, magazines, journals, and audio and video resources. The Library has web-based research database tools such as EBSCOHost, online library catalog, and computer search stations for patron use.

A computer lab, housed in the library, is available for student use during library hours. Microsoft Office, Internet access and other academic software are available. A MIDI Lab is housed on the second floor of the library, where PCs, Roland RS synthesizers and Sibelius music software are available.

Appeal Process

In the event a student has specific concern regarding a policy or procedure of the University, the student is encouraged to communicate the concern in writing to the Vice-President for Student Life. The Vice-President of Student Life will act to bring formal resolution to the stated grievance either by addressing the issue directly, or, if necessary referring the issue to another University official. If satisfaction is not achieved, the student may appeal directly to the President.

Student Success Initiative

William Jessup University is committed to the satisfactory academic progress of all students. To ensure the success of students with special needs, students may be assigned to a personal advisor to guide their progress in the admissions, advising, or academic skills process.

In striving for a successful college experience, WJU offers the following resources to all students:

Advising

All traditional students are assigned a faculty academic advisor. Students meet with their academic advisor before registration each semester to develop direction for their academic program. Academic advisors are available to discuss career goals, assist in choosing classes and selecting a major, give counsel about grades and any other aspect of University life, and plan graduation programs.

SPS advising questions can be directed to the main office at 888.883.1CAN.

Career Guidance

The Success Center is geared to assist the students of William Jessup University (WJU) in finding gainful employment. There is a special emphasis toward students who are near graduation or those who have recently graduated. In an effort to make the education students receive as marketable as possible, the Success Center offers multiple services to assist students. Key features of the Center are resume and cover letter creation, interview techniques, vocational exploration and job market analysis, job search strategies, dressing for success and current job postings available to WJU students. If these services can assist you in reaching your vocational goals, please stop by the Success Center in the WJU library.

Administrators and faculty members are interested in supporting students as they pursue their life and ministry goals. Career testing and guidance resources are available to help students explore strengths and to help make career decisions. Personal assistance in these areas can be requested through the Success Center 916.577.2253.

Personal Counseling

Personal life and growth is an important part of any student's total University experience and preparation for ministry. WJU offers several opportunities to encourage personal mental health. Counseling can be sought through meetings with faculty, staff, administration, or by request in the Student Life Office. In addition to on-campus counseling, the University maintains a network of professional counseling services off-campus. For referrals or other information, please call the Student Life Office at 916-577-2321.

Disability and Academic Support

The goal of the Success Center is to serve as a resource that promotes access and achievement to the William Jessup University community as a whole, bringing glory to God's name.

"Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31)

All students are served at the Success Center. We also have specialized assistance for students with documented disabilities, including those "hidden" disabilities. The Success Center is here to promote equal access to programs and facilities at William Jessup University, thereby insuring that students with disabilities experience the opportunity to participate fully in campus activities. The philosophy of the Success Center is to encourage maximum independence and personal empowerment through a successful educational experience. Specialized services and academic accommodations are provided to meet the individual needs of students with disabilities to help them achieve successful completion of their college goals.

William Jessup University

Timeless Truth...

Timeless Truth in a Changing World – Education for Life

Education at William Jessup University offers students the opportunity to seek meaning, truth, and direction for their lives through a curriculum that is both classic – rooted in the educational traditions of the past – and relevant – vital for success today.

Stimulated by the challenge of educating a new generation of students, the faculty has explored the question, What does it mean to educate Christians in the twenty-first century? Ironically, the answer is found in a first century tale, as the story of Jesus' encounter with his disciples on the road to Emmaus, recorded in the gospel of Luke, provides the metaphor for Christian higher education at William Jessup University.

Emmaus is a story about one day in the life of two people. Walking together toward a town called Emmaus, they were talking about everything that had happened. At that moment, life was uncertain, the future unsure, and trust in anything or anyone seemed a precious risk. As they talked and discussed these things with each other, Jesus himself came up and walked with them. He listened to their concerns, shared biblical truth, and spent time with them. An encounter with truth and compassion radically changed their lives.

Education at WJU offers our students an Emmaus experience – the opportunity to seek meaning in the person of Jesus Christ, explore truth in both His word and His world, and find direction for their personal and professional lives.

Central to each student's course of study are the Foundational Studies, a core of classes that position students as leaders in their world. WJU seeks to develop the whole person by developing skills in communication, quantitative reasoning, and critical thinking and by exposing students to a broad cross-section of knowledge in the sciences, social sciences, and humanities. Through their study, students:

- Gain the knowledge and skills to stand firm on an unshakable foundation, strengthened for the challenges ahead;
- Grow as an individual of spiritual and moral integrity who cares for other people, other cultures, and the natural world; and
- Develop a voice of advocacy and compassion.

The individual majors offer students opportunity to focus their education and gain expertise in a particular area. All degree programs at William Jessup University equip the student to apply the principles in their field to positions of leadership in church and society. In these classes students test their interest, develop their skills, and discern God's direction in their lives.

Academic Programs & Distinctives

Built upon the story of the encounter between Jesus and two disciples on the road to Emmaus in the gospel of Luke, education at WJU offers students the opportunity to seek meaning, explore truth, and find direction for their lives.

Community in Learning. The first century disciples returned to join their friends in Jerusalem, and together they reflected upon the meaning of Jesus' words to them. Together they moved out to change the world. Our curriculum includes intentional opportunities for students to join a community of seekers, who enjoy laughing, talking, studying, playing, thinking, and sharing. Students are invited to voice fears and doubts in an environment which values growth, as they study with men and women of God who model thoughtful, engaged lives.

Intensives. As part of the WJU focus on twenty-first century leadership, the faculty has elected to require an emphasis in three areas: written communication, technology, and cultural studies. Each academic department has designated "intensive" courses within their program which will require students to demonstrate practical application of key concepts and skills.

Individual majors offer students opportunity to focus their education and gain expertise in a particular area. All degree programs at William Jessup University require a minimum of 128 semester units to equip the student to apply the principles in their field to positions of leadership in church or society.

Our strong heritage in preparing leaders for ministry in the local church around the world guides the Bachelor of Arts degrees in Family and Children's Ministry, Intercultural Studies, Pastoral Ministry, or Youth Ministry, and a minor in Bible and Theology.

Leadership in the workplace is presented in the degrees in Business Administration, English, History, Liberal Studies (leading to a California Multiple Subject Credential), Music, Psychology, and Public Policy; a minor in Bible and Theology is available.

The School of Professional Studies offers Bachelor of Science degrees in Christian Leadership, Counseling Psychology, or Business Administration, as well as a Post-Baccalaureate Certificate (Credentials with Character) leading to a California Multiple Subject Credential. See the section, "School of Professional Studies" in this catalog.

Students may choose to complete a minor of 18-21 units in an area or by transfer of units in a field of study other than one at WJU; additional courses would be required to meet the minimum of 128 units for graduation.

Two Associate of Arts degrees of 64 semester units are offered. The AA in Bible offers students a foundational education to formulate a biblical worldview in a multicultural society. The AA in Ministry includes an area of concentration in practical ministry.

Certificate Programs prepare persons to serve the local church in the areas of Bible, Children's Ministry, Counseling, Family Ministry, Intercultural Studies, Management, Music & Worship, Pastoral Ministry, Sports Ministry, and Youth Ministry. The Bible Certificate provides a concentration of foundational Bible courses for personal development. Certificate programs vary in length from 25-34 units and may be completed in one year.

Internships. Because education must be both practical as well as theoretical, most bachelor's degree program includes a required service learning component. All degree-seeking students will be expected to spend from three to nine months in a practical, supervised ministry for which they will receive academic credit and a grade. The kind of internship in which students will be involved will vary according to their major program. For example, a Christian Education major may spend a semester or more student teaching at a local Christian school; an Intercultural Studies major may spend a summer overseas interning with a missionary; a Pastoral or Youth Ministry major may spend a summer or the school year in a local church ministry. Psychology majors will be placed in a setting where the focus of work will be personally assisting troubled individuals. The goal of this comprehensive internship program is that each student graduates with practical experience in their specialized field.

Capstone Courses. In the senior year, students measure their own learning and growth in a capstone course within their major.

Foundational Studies Core - Traditional

The primary goal of education at William Jessup University is the integration of faith and learning. In pursuing this goal, we accept the unity of all knowledge under God and perceive no contradiction between the truth of the Christian revelation and that of scholarly investigation. WJU offers a 66 unit Foundational Studies Core that emphasizes the content, thinking patterns, and worldview integration to be found in our version of the Trivium: Biblical Studies, History, and English, along with exposure to content areas in the humanities, social, and natural sciences, and skills in communication, quantitative reasoning, and critical thinking.

The Foundational Studies Core is fundamental to the development of the WJU graduate. Students who complete more than 68 units at WJU will receive a minor in Biblical Studies as a part of the Core, and all students, whether transfer or not, will complete integrative studies of Scripture that ground and bring coherence to their life. Required core courses emphasize development of a personal Christian worldview, as students address issues of personal spiritual formation and societal engagement.

Students who transfer from other institutions will add the flavor of the WJU distinctive courses to their readily transferable units.

General Education and Bible Options for Transfer Students

Transfer students may fulfill their general education requirements by completing William Jessup University's General Education Curriculum or, prior to enrolling at WJU, completing the Intersegmental General Education Transfer Curriculum (IGETC).

The IGETC model for the California State University (CSU) and University of California (UC) systems is accepted by WJU with the following provisions:

1. Students who have completed IGETC must also satisfy 6 units of upper division core courses which are required for a bachelor degree: Contemporary Discipleship Praxis and Christian Perspective.
2. The minimum of 128 units for graduation remains the same.
3. In addition to the IGETC, all prerequisites and support courses for existing majors must be met.
4. Transfer students following the IGETC should plan to complete it before they enroll at WJU. A signed IGETC agreement must be in the students' file before enrolling for classes. Students who do not complete it before they enroll will follow the WJU General Education curriculum.

Transfer students who have, upon entry, completed a minimum of 60 units toward their degree and who pursue a non-ministry degree program may choose to satisfy 9 units of Bible and Theology rather than complete a minor:

1. Christian Foundations – Old Testament (BIBL101)
2. Christian Foundations – New Testament (BIBL104)
3. Biblical Interpretation (BIBL349)

These students would gain 9 units of electives in any area.

Bachelor of Arts Bible and Theology

The Bible and Theology major builds upon the core curriculum requirements to prepare students for seminary training or for graduate work in theology, ethics and philosophy. The major may be used to prepare students for employment in church and parachurch agencies by achieving a level of biblical literacy that will enable them to be active in local church leadership and teaching ministries.

The degree, likewise, may be taken by those planning a teaching career in Christian schools, colleges and universities, students preparing for Pastoral and Teaching ministries in the church or those already in the pastorate. Also, Christian grade school teachers of the Bible would find this an excellent complement to the teacher education program. Other possible vocational uses of the major include Intercultural studies professional, Christian missionaries, those interested in language study and Bible Translation, and Christian church leaders desiring a thorough biblical education.

The graduate with a degree in Bible and Theology will be able to:

1. Articulate a biblical theology of ministry from the context of his or her chosen ministry discipline
2. Be conversant in the basic elements of Christian theology and effectively present biblical truths in individual conversations and group settings
3. Evaluate all of life and thought from a biblical perspective, discerning truth and falsehood, essential and non-essential in matters of Christian faith and practice
4. Defend the inspiration and authority of the Bible and evangelical Christian doctrine
5. Critically examine one's own assumptions and those of others that influence the way in which the Bible is interpreted
6. Exercise critical thinking regarding biblical content and its integration with the entire spectrum of human learning.

Bachelor of Science Business Administration

The Business Administration major is designed to develop an individual's leadership capabilities for a career either in business or in ministry. For some students, the program will provide the preparation for a Masters of Business Administration (MBA) or other graduate program. Other students will use this degree to directly enter either business or ministry fields.

A graduate should demonstrate the knowledge of and the ability to use the following:

1. Apply basic management principles considering legal implications.
2. Use introductory accounting principles, analyze financial reports and evaluate financial proposals.
3. Apply basic marketing concepts.
4. Analyze data using descriptive statistics and inferential statistics.
5. Demonstrate the knowledge of and the ability to use computers, databases, and networking.
6. Analyze the best way to produce goods or provide services at a high level of quality and low cost using operations management tools and techniques.
7. Explain and use strategic management concepts
8. Apply the biblical perspective on ethical questions across business functions.

The Bachelor of Science program is designed to prepare its graduates for careers in management in any organization: business and non-business, public or private, foreign or domestic, ministry or non-ministry. Students will learn the fundamental principles underlying organizations, improve their critical thinking, develop knowledge of analytical tools of management, and develop skills in analyzing and evaluating managerial problems.

Bachelor of Arts English

The English program at WJU offers several distinctives. First of all, we approach the study of literature and writing with a Christian worldview. We believe that all truth is God's truth, and that the study of great writings throughout the ages can give us a glimpse of God's interaction with the world that He created. Secondly, we offer a concentration in creative writing—a rarity in undergraduate programs at Christian colleges—because we are committed to the highest standards for Christian writers. Finally, we know that the study of literature and of writing can be, and should be, a transformative experience, and we desire that all students should grow to know themselves, others, and God more deeply through their study of English.

Although many English majors go on to be teachers, the major also is excellent preparation for other fields. Many English graduates go on to law school or to graduate work in the humanities or education. Others find satisfying careers in fields where good communication and people skills are important, such as ministry, human resources, or technical writing. And of course many go on to become writers themselves.

Students who graduate with an English major will be able to:

- Critically analyze works of poetry, fiction, and drama from various eras of American and English literature.
- Think and write clearly and analytically.
- Integrate aesthetic appreciation and evaluation in a wide variety of written genres.
- Be prepared for entrance into a single-subject credential program in English.
- Integrate their faith and their learning in the discipline.

Students who choose the concentration in Literature will be able to:

- Complete an original work of criticism.
- Be prepared for graduate study in literature.

Students who choose the concentration in Creative Writing will be able to:

- Create an original work of literature.
- Workshop their own work and the work of others.
- Be prepared for graduate study in a fine arts writing program.

Students who choose the concentration in Teaching will be able to:

- Be prepared for entrance into a single-subject credential program in English.

Students who choose the concentration in Journalism will be able to:

- Complete an original work in Journalism.
- Participate in a variety of contemporary journalistic endeavors.

Bachelor of Arts Family & Children's Ministry

The Family & Children's Ministry program integrates the disciplines of Biblical studies, education, and psychology to offer a holistic approach to ministry and life, establishing a firm foundation through often turbulent cultural challenges. Students will learn to structure creative experiences that contribute to the spiritual development of persons of all ages and to serve as an effective and supportive member of the total pastoral team. As part of the Practical Theology department, we continue the longstanding heritage of the University to partner with the local church to evangelize, disciple, edify and unify believers to maturity in Christ.

Distinctives

The Family & Children's Ministry program excels in educating, equipping, and preparing the student to engage others in the transformative process of spiritual formation. By sharing courses in the same department with pastoral and missions majors, students experience a strong theoretical and practical model for church leadership.

- ♦ In-depth biblical studies to support a Scriptural understanding of ministry
- ♦ Internship opportunities working directly with local church and parachurch ministries
- ♦ Courses available in Christian education, pastoral work, intercultural studies, and psychology
- ♦ Specializations available in ministry with children, families, small groups, and spiritual formation
- ♦ Program approved by the Association for Biblical Higher Education

A graduate of the **Family and Children's Ministry program** will demonstrate the ability to:

1. Articulate a biblically-based rationale for Christian formation and discipleship;
2. Structure creative experiences that contribute to a person's spiritual development;
3. Choose and employ different methods available for teaching and learning in a variety of settings;
4. Serve as an effective and supportive member of the total pastoral team.

Bachelor of Arts History

The History major at WJU is unique in that it not only reflects a traditional history curriculum found in the best Liberal Arts institutions but also requires several courses, such as Literature & Culture and Political Economy, offered by the English and Public Policy departments. Consequently, this makes for a stronger, better-rounded major. Reflecting WJU's deep roots in Evangelical Christianity, required courses in Early Church History and American Religious History add a further unique flavor to the program. Students studying history at WJU will find themselves well prepared for graduate study in a number of related disciplines in the Liberal Arts. Students planning on entering seminary will find in a WJU History major a suitable course of study as well – particularly when considered along with the Bible and Theology classes required of all students. In conjunction with the Teacher Education program, students should be well prepared for a single subject credential in History.

Students who graduate with a History major will be able to:

1. Demonstrate significant general knowledge in and understanding of history.
2. Engage in informed dialog with culture.
3. Evaluate the various cultural underpinnings and applications of the course of study.
4. Describe various philosophical approaches to the discipline and determine how those approaches fit in with current approaches to other disciplines.
5. Undertake significant primary research in a historical subject and communicate the findings.
6. Think and write clearly and analytically.
7. Be prepared for graduate study in a variety of programs.

Students will also be able to, in conjunction with the Teacher Education program:

1. Demonstrate subject matter competency for a single subject credential in History.
2. Achieve an acceptable score on the Social Science CSET examination II4.

Bachelor of Arts Intercultural Studies

The Intercultural Studies program prepares students for work and ministry in cross-cultural contexts either in the United States or abroad. The curriculum also provides adequate preparation for those desiring to attend graduate seminary before entering their field of service. Beyond a core of missions theory and content courses, today's Intercultural Studies students need usable skills that fit either traditional missionary roles (e.g. evangelism, youth ministry, Christian education or church planting) or nontraditional cross-cultural roles (e.g. business, TESOL, community development, education, counseling, music or primary health care). The Intercultural Studies curriculum is designed with flexibility for students to choose either of these approaches to cross-cultural ministry. WJU Intercultural Studies graduates will demonstrate:

1. A clear understanding of the biblical and theological bases for missions.
2. A vision and burden for God's work in today's world.
3. An understanding of cross-cultural ministry theory and methodology.
4. Development of cross-cultural ministry skills, especially the ability to make the gospel and one's ministry relevant to local contexts.
5. An appreciation for diverse cultures and the sensitive issues involved in cross-cultural communication.
6. Self-awareness concerning one's adjustment to diverse cultures.
7. Skill in an area of concentration.

Bachelor of Arts Liberal Studies

WJU offers programs leading to careers in public, private and charter school systems. It is the goal of the department to prepare teachers by encouraging character development and demanding ethical behavior to meet the needs of the people teaching in schools throughout the world.

The multiple subject credential, Credentials with Character (CWC), program is designed with a core of Christian values. The degree in Liberal Studies features strong curriculum in Bible and Theology. Preparation for teaching in the elementary classroom includes completion of the California Commission on Teacher Credentialing-approved program designed to help meet subject matter competence. The individual obtaining a multiple subject credential is authorized to teach all subjects in kindergarten through grade twelve in self-contained classes.

Students seeking a single subject credential must satisfy subject matter competence requirements by passing the appropriate state examination(s) and coursework. Please contact the CWC office for details.

Graduates from the Credentials with Character program are well-equipped, highly-principled individuals who understand diversity as a strength and who provide for individual differences in order to help their students prepare for a diverse and rapidly changing world. The faculty members in the Department of Education maintain high standards and expectations for themselves and the students who wish to serve in building a better world by entering the teaching profession.

Please contact the CWC office for admission information and requirements.

Graduates from the Credentials with Character program will demonstrate the ability to:

1. Educate others with clarity and compassion.
2. Assess student learning.
3. Engage and support student learning.
4. Plan instruction and design learning experiences for students in K-12 self-contained classrooms.
5. Create and maintain effective environments for student learning.
6. Develop as a professional educator.
7. Demonstrate necessary subject matter comprehension to teach the California State Framework.
8. Meet all of the requirements to be recommended for California Preliminary Multiple Subject Teaching Credential.

The credential program offered by William Jessup University is a state-approved program subject to revision by state or federal law. Therefore, this program requires completion of specific benchmark assessments in addition to the successful completion of WJU coursework. Please consult the Credentials with Character guidebook for specific current requirements. Current law requires all candidates for a California teaching credential to successfully complete the following examinations, preparation for some of which WJU has incorporated into our program:

CBEST	California Basic Educational Skills Test
CSET I01	Reading, Language and Literature, History and Social Science
CSET I02	Science, Mathematics
CSET I03	Physical Education, Human Development, Visual and Performing Arts
RICA	Reading Instruction Competence Assessment
TPA	Teaching Performance Assessment Tasks 1, 2, 3, 4

The Liberal Studies Program at William Jessup University seeks to:

1. Instill faith in the Bible, Jesus Christ, the Church, and in other human beings that guides, informs and supports teaching as a profession and a lifestyle.
2. Encourage personal growth in students toward character attributes that demonstrate clear and positive relationships to truth, to people, to service and to excellence.
3. Instill a love of knowledge and an appreciation for wisdom gained by humanity through the centuries.

Bachelor of Arts Music

The William Jessup University Music Department provides opportunities for student, faculty and staff involvement in musical activities. Participating in a WJU music group is a great way to make new campus friends, experience excellent musical training, perform, and serve the University. The campus community is welcome to perform in any of the performing groups and ensembles:

- **University Choir:** open to all WJU students.
- **University Instrumental Ensemble:** open by audition to all WJU instrumentalists.
- **The Way:** a touring ensemble of mixed voices, open by audition to all WJU students.
- **Awaken:** a five member touring worship band, open by audition to all WJU students.
- **University Alumni and Community Choir:** an evening community choir, open to the general public, alumni, faculty, and staff. Auditions may apply.

Non-music majors can register for performance groups through their departmental advisor. Audition information is available from the Music Department Chair or from the appropriate group director.

Music Department degrees and concentrations are designed, in agreement with the William Jessup University mission statement, to prepare graduates for leadership positions in the church and society as worship leaders, teachers, performers, ministers of music, accompanists, music industry personnel, and choral or instrumental directors. The curriculum structure, content, and time requirements enable students to develop the range of knowledge, skills, and competencies required for successful careers in the field of music and acceptance into post-graduate degree programs. The curriculum stresses sound musicianship and active musical experience.

All students enrolling in the Music major are required to attain a high level of performance ability as they complete their required course units:

- Students are required to perform a music jury at the completion of each year's study in their designated juried applied area of specialization (voice, piano, guitar, drums, composition, other). The purpose of the annual jury is to assess levels of competence attained and to track the student's progress in preparation for the performance of the required senior recital (see Applied Levels Rubric).
- All Music majors must pass a piano proficiency exam before graduation.
- Music majors must fulfill additional recital performance and attendance requirements as established by the Department.

In order to assure that WJU graduates reflect the mission and educational philosophy of the University, the Music Department adheres to the transfer policy established by the Faculty Senate. Non-transferable Courses: Music Organization and Leadership, Senior Recital, Music and Worship, and Music Internship.

Students who complete the course of study should demonstrate:

1. Ability to perform with excellence as a vocal or instrumental musician.
2. Proficiency in piano.
3. Proficiency in music theory and ear training.
4. Ability to analyze, compose, and arrange music for various vocal and instrumental media.
5. Acquisition of a broad knowledge and aesthetic appreciation of music literature through study and performance.
6. Knowledge of the history of music and worship and its relationship to contemporary society.
7. Familiarity with non-western music and musical forms.
8. Ability to develop and lead an effective music ministry, program or business based on sound biblical and educational principles.

Bachelor of Arts Pastoral Ministry

One who aspires to be a pastor will be a leader of leaders, a preacher and discipler who is skilled in church planting and growth. It is the most interesting and exciting work in the world. The kingdom need is for people of character who are not afraid to deal with challenge, change, and opportunity. The Pastoral Ministry program prepares graduates for this leadership as senior pastors, associate pastors, and other key positions. As part of the Practical Theology department, we continue the longstanding heritage of the University to partner with the local church to evangelize, disciple, edify and unify believers to maturity in Christ.

Graduates are expected to put factual knowledge to practical use in the ministry of the local church or parachurch organization. Those attending graduate school will have gained the knowledge and research skills required for advanced study.

The practical implementation of all factual and intellectual knowledge is accomplished by preparing students who:

1. Use proper exegetical methods and tools to interpret the Christian scriptures with a view toward preaching, teaching, and church management.
2. Have a system of values and beliefs which are scripturally based and result in a wholesome life of service and example in both church and society.
3. Are skilled in preaching, leading worship, evangelism, pastoral care, counseling, and church administration.
4. Have entered into a life of spiritual formation integrating vocation, ministry, character, and life style.

Bachelor of Arts Psychology

The mission of the psychology program is to provide a foundation as students develop their capacities for work in the helping professions in both secular and sacred settings.

The psychology degree prepares students for the soul care dimensions of work with individuals and families. The foundational assumption of the program is that human beings are designed to live in committed relationships from cradle to grave. Thus, healthy attachment is foundational to restoring individuals to wholeness.

The program equips individuals with critical thinking skills that are scripturally based and methods that are culturally relevant and clinically sound. For some, the major will provide foundational studies in preparation for graduate school in the helping professions. Graduates who seek advanced education, typically choose advanced studies in psychology, counseling, or social work. Others will apply this degree to work within mental health settings immediately after graduation and/or utilize the relational skills gained in this program in a wide range of careers, including business, human services, and ministry.

Leaders in the psychology department value the development of a Christian world view in all graduates, academic excellence in teaching and learning, and continuous transformation toward wholeness in both the professors and the students.

In order to accomplish the program mission, the faculty is committed to:

1. Offering a curriculum that reflects the importance of responsible integration considering the wisdom available in both special and general revelation.
2. Exposing students to relevant theoretical frameworks that provide clarity and guidance for understanding the human condition.
3. Mentoring students in the development of skills that are considered state of the art in the application of both a psychological and theological knowledge base.
4. Challenging students toward personal wholeness, relationally, psychologically, and spiritually.
5. Assisting students as they find direction for their personal and professional lives.
6. Motivating students toward a life of service.

A graduate should demonstrate:

1. Integration of their faith and knowledge of scripture with the study of human needs.
2. Understanding of the process of human growth and development in the context of family, community, culture, and ethnicity.
3. Knowledge of basic theoretical frameworks, empirical findings, and historical trends in the study of human personality and problems.
4. Understanding and application of basic research methods in psychology, including research design, data analysis, and interpretation, demonstrating information competence and the ability to use computers and other technology for many purposes.
5. Utilization of critical thinking skills, unbiased inquiry, and a creative approach to problem solving related to understanding behavior and mental processes.
6. A responsible approach to the application of psychology within a Christian worldview. This will include the abilities to weigh evidence, tolerate ambiguity, and act ethically.
7. Skillful communication with both individuals and groups.
8. An ability to interview, assess, develop treatment plans, carry out interventions, and evaluate progress in helping relationships, utilizing community resources appropriately and effectively as part of the helping process.
9. Recognition of the limitations of their training and the ability to refer to specialized helping professionals when appropriate.
10. Increased self-awareness, self-understanding, and growth in personal wholeness, emerging from the major with ideas about how to pursue their calling in academia and/or occupational settings.

Bachelor of Arts Public Policy

The Public Policy Degree Program is designed to develop students' knowledge and skills for service and leadership in public sector careers at the local, national, and international level or for graduate studies in related fields. The Public Policy major will provide students with a Biblical and theoretical foundation in public policy through course work in ethical, philosophical, historical, governmental, procedural, and managerial principles. The program will build on this foundation by offering direct experiences through seminars and internships to develop practical skills and understanding for policymaking.

A Public Policy Degree Program graduate should demonstrate the following:

1. Understand Biblical and ethical principles and standards and apply them to public policy issues and institutions.
2. Appreciate the significance of civil society and actively engage in civic participation.
3. Develop critical thinking, problem-solving, and management skills for policymaking and public administration.
4. Recognize and interrelate political structures, participants, and principles for policymaking and implementation.
5. Acquire and apply knowledge of American and comparative history and government to current events, issues, and institutions.
6. Acquire and apply knowledge of Constitutional and international principles and organizations for governance, civic participation, and civil and human rights.
7. Identify and utilize effective and principled methods and approaches to political process, policy research and analysis, and public administration.
8. Integrate political knowledge and policy principles to practical public sector fields such as communications/media, criminal justice, law & policy, government & politics, economics & management.

Bachelor of Arts Youth Ministry

Recognizing the strategic role of the youth minister in the spiritual development of young people (middle school, high school and college), William Jessup University offers a major in youth ministries. The vision of the youth ministry program is to reach the next generation by preparing students to evangelize and disciple youth and their families. The mission of the youth ministry program is to creatively prepare students to be dynamic leaders and facilitators that inspire youth to the Christian life.

William Jessup University expects the student who graduates with a degree in Youth Ministry to demonstrate:

1. Ability to devise, discuss, and defend a personal philosophy of Youth Ministry that is both biblically formulated and developmentally appropriate.
2. Ability to develop a ministry to youth in a church or parachurch organization in diverse socio-cultural settings.
3. Ability to assist adolescents and their families in problem-solving and decision-making.
4. Preparedness to stay current in youth culture.
5. The ability to identify models of effective youth ministries through internships, guest lecturers, and field trips.
6. Ability to recruit, nurture, and mentor teenage leaders and adult volunteer staff.
7. Preparedness for service in a leadership role and function as part of a team/staff.
8. Ability to prepare and deliver sound and effective teaching to youth.
9. Ability to continue in life-long learning.
10. Preparedness to provide a good Christian example as a student of scripture.

Bachelor of Arts Bible and Theology with a Transferred Minor

Refer to Bachelor of Arts – Bible and Theology, page 26.

This program is preparatory. Graduates would continue in an advanced degree in ministry. In addition to the general objectives, this program is designed to achieve several specific objectives. Graduates should demonstrate:

1. A basic knowledge and appreciation of the importance of the ministry.
2. An ability to use the Greek or Hebrew language in exegetical studies and sermon preparation.
3. A concern for people and their spiritual needs and an elementary knowledge of the ministry skills necessary to help meet those needs.

Second Bachelor's Degree Program

Under revision for Fall 2010. Please return to the website or contact the Registrar's Office for current status.

Many students today are seeking mid-life career changes to enter the ministry. These students occasionally have already graduated from college and are well-educated, yet they may lack the particular biblical education necessary to minister adequately to others. For this reason WJU has a special program for those who come to a Christian university having already completed a baccalaureate degree.

Associate of Arts in Bible

This two-year degree program is intended either for students who may transfer to a liberal arts college to seek a major not offered at WJU, or for students who want a well-rounded education that balances Bible, ministry, and foundational studies.

Students who complete this program will have gained a strong foundation for lifelong autonomous learning, and the skills and broad worldview needed for effective service and leadership, both in the church and in an increasingly multicultural society. Furthermore, these students will demonstrate:

1. An ability to communicate the Word of God.
2. An understanding of the world and its history.
3. A basic understanding of the general themes of the Bible and biblical history.
4. An understanding of the church revealed in scripture and several basic principles of New Testament Christianity.

The following courses are required for the Associate of Arts in Bible degree:

English Composition I (ENGL01a)	3
English Composition II (ENGL01b)	3

Associate of Arts in Ministry

This two-year degree program is designed to provide graduates with a basic biblical knowledge and specific practical skills to serve as volunteer workers in the church. Students who complete this program will have gained a strong foundation for lifelong autonomous learning, and the skills and broad worldview needed for effective service and leadership, both in the church and in an increasingly multicultural society. Furthermore, these students will demonstrate:

1. An ability to communicate the Word of God.
2. An understanding of the world and its history.
3. A basic understanding of the general themes of the Bible and biblical history.
4. An understanding of the church revealed in scripture and several basic principles of New Testament Christianity.
5. A practical knowledge of either Family & Children's Ministry, Intercultural Studies, Music & Worship, Pastoral Ministry, or Youth Ministry.

Certificate Programs

The certificate programs noted on the following pages are designed to prepare Christians to serve in specific capacities. Certificate programs are seen as training programs, not holistic educational programs. Certificate programs are in keeping with trends in the business world also. Vocational technicians often work under the supervision of professionals quite effectively. Trends in this direction are increasing. Students who enroll in these programs are expected to fulfill all the requirements for admission. Placement test scores may necessitate fulfilling ESL or remedial English competency courses before/concurrently with beginning courses. Additional policies that govern the administration of certificate programs include:

1. Students must declare a program prior to completing 8 units.
2. A certificate cannot be earned concurrently with a degree in the same field of study.
3. Students may petition to transfer credit for courses in a certificate program to a degree program, providing the course grade is C or higher.
4. Equivalent courses taken at another college may be waived; in such a case, another course will be substituted in the student's program.
5. Upper division courses in certificate programs assume English skills comparable to successfully completing two semesters of English composition.

Bible Certificate

The Bible Certificate is specifically for students who seek an intensive grounding in God's word to establish a strong foundation for their lives. This program is ideal for those whose prior education included no biblical study.

The following courses are required for the Bible Certificate:

Children's Ministry Certificate

The Children's Ministry Certificate is designed for persons who direct the children's segment of an educational ministry in paid or volunteer capacity. This professional training is focused on the practical aspects of leading and developing an effective program in the local congregation. The specific target skills for this certificate are:

1. Define an effective Children's Ministry program.
2. Learn how to teach children and train their parents.
3. Identify and construct a ministry focused on evangelism and spiritual development.
4. Examine and explore Jesus' vision for children.
5. Identify learning and social styles of children.
6. To recruit, train, and assign adult workers.
7. To know how to prepare, adapt, and secure facilities.
8. To learn how to budget and maintain records for growth.
9. Establish counseling methods for children and adults.
10. Develop summer ministry programs.

Counseling Certificate

The Counseling Certificate is designed to enhance the ministry of those who are called to counseling roles in Christian ministry, whether paid or volunteer. Students may complete the 32 unit certificate program independently of other course work or incorporate certificate course work with any of the other WJU majors. Courses in this program will prepare students to:

1. Respond in crisis or chronic situations.
2. Assess situations for intervention.
3. Apply God's word to human need.

The program seeks to:

1. Equip students to live out the relational and counseling aspects of their ministry more effectively.
2. Help students recognize the limitations of undergraduate preparation in counseling and to increase their referral to helping professionals with specialized training.
3. Provide lay training in counseling for members in the Christian community who have specific educational goals.

Family Ministry Certificate

Designed for persons who are responsible for family and adult ministry in the church, the focus of the Family Ministry Certificate is on preventative ministry and meeting the needs of families. Persons who are currently involved in local congregations will have an advantage of applying the learning to ministries. The program is designed to help the leaders organize and administer programs and activities in local congregations. Upon successful completion of this program the student will be equipped to:

1. Develop a family ministry team approach to meeting the needs of families.
2. Explore a variety of methods and strategies for strengthening marriages, families, and singles in the church and community.
3. Be able to explain the wonder of human beings as sexual, spiritual, and communal.
4. Be able to teach classes and activities to meet family needs.
5. Conduct and train others to perform premarital counseling.
6. Use basic counseling skills in short-term counseling needs.

Intercultural Studies Certificate

The Intercultural Studies Certificate is designed for people who are serving on missions committees, working as tentmakers or functioning cross-culturally in a volunteer capacity. It is suited for those persons who already have a college degree but desire formal training in Intercultural Studies.

WJU Intercultural Studies certificate recipients will demonstrate:

1. A clear understanding of the biblical and theological bases for missions.
2. A vision and burden for God's work in today's world.
3. An understanding of cross-cultural ministry theory and methodology.
4. Development of cross-cultural ministry skills, especially the ability to make the gospel and one's ministry relevant to local contexts.
5. An appreciation for diverse cultures and the sensitive issues involved in cross-cultural communication.
6. Self-awareness concerning one's adjustment to diverse cultures.

Management Certificate

The Management Certificate is designed to enhance the management skills of individuals currently working in ministry or business. Many leaders in churches or other ministry groups lack basic business management and organizational skills but these skills are very important. For example, Crown Ministries states the Bible emphasizes the importance of finances with more than 2,350 verses on how to handle money and approximately 500 verses on prayer, but many ministry programs do not include a basic financial management course. This program will develop not only the financial skills, but other management and organization skills necessary to lead an organization.

Students who complete the course of study should be equipped with:

1. Basic management principles considering legal implications.
2. Financial reports and principles and introductory accounting principles.
3. Basic marketing concepts.
4. Statistics for analyzing data.
5. Computers, databases, and networking.
6. Operations management tools and techniques.
7. Strategic planning concepts.
8. Biblical perspective on ethical questions with business management.

Music and Worship Certificate

The Music and Worship Certificate is designed for volunteers or lay leaders serving in churches and parachurch organizations. This program of study will prepare students to better serve in leadership and support positions in the area of music and worship.

The contemporary church is experiencing growth and change in the role and use of music in worship, and today's music leader must be equipped to deal with those changes. The certificate program curriculum will lay a foundation made up of performance, administrative and leadership skills and the acquisition of a broad knowledge of music and worship, its historical use in the church, its fundamentals, and its theories.

WJU is committed to providing the best preparation for ministry in the area of music and worship. The faculty is made up of committed Christians serving as professional musicians, music ministers, and music educators. Our goal is to prepare leaders equipped to serve our Lord in the exciting and ever changing area of music and worship!

Students who complete the course of study should demonstrate:

1. The ability to perform competently as a vocal or instrumental musician with a basic proficiency in piano or guitar.
2. The acquisition of a basic knowledge of music literature, both sacred and secular.
3. The ability to support and serve in music and worship ministries equipped with sound biblical and educational concepts.
4. A basic knowledge of the history of music and worship and its relationship to contemporary music ministry and worship design.

Pastoral Ministry Certificate

The Pastoral Ministry Certificate is designed for those in the local church who are responsible for pastoral duties in a staff or volunteer capacity. It is also suited to those mature persons who already have a college degree but desire formal training and certification in pastoral studies. Courses included in this certificate prepare students to preach, lead worship, provide pastoral care, and administer to the church with effectiveness. They would gain a primary grounding in theology, the life of Jesus, and biblical studies.

Because of the nature of the ministry, enrollment in the Pastoral Ministry Certificate Program is limited to those at least 30 years of age with local church experience in evangelism, counseling, leading worship, and preaching. Admission to the program is by recommendation of the Chair of the Pastoral Department.

The Pastoral Ministry Certificate will equip students to:

1. Exegete the Scriptures for teaching and preaching.
2. Prepare and preach sermons.
3. Evangelize and train others for personal evangelism.
4. Plan and lead worship.
5. Use basic counseling skills in short-term counseling.
6. Administer a congregation.
7. Provide pastoral care.

Sports Ministry Certificate

WJU, in partnership with Church Sports International, offers the Sports Ministry Certificate. Church Sports International is a ministry dedicated to serving churches, mission organizations, and sports parachurch ministries in the task of stimulating a vision for using sports and recreation to plant and grow churches, equipping the saints for the work of ministry, and helping to implement that ministry.

The Sports Ministry Certificate Program at WJU seeks to:

1. Equip students in fulfilling the Great Commission through a sports ministry.
2. Prepare students to make disciples through sports and recreation.
3. Help initiate a church-based or parachurch sports ministry.
4. Provide information on current developments in the sports ministry field.
5. Prepare athletes to serve Jesus Christ.
6. Train sports ministers and missionaries.
7. Equip people to use sports as a ministry tool.
8. Produce people who can use sports and recreation as a platform for the gospel.

Youth Ministry Certificate

The Youth Ministry Certificate is designed for volunteer youth workers in churches and parachurch organizations. This certificate prepares students for one of today's most exciting and challenging ministries. Students will be equipped to effectively minister the Word of God and to meet the needs in the lives of youth.

This program will assist students with essential ministry skills, a solid Biblical foundation, and an understanding of the world in which we live and minister. The result is the ability to lead youth to a faith in Christ, to nurture their spiritual growth, and to disciple them.

Students will learn how to bring together theological truth and the practical needs of a changing adolescent culture. Students will understand how Youth Ministry integrates with the overall life and ministry of the local and global church. Students will be given timeless tools that will enable them to create ministry programs that incorporate the best of Youth Ministry resources with the individual needs of their group.

Academic Information

Planning an Academic Program

Traditional

Prior to registration, all undergraduate students should study carefully the requirements of the University and of the particular academic department to which they have been admitted. Students must have their course selections approved by a faculty advisor who will assist in planning a program leading to a degree. A student can expect to spend 2 hours in outside study for each hour in class. Thus, a full-time student can expect academics to fill the majority of their week.

SPS

With the SPS Bridge Program, students need not take external courses to complete their entire degree. The main SPS office is equipped to offer degree completion advising for both internal and external courses.

Student Responsibility

Students must assume complete responsibility for fulfilling all requirements to meet planned objectives. All departments have certain academic requirements which must be met before a degree is granted. These are described in the various degree sections of this catalog and concern such things as curricula, majors, and minors. Advisors, department chairs, and the Registrar are available to help the student understand and arrange to meet these requirements; the student is responsible for knowing the requirements to be met and for completing them. At the end of any course of study, if requirements for graduation have not been satisfied, the degree will be withheld. For this reason it is important for each student to be acquainted with all regulations, to remain currently informed throughout the college career, and to be responsible for completing all requirements.

Priority of Courses

Priority should be given to required courses in proper sequence. No one should register in an elective course to the exclusion of a required one. Any required course for which a student had failed to receive credit should take priority over all other courses in the arrangement of the student's program; it should be repeated as soon as it is offered.

Unit Load - Traditional

In general, a student who is not employed more than ten hours per week should register for 16 units each semester. Registering for more than 18 semester units requires petitioning for approval. The petitions for credit overloads may be obtained online at jessup.edu and should be filed with the Registrar's Office prior to registration.

Although the University considers 12 semester units as the minimum full-time undergraduate credit load, this minimum does not necessarily coincide with limitations established by agencies outside of the University. Students who are eligible for educational benefits from agencies are responsible for obtaining information about the specific requirements of the agency granting the benefit. Six units are required for state aid and student loans and three units are required for federal grants and institutional aid.

The Vice President for Academic Affairs or the Academic Committee may reduce a student's registration to less than the normal academic load if the student failed to earn credit in any course or if the student was placed on academic probation the previous semester. Late registrants, provisional acceptance, and probationary acceptance may also be subject to unit limitations.

Unit Load - SPS

In general, a student will register for 9 units a semester. Because of the accelerated course format, students should speak to the main SPS office if they desire "doubling-up".

Double Major

Additional Major, Minor, or Certificate

Students may not work toward two degrees simultaneously at the University. However, students who choose to complete two majors, each offered by a different department, must complete the requirements of both programs. Students must decide which of the two majors will be their primary major. Students retain their advisor for the primary major, but also meet with an advisor of their choice in the department sponsoring the second major.

The college prints both majors on the transcript and awards only one Bachelor's Degree.

Second Bachelor Degree

Under revision for Fall 2010. Please return to the website or contact the office of the Registrar for current status.

Attendance Policy – SPS

Due to the accelerated nature of the SPS courses, the program practices a 100% attendance policy. Consistent class attendance is mandatory for students. Students who miss one class of a five-week course are expected to make up the class by completing an assignment (usually a 10-12 page paper) that relates directly to the discussion covered in the missed class. The session make-up must be completed and submitted to the instructor no later than two (2) weeks after the last class session for the course. Failure to make up the absence will result in a grade reduction. This paper is in addition to the original homework assignment that must also be completed.

SPS Petition for Reinstatement after Second Absence

If there are extreme and extenuating circumstances, beyond the control of the student, that necessitate a second absence, a student may petition the automatic U/F received after the second absence. A Second Absence Petition for Reinstatement in Course must be completed and filed within 48 hours of the second absence. In such a case, the SPS Academic Committee will review the petition in order to determine:

- 1) the nature and reason for both absences,
- 2) whether the student has had a previous request during their academic career of a similar nature,
- 3) the overall academic performance of the student with no other late work outstanding,
- 4) whether the absence warrants special accommodation, and
- 5) what that accommodation should be, given the circumstances.

In most cases, if such an accommodation is granted, the student will be required to meet with the instructor for a make-up study session to go over the material they missed. In this event, a fee will be charged to cover the cost of the make-up session.

Final Examinations – Traditional Students

The University requires an examination to be given at the end of the semester in all courses.

Change in Final Examinations – Traditional Students

The university requires an examination be given at the end of the semester in all courses at the time specified in the exam schedule. Examinations may not be changed for sake of convenience. For legitimate reasons, students may petition a change in time. Vacation and travel plans are not acceptable reasons.

Application for Graduation

Certain basic requirements in general education and in Bible and Theology must be completed by all enrolled regular undergraduate students, in addition to the specific courses required by individual departments. Chapel and Service requirements must be met according to policy found under Student Life. For the requirements in degree and certificate programs, see the "Degree and Certificate Programs" section in the catalog. Complete information regarding application for graduation is found under Graduation Requirements.

Cap and gown orders are the responsibility of the student and may be placed through the University Bookstore.

Transcripts of Credit

Official transcripts are copies of student academic records of all work attempted at WJU and bear the seal of the University and the signature of the Registrar. Transcripts are not entered until the semester or registration period officially ends. Upon written request from eligible students, the Registrar's Office will issue official WJU transcripts only; transcripts of work from other institutions will not be issued.

All transcript requests must be made in writing and contain the student's signature. Allow two to three weeks to prepare transcripts during the periods of final examinations, grade recording, and registration. Transcripts will not be released for students who have an outstanding balance in the Business Office, an incomplete academic file, or a library fine or overdue book.

Transcript request forms may be obtained from the Main Office or online at www.jessup.edu.

Diploma Replacement

If the original diploma is destroyed, a duplicate may be ordered by contacting the Registrar's Office. There is a fee for the replacement diploma. The diploma will reflect the signatures of the current officials of the University.

Summer School

WJU has a limited summer school schedule which allows students to earn additional units during the summer. Internship and independent study opportunities are also available during the summer.

Registration Process

Students should study this Catalog and the Schedule of Classes, consider the curricula carefully, and plan the courses needed for graduation and required for their majors as well as courses desired for electives. Students must assume complete responsibility for fulfilling all requirements to meet planned objectives.

Course Schedules

A schedule of the courses to be offered each semester in a given year is available to students before the beginning of the fall term. The schedule is subject to change, and a scheduled class may be cancelled if fewer than ten students enroll.

Traditional

Each student is personally responsible for completing registration on the date and at the time specified in the class schedule for each semester (see the Academic Calendar on the class schedule). Registration materials are posted online at www.jessup.edu and are emailed to each student's WJU email account.

SPS

A preliminary billing statement will be provided to the student approximately 5 weeks prior to the start of each semester. Payment arrangements for the semester must be completed by the date indicated, typically a week prior to the start of the semester. Students should be prepared to pay at least one-third of their contracted costs on registration night (plus a deferred payment fee if applicable).

Late Registration Policy

Late registration begins on the first day of classes and terminates on the date stated on the Academic Calendar. Students who fail to complete registration at the assigned time may register during the period of late registration specified on the class schedule for an additional fee. Any change in registration must be completed and paid for before the close of late registration.

Changes in Registration

Changing registration after the semester has begun is allowed primarily to adjust for extenuating circumstances beyond the student's control, registration errors, lack of prerequisite courses, or schedule changes initiated by the University. Student initiated changes are subject to an Add/Drop fee.

After the late registration period is complete, changes may be made only when the University deems the circumstances sufficiently extraordinary to warrant an exception.

Add a Course

A student may add classes in their schedule during the first week of instruction without academic penalty. The student is responsible to initiate the process by using the proper form, available in the Administration Office, and consulting with an academic advisor. Student initiated changes are subject to an Add/Drop fee.

Changing Audit to Credit

Audit students may change to a credit basis prior to the close of the late registration period.

Changing Credit to Audit

A student may change from credit to audit until the end of the late registration period.

Dropping (Withdrawing from) a Course

Traditional

A student may drop classes in their schedule during the first week of instruction without academic penalty. A student may withdraw from a course after the late registration period, receiving a W grade, until the end of the tenth week of the semester. (To withdraw from all classes, see "Withdrawing from the University"). Any change in a student's course schedule after the start of classes is subject to an Add/Drop Fee.

For weekend or one-day courses a student must withdraw before the first day of class. Non-attendance of weekend classes will result in an F.

The student is responsible to initiate the process by obtaining the proper form and signatures of the instructor and academic advisor. Refunds are based on the official drop date, which is the date the completed form is received in the Registrar's office.

Failure to officially withdraw from a course will result in a grade of F and forfeiture of tuition refund. A student no longer registered for credit or audit is ineligible for further attendance in the class.

SPS

Students withdrawing from a course must submit a Petition to Add/Drop form to the SPS Office. Students who submit a Petition to Add/Drop before the first class session will not receive a penalty and the course will not appear on the student's permanent transcript. Students who drop a course after the first class session will receive a "W" on their permanent transcript. The Petition to Add/Drop form is to be submitted to either the University Academic Office or the local SPS Office. The effective date of the drop will be the postmark, fax date and time, or date and time received personally by University staff. Failure to withdraw from class by submission of a Petition to Add/Drop will result in an "F" being entered on the permanent transcript for the class and any refunds for the class are forfeited.

A student who has officially dropped a class and who is no longer registered for credit or for audit is ineligible for further attendance in that class. Dropping a class may affect the student's financial aid. It is the student's responsibility to contact the Financial Aid Office for information. Student initiated changes are subject to a change of registration fee.

Administrative Drop/Classroom Conduct

Failure to attend a course or to submit required work will result in a grade of F. The student who neglects a course is solely responsible for dropping the course or withdrawing from the University. However, an administrative drop may be initiated at the discretion of the instructor, who will record circumstances. The approval of the Vice President for Academic Affairs is required. Deadlines and grades are the same as for a drop initiated by the student and are based on the date received at the Registrar's Office. The student will be notified by the final grade report.

Students have a responsibility to conduct themselves in class and in the library in ways which do not interfere with the rights of other students to learn, or of instructors to teach. Use of electronic devices such as pagers, cellular phones, or recording devices, or other potentially disruptive activities, is permitted only with prior explicit consent of the instructor. The instructor may rescind permission at any time during the course.

If a student does not comply with requirements or obstructs the functioning of the class, the instructor may initiate an administrative drop. The instructor must record circumstances. The approval of Vice President for Academic Affairs is required. Prior to a decision, the VPAA will consult with the student and other parties as appropriate. Appeals go to the Academic Committee and the VPAA. Serious cases of misconduct will be referred to the Student Life Committee for appropriate action.

Right to Cancel

The University reserves the right to cancel any registration in specific courses for which the student is ineligible. The registration of a student who is ineligible to attend the University is subject to immediate cancellation. The University also reserves the right to cancel the registration of a student whose attendance at the University, in the opinion of the appropriate administrative officials, would not be mutually beneficial to that person and to the University.

Leave of Absence

Students who find an interruption in enrollment necessary should file a Petition for a Leave of Absence before leaving the University. A Leave of Absence allows students to maintain the existing graduation program. Failure to do so will mean that they must fulfill all graduation requirements in the catalog which is current upon their return to WJU. Students withdrawn from the University for one academic year or more (official or unofficial leave of absence) may be required to update some or all of the admissions requirements. A Leave of Absence is good for a maximum of one year.

Filing for an Academic Leave of Absence initiates the Financial Aid Leave of Absence which allows for a 180 day (6 month) grace period before student loan repayment must begin. If a student returns to WJU within 180 days, student loans do not go into repayment and the 180 day grace period is not counted against your future 180 day grace period. If a student does not return to WJU within 180 days or begins school at another institution, then any time spent out of school will apply toward your 180 grace period. For more information, regarding the Financial Aid Leave of Absence, please contact the Financial Aid Office at (916)577-2234.

Withdrawing from the University

Withdrawing from all courses is a two-step process:

1. Dropping classes: Students who wish to withdraw from all classes in which they are registered must obtain an Add/Drop card from the Registrar's Office and follow the procedures to drop courses (see "Drop or Withdraw from a Course").
2. Exiting the University: To ensure that all academic and financial arrangements are cleared, students must solicit a Request for Official Withdrawal from the Administration Office and obtain the necessary signatures from the appropriate University department(s). If the leave is temporary, a student should petition for a Leave of Absence at the same time, in order to maintain the existing graduation program.

Academic Policies

Academic Calendar

Traditional

Students will be on a standard 15 week semester schedule with one week of finals for both Fall and Spring terms. The traditional program also offers a limited schedule of classes for a condensed, three week, Winter term, as well as a limited offering of summer classes which run on varied schedules.

Each semester course offering schedule includes the specific beginning, ending, and break dates on the bottom of the second page.

Standard holidays and breaks include:

FALL

- Labor Day
- Thursday and Friday prior to Columbus Day (but not Columbus Day)
- Wednesday, Thursday, and Friday of Thanksgiving

SPRING

- President's Day
- Spring Break includes the week before Easter and Easter Monday

SPS

Students will be on a year-round three semester program of Fall, Spring and Summer terms. Each semester contains 15 weeks in class with seven holidays recognized annually. Holidays are recognized for the weeks of New Year, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas.

Prior to entry in the program, students will be provided an information session and/or personal appointment to inform prospective students about the program. Information sessions include:

- A description of the School of Professional Studies
- Meeting the needs of an adult student
- Financial aid matters
- Start dates for classes
- Application procedures
- Alternate credit sources

Plagiarism

WJU considers its students to be responsible Christian adults and prefers to treat them as such. A major part of an education at a Christian university is developing and maintaining Christian character, specifically integrity. One jeopardizes that integrity by participating in any kind of deceit. WJU regards such acts as willful plagiarism, cheating, and misrepresentation as deceitful. A student discovered in this kind of activity will not only lose the trust the University has invested in him or her, but will also be subject to discipline: the student will not receive any credit for any assignments that are willfully misrepresented by plagiarism or cheating and will be subject to a personal interview by the Academic Committee to determine if the student may remain in class or in school.

Special Study Experiences at WJU

Special study experiences available to students who display interest and aptitude include independent study, practicum, study-travel tours, and internships.

Independent Study: Only upper division students with at least one semester residence at WJU and a 3.0 GPA may take credit by this means. Limited to a maximum of 12 units and must be approved by the instructor and the Academic Committee.

Practicum: Available to sophomores, juniors, and seniors. Limited to a maximum of 3 units and must be approved by the instructor.

Travel-Study Tours: Available to sophomores, juniors and seniors. Limited to a maximum of 4 units and must be approved by the Department Chair.

Internships: for juniors and seniors only. Limited to a maximum of 10 units and must be approved by the Department Chair. Internships are an integral part of WJU's program of study and serve the following purposes:

1. To enable students to make wise vocational choices by guided practical experiences in Christian vocations.
2. To enable students to grasp the relevance of classroom instruction through guided practical experiences which draw upon the content of classroom instruction.

3. To allow students to work with mature and effective leaders and thereby grasp in a living practical context the whole range of experiences involved in special Christian ministries.
4. To enable students to experience the difficulties and rewards of Christian vocations.
5. To develop certain basic practical skills necessary for success in specific Christian ministries through supervised experiences.
6. To gain a greater appreciation of the importance of Christian vocations in the plan and purpose of God.

Reading and Colloquium: Qualified upper division students may meet certain requirements by taking courses numbered 499 in the area of concentration needed. The 499 course of faculty-guided research requires the writing of a major research paper. The maximum credit toward graduation is limited by the students' need, ability, and the decision of the Academic Committee. Colloquiums of five to eight students may do reading and discussion in a special area of study for 299 or 499 course credit.

Challenge for Credit

A challenge is appropriate when a student has taken a course at an unaccredited institution which is similar in content to a regularly scheduled course in the WJU curriculum. The following applies:

1. All challenges must be initiated by a petition to the Academic Committee.
2. The chairman of the department must determine that a specific course is appropriate for credit by challenge.
3. A student may not challenge a course if he/she has previously enrolled and withdrawn from or failed the course while at WJU.
4. The student will enroll in the course and pay the appropriate tuition when the challenge is approved by the Academic Committee.
5. The professor of the course may determine what learning activities, including attending certain sections of the classroom lectures, may be required of the student prior to the challenge exam.
6. The student is given full credit for the course and a "pass" grade upon successful challenge.
7. The transcript will note the course by the phrase, "credit by challenge."

Student Classifications

Class Standing

Class standing is determined by the number of semester units a student has completed. The units required for each classification are indicated below.

Freshman	Less than 30 units
Sophomore	30 units, but less than 60
Junior	60 units, but less than 90
Senior	90 units or more

Regular Student

A regular student is one who has been officially admitted to the University. A minimum of 12 semester hours of credit is required for a full-time undergraduate program (9 units for a School of Professional Studies student = $\frac{3}{4}$ time). Students carrying less than 12 units per semester are classified as part-time students.

Transfer Student

Students transferring from other colleges will be given advanced standing according to the number of transferable credits on their official transcripts and the grades earned in those courses. Prospective transfer students must submit official transcripts of their college work to the Registrar for evaluation (see "Credit Transfer Policy").

Audit Student

Traditional

Students may audit a course when the class is desired for personal enrichment, not academic credit. Performance classes, such as private or class music lessons, speech, or homiletics, cannot be audited. WJU alumni may

audit courses on a space available basis. An enrollment fee will be charged; see schedule of fees for details.

SPS

Persons interested in auditing SPS courses are encouraged to contact the local SPS Office for information.

International Student

An international student is one who has been officially admitted to the University and may register for either a full-time or part-time program under an F-1 (Student) Visa issued by the U.S. Citizenship and Immigration Services.

Probationary Student

Students may be placed on Academic Probation, Financial Aid Probation, or Disciplinary Probation for a number of reasons. The purpose of probation is to alert students to problem areas and to assist in overcoming these difficulties. Students dismissed from the University for any of these reasons may not reapply for admission until a full academic year has passed.

Academic Probation: Students will be placed on Academic Probation if their GPA falls below a 2.0 for the semester, regardless of how many units were taken during the semester. (See section "Academic Probation")

Financial Aid Probation: In addition to remaining off Academic Probation, students must complete 67% (2/3) of the courses for which they enroll in order to show Satisfactory Academic Progress and remain eligible for federal, state, or institutional aid. Students who do not complete 67% (2/3) of their courses will be placed on Financial Aid Probation.

Disciplinary Probation: Students who have failed to live up to the standards and rules of the University and are being considered for dismissal will be placed on Disciplinary Probation.

Grading Information

Each instructor is responsible for determining final grades and for submitting them to the Registrar's Office. These grades then become a part of the official records of the University. Grades which appear on the student's grade report at the end of the semester are considered final unless the student identifies an error to the Registrar before six months elapse.

Grade reports will be distributed to all students by mail from the Registrar approximately four weeks after the end of the semester.

Grade Symbols

Every professor is required to submit a grade for each student registered in the course. The following grade symbols are used in reporting and recording a student's proficiency in courses:

Grade	Description	Grade Points
A	Superior	4 per unit
B	Above Average	3 per unit
C	Average	2 per unit
D	Low Pass	1 per unit
F	Failure	0 per unit
P	Pass	Not computed in GPA
R	Repeated course	
W	Withdrawal	Not computed in GPA
U	Unofficial withdrawal	Not computed in GPA
E	Conditional	Not computed in GPA
I	Incomplete	Not computed in GPA
NR	Final grade not yet reported by instructor	
CR	Credit for non-academic requirements	
NC	No credit for non-academic requirements	

Plus and minus symbols are not used to calculate GPA.

Pass/Fail Grading

Certain courses are offered only on a pass/fail basis whereby the student will receive a grade of P or F, rather than a grade of ABCDF. A limited number of courses are offered on this P/F basis, and no courses are offered with an option of either P/F or A-F grading. Courses graded only on P/F are identified in the catalog. Policies and procedures governing pass/fail grading are:

1. The grade of P is not used in computing the grade point average; F grades are included in averages.
2. A Pass grade indicates work at a "C" or better level.

Repeated Course (R)

Classes in which students receive a D+ or below may be repeated in order to improve their GPA or obtain credit for graduation. Credit will be counted only once for successful completion of the course, except for the courses designated in the catalog as allowable repeats. The original grade will remain on the student's academic record with the notation "R," but will not be included in the computation of the grade point average.

A student receiving a final grade of a D(+, -) or an F in a course can obtain credit by reregistering for the course, repeating the class work, and receiving a passing grade. A failed course cannot be challenged by examination.

Repetition of a course more than once requires the approval of the VPAA, and is granted only under extraordinary circumstances.

A failed course does not have to be repeated unless the course is required for graduation.

Unofficial Withdrawal (U)

Students who fail to withdraw officially from class generally will be given an F for the class. Under certain circumstances, students may petition the Academic Committee to receive a U (Unofficial Withdrawal). A U grade does not affect the GPA but any refund is forfeited.

Withdrawal (W)

See "Dropping (Withdrawing) from a Course."

Incomplete (I)

Traditional

Students are expected to complete all course requirements during the time assigned for that course. In the rare circumstance when it is impossible to complete the course requirements on time, the student may petition to receive an incomplete ("I" grade).

Prior to the week of finals, the student must contact the instructor to request their agreement/endorsement of their petition and to establish a due date for incomplete work which may not exceed 10 weeks from the end of the course. Faculty may endorse the petition if, in their estimation, exceptional circumstances exist which warrant extended time to complete course requirements. In order to petition the University to receive an "I" grade for the course, the student and instructor must have the "Petition to Receive an Incomplete" form filled out and submitted to the Registrar's Office by the last day of instruction for the course. For prompt submission, this form may be faxed to (916) 577-2240.

It is the student's responsibility to maintain a copy of the petition so he/she is aware of the conditions. A processing fee will be added to the student's billing. If the student fails to complete the work within the time limit, the grade for the course will become an F and the student must repeat the course at their own expense.

SPS

School of Professional Studies students are expected to complete all course requirements during the time assigned for that course. The course final must be submitted by the first meeting night of the following course. The instructor will have 2 weeks to grade the final and submit the course grade.

Failure to turn in a final, or a failing grade on the course final, is an automatic "F" for the course. Any student work, other than the final, not submitted by the date the final is due will be considered a zero and the course grade will be calculated accordingly.

In the rare circumstance when it is impossible to complete the course requirements on time, the student may petition to receive an incomplete ("I" grade). The student must contact the instructor to request their agreement/endorsement of their petition and to establish a due date for incomplete work which may not exceed 5 weeks from the end of the course. Faculty may endorse the petition if, in their estimation, exceptional circumstances exist which warrant extended time to complete course requirements.

In order to petition the University to receive an "I" grade for the course, the student and instructor must have the "Petition to Receive an Incomplete" form filled out and submitted to the SPS Office by the night the final is due. The petition will be reviewed for approval by the SPS staff and Academic Office. For prompt submission, this form may be faxed to (916) 577-2330, attention SPS.

Once the petition has been either granted or denied, the Academic Office will contact the student and instructor so both are aware of the outcome. A processing fee will be added to the student's billing. If the student fails to complete the work within the time limit, the grade for the course will become an F and the student must repeat the course at their own expense.

Grade Changes

Correcting a Grade

An instructor may correct a clerical error on a grade by filing a Change of Grade form with the Registrar's Office. Requests for a grade change form should be made by the instructor directly to the Registrar's Office. The form must be received by the Registrar's Office within six months from the last day of the semester.

Appealing a Grade

After final grades have been filed in the Registrar's Office, a grade in a course may be changed only by the course instructor. Appeals must be directed first to the instructor, then to the department chair, and to the Vice President for Academic Affairs. If the request remains unresolved at any of those levels, the student may file a grade grievance petition with the Academic Committee. The deadline to file an appeal is the last day of the subsequent semester.

All instructors are encouraged to retain records of completed course work and grades for a period of one calendar year from the date of the last day of the semester. Part-time, relocating, and retiring instructors should provide these materials to their respective departments.

Academic Standing

Students are expected to maintain a grade point average of 2.0 "C" or better in their academic work at WJU in order to continue in good standing.

Dean's List

Students who complete 12 or more units in a semester and earn a GPA of 3.85 or higher are given special recognition by being placed on the Dean's List.

Honor Roll

Students who complete 12 or more units in a semester and earn a GPA of 3.50 – 3.849 are given recognition by being placed on the Honor Roll.

Academic Probation

Traditional

A student whose semester GPA falls below 2.00 will be placed on Academic Probation. Probation is a warning that studies are not of expected quality. A student on probation should plan carefully to avoid subsequent dismissal. The student should seek advice from a faculty advisor, and it is the student's responsibility to seek the advice.

A student placed on academic probation must register for no more than 12-14 unit, will be registered for an academic development course, and will be required to meet with the Success Center. Probation will be lifted if the next semester's GPA is 2.00 or higher if their cumulative WJU averages are above probation level. If cumulative WJU averages are below the disqualification level after at least two semesters at the University, students may be academically dismissed (see below).

If a student's semester GPA remains below 2.00 for two consecutive semesters, he or she is academically disqualified. "Academic dismissal" will be printed on the transcripts and the student will be required to leave the University for at least one academic year. No more than two semesters of academic probation are allowed before a student is subject to academic dismissal.

Academic Dismissal

If a student's semester GPA remains below 2.00 for two consecutive semesters, he or she is academically disqualified. "Academic dismissal" will be printed on the transcripts and the student will be required to leave the University for at least one academic year. A certified letter mailed to the last address provided by the student to the Registrar will discharge all University responsibility for notification. No more than two semesters of academic probation are allowed before a student is subject to academic dismissal.

Readmission

When one calendar year has elapsed after academic dismissal, the student may petition to re-enter and may be allowed to do so if evidence indicates positive possibility for scholastic success.

Advanced Standing

SPS

A student may be placed on academic probation as a condition of acceptance if the completion rate of courses from previous colleges is poor in the judgment of the Admissions Committee. An SPS student who does not raise his/her grade level while on academic probation within two terms will not be permitted to continue. A student whose grades are at a 2.0 GPA or better for the term will be released from academic probation.

A student whose term GPA falls below 2.00 will be placed on Academic Probation. A student on probation should plan carefully to avoid subsequent dismissal from the University. Probation is a warning that studies are not of expected quality. The student should seek advice from appropriate SPS staff. It is the student's responsibility to seek such advice. A student has one semester to bring the GPA to 2.00.

Students transferring from other colleges will be given advanced standing according to the number of transferable credits on their official transcripts and the grades earned in those courses. Prospective transfer students must submit official transcripts of their college work to the Registrar for evaluation according to the University "Credit Transfer Policy." WJU follows the American Association of Collegiate Registrars and Admissions Officers (AACRAD) guidelines for transfer of credit.

Credit Transfer Policy

WJU welcomes transfer students regardless of the number of units completed at other accredited colleges and universities. A "transfer" student is defined as a high school graduate who has then attended college following the summer of graduation. (See "Admission Criteria")

1. All courses taken at schools with regional or ABHE accreditation, meet UC or CSU transferable credit requirements, do not repeat WJU credits, and are a C- or better will be accepted in transfer during the first semester of enrollment. Units will be accordingly distributed to proper requirements. Any extra units will be allowed to affect class standing but will not apply toward degree completion. Decisions about course comparability may be referred to the appropriate department chairs.
2. Transfer credit is generally not awarded for coursework taken at institutions without regional or ABHE accreditation. Credit may be considered after students have successfully completed 24 semester units in residence at WJU. Consideration of such transfer credit may require:
 - students to provide catalog descriptions and/or course plans for the classes that could transfer,
 - evaluation and approval from the respective department chairs, or
 - other appropriate means of validating the credits previously earned. The amount of transfer credit will be decided on a course-by-course basis and only awarded upon verification of the educational integrity of both the individual course and the institution from which the course was taken.
3. Verification of educational integrity for courses and/or degrees completed at a college or university outside the United States must come from an appropriately recognized international educational evaluation source, such as IERF (International Education Research Foundation). A list of acceptable international evaluation services can be obtained from the Registrar's office. The cost of such verification will be borne by the student.
4. Students who have been out of college for an extended period of time may have to retake some coursework at the discretion of the Vice President for Academic Affairs.
5. A maximum of 50% of requirements for a major may be allowed in transfer.
6. A student may transfer a total of 96 units toward their degree.
7. A maximum of 70 units may be transferred from a community college. CLEP, DANES, AP and IB units are included in this count.
8. All credit from community colleges will be transferred as lower division credit. A class taken at a community college or a lower-division class from a four-year school may fulfill the requirement for the major, but will not count as upper-division credit toward graduation requirements. (The total number of upper division units required for a bachelor degree is 36.)
9. Students may appeal for re-consideration of evaluation first to their advisor, then to the Registrar. Final decisions about the awarding of transfer credit rest with the Vice President for Academic Affairs.
10. A maximum of 4 units of Physical Education activity classes and 8 units of applied lesson classes (such as painting, voice lessons, etc.) can be counted toward a students' General Education Electives.

WJU will accept the IGETC (Intersegmental General Education Transfer Curriculum) Policy for fulfillment of all lower division General Education requirements. The IGETC is a 37-39 unit general education program by which California community college students may fulfill all lower division general education requirements when transferring to the CSU/UC system. Transfer students must complete all IGETC requirements before they enroll at WJU in order to receive the benefit of this policy. Credit awarded will not exceed the number of units on their IGETC certification. Students are encouraged to follow this program when considering transfer to WJU. Students who have not received certification of completion by the time of enrollment will follow the WJU Foundational Studies program.

SPS Waived Courses

All 48 major program units must be taken at William Jessup University. None will be waived because students have taken similar courses elsewhere. Courses taken at other colleges may be used for General Education or free elective credit as applicable.

Conversion of Quarter Units to Semester Units

Classes at WJU are offered on the semester system, which consists of fifteen weeks of instruction and one week of finals.

In terms of the amount of course work required for the degree, the Quarter System and the Semester System are essentially the same. Students in both systems will take the same number of course hours in order to graduate; however, one is measured in quarter units and one in semester units. One (1) semester unit is equivalent to one and one-half (1½) quarter units of credit. One (1) quarter unit is equivalent to two-thirds (2/3) of a semester unit. To convert semester units to quarter units, multiply semester units by 1.5 to get the quarter unit equivalent. Quarter units are already converted to semester units on all WJU documents.

Alternative Educational Experience Options

Credit by Examination

William Jessup University recognizes the College Level Examination Program (CLEP), DANTES, and the United States Armed Forces Institutes (USAFI) as means of earning college credit. Students may submit scores on examinations taken through these programs to the Academic Office for evaluation.

A maximum of 16 units may be awarded for CLEP and/or DANTES examinations.

Advanced Placement/ International Baccalaureate Exams

William Jessup University grants college credit for Advanced Placement and higher level International Baccalaureate exams. Students who complete special advanced placement courses and who present scores of three or higher (3, 4, or 5) for the AP exams or five or higher (5, 6, or 7) on the higher level IB exams to the Registrar's Office may receive credit for general education courses. If a student takes a college course for which test credit has already been received, the student forfeits the AP/IB credit. A maximum of 30 units can be awarded for all forms of advanced credit (AP, IB).

Military Training

Military training will be treated as college credit earned at another college or university and transferred to William Jessup University. The amount of credit accepted will be based on the recommendations published by the American Council on Education. The student requesting transfer of credit must submit the appropriate military records specifying exactly what training was received. To receive this credit requires the submission of a DD Form 295 and DD Form 214.

SPS Optional Ways of Earning Credit

William Jessup University recognizes that valid college-level learning can take place in many arenas other than the classroom. Adults returning to finish a degree often have developed a level of expertise in several areas that equal or exceed that which is taught to traditional students. Therefore, the University accepts credit earned through several optional methods.

Some students need to earn additional credits beyond the formal educational credits they bring to the School of Professional Studies to complete the requirements for a Bachelor of Science degree. During the admission process, the SPS staff will identify additional courses needed for graduation and help prepare a plan for earning this credit by formal, nonformal or informal approaches to learning. A maximum of 30 units may be earned through Nontraditional credit options. This limit does not apply to military units.

Study Abroad

With prior approval from the Academic Office, students may earn credit for study abroad. Students must meet with an academic supervisor and develop an individual contract for their learning, including assignments to be completed for credit. Students must enroll for the units specified and complete all requirements before receiving credit. These units may be applied to general education, the major, and/or internship, depending on the focus of study and with approval from the Academic Office.

WJU participates in the Study Abroad programs of the Council for Christian Colleges and Universities; a higher education association of more than 150 intentionally Christ-centered institutions around the world. The Council's mission is to advance the cause of Christ-centered higher education and to help its institutions transform lives by faithfully relating scholarship and service to biblical truth.

- Uganda Studies Program

Graduation Requirements

To ensure completion of all requirements for graduation, students at William Jessup University should make graduation plans during the first semester of their junior year. These plans are based upon the University catalog of the year in which they entered. Deviations from programs or adjustments for students transferring from other colleges must be cleared by the Registrar. Students who have made graduation plans should have them thoroughly checked by their academic advisors.

All those who seek a degree from WJU must fulfill the University's general education requirements, either by transfer credit or by courses taken in residency. All course requirements must be completed by the last day of final examinations of the candidate's final semester. All grades, including those for make-up of incompletes, and all transcripts of work attempted at other institutions must be on file in the Registrar's Office before the degree will be conferred.

All students must satisfy the current scholarship requirement. No degree, diploma, or certificate may be granted to a candidate unless all general core and department requirements have been fulfilled. If awarded in error or upon fraudulent claims which are discovered later, the degree, diploma, or certificate is immediately revoked.

Minimum Credits for Graduation

Candidates for graduation must accumulate a minimum of 128 semester units according to the prescribed courses for the Bachelor of Arts or Bachelor of Science degree, 64 semester units for the Associate of Arts or Associate of Science degree, and 25-34 units for a Ministry Certificate. All those who seek a degree from WJU must fulfill the University's general education requirements, either by transfer credit or by courses taken in residency. A maximum of 70 credits from a community college, AP, CLEP, DANTES, and IB may apply toward a bachelor degree. The total number of upper division units required for a bachelor degree is 36. All CLEP, DANTES, and CPL units must be completed by December 31 to be eligible for the commencement ceremony in May. Post-Bacc units = 30.

Academic Requirements for Graduation

In order to graduate, a student shall have a minimum cumulative grade point average of 2.00 for the total of all college-level credit attempted at William Jessup University. Specific degree program requirements must be met, including appropriate internship requirements, 36 upper division units, and a cultural studies course.

Resident Credit

Resident credit means any course which is satisfactorily completed at WJU, except credit earned by special examination or correspondence courses. A minimum of 32 units must be completed in residency to receive a degree or diploma from WJU, and a candidate for graduation must complete the 24 of the last 30 semester units in uninterrupted resident credit. The last 6 units may be taken elsewhere in the last semester.

On Line Course Limits

A maximum of 25% (32 units) may be taken by an on line delivery system. This includes courses taken through a WJU approved on line system, any WJU courses taken at a distance through electronically mediated delivery, as well as courses transferred from on-line institutions or designated as on line by residential institutions.

Post-Residency Graduation

Students who have fulfilled the degree residence requirements may seek permission to complete final requirements at other regionally accredited colleges or universities by petitioning to graduate "post-residency." A maximum of 6 of the last 30 units of resident credit may be completed post-residency. Approval to graduate post-residency must be requested in advance. Major or minor course substitutions are to be pre-approved by the appropriate academic departments and GE courses must be pre-approved by the Registrar's Office. Approval for post-residency graduation will hold catalog requirements for one year. Students may petition for post-residency graduation through the Registrar's office.

Chapel Requirements

Regular Chapel attendance is required for all traditional full-time students desiring to receive a degree or certificate at WJU. Students are required to have chapel credit for every term in which they are enrolled full-time at WJU. See the Student Handbook for attendance and appeals policies and procedures.

Spiritual Formation Group Requirements

Traditional students must attain SFG credit for one half (1/2) of the time they are enrolled full-time at WJU. See the Student Handbook for attendance and appeals policies and procedures.

Service & Outreach Requirements

Service hours are required for traditional full-time students desiring to receive a degree or certificate at WJU. To receive a semester of Service credit, a student must serve in an approved ministry for a minimum of thirty hours during the semester, or be enrolled in a designated service learning course. Students are required to attain Service credit for one half (1/2) of the time they are enrolled full-time at WJU. See the Student Handbook for attendance and appeals policies and procedures.

Application for Graduation

Candidates for graduation must file an application with the Registrar by the given deadline per conferral date. Upon obtaining the application, the student lists all remaining degree requirements, obtains the required approvals, and returns the application to the Registrar's Office. The graduation petition fee will be added to the student's account when the application has been processed. Students filing a completed application with the Registrar after the deadline will be charged an additional late fee of \$75.00. Graduation applications will not be accepted less than one month before conferral. A candidate who fails to graduate on the selected date is required to file a new application for graduation and pay a reapplication fee.

Candidates are cautioned to examine their academic records for accuracy and to verify completion of Service and chapel requirements prior to submitting their Application for Graduation (see sections "Service" and "Spiritual Formation"). In addition, candidates for graduation from WJU must satisfy the faculty as to their fitness for Christian ministry. Students may be disqualified from graduation for inappropriate moral, physical, or social behavior. For more information, a student should contact his/her academic advisor.

All CLEP, DANTES, and CPL units must be completed by December 31 to be eligible for the commencement ceremony in May. All financial obligations must be fulfilled prior to graduation. A student may participate in the commencement ceremony with a maximum of six (6) outstanding units. If these units are not completed in the summer term following commencement, then the student must re-apply for graduation.

All financial obligations must be fulfilled prior to graduation. A student may participate in the commencement ceremony with a maximum of six (6) outstanding units. If these units are not completed in the summer term following commencement, then the student must re-apply for graduation.

Conferring Degrees

Degrees are conferred three times a year – in August, December, and May – at the close of summer, fall and spring terms. The date of the diploma reflects that session during which the degree requirements were completed. One commencement ceremony is held each academic year at the close of the spring semester. Students who have completed all requirements at any time during the previous year are eligible to participate.

In order to maintain the integrity of honors granted, diplomas will be mailed after all grades are received for the semester of graduation.

If the original diploma is destroyed, a duplicate may be ordered by contacting the Registrar's Office. There is a fee for the replacement diploma. The new diploma will have a reissuing date as well as bearing the signatures of the current officials.

Academic Honors at Graduation

Latin Honors for graduation will be based on a student's entire academic history from all accredited institutions.

Summa cum laude	3.85 to 4.00 GPA
Magna cum laude	3.70 to 3.849 GPA
Cum laude	3.50 to 3.699 GPA

Certificates, Second Bachelor Degrees, and Post-Baccalaureate Certificates are only eligible for "with distinction." Transfer students, including SPS students, who have achieved at least a 3.75 GPA on their WJU credits, exclusive of their transfer GPA, may graduate "with distinction."

Expenses

Tuition and Fees

Costs at WJU are significantly lower than those at comparable private institutions, due in part to the gifts of many individuals and churches who provide a large percentage of the operating costs for the University. Contact the Admission Office for WJU's current tuition package and fee schedule, including residence costs. The current tuition and fee schedule can be found on our website at www.jessup.edu.

Deferred Payments

All charges for a semester are considered due and payable in full upon execution of the student's semester contract at registration. Students who are unable to pay the contract balance in full at registration may request to be allowed to pay a minimum of one-third of the balance due plus a deferred payment fee with a completed Deferred Payment Program Application at registration and follow the Deferred Payment Program schedule to pay the remaining balance.

Institutional Refund Policies

Tuition and Fees: Students who must withdraw from a class or classes during the semester may receive a refund of a percentage of the semester's tuition and fees charges. To receive a refund, students must submit a completed drop card to the Registrar (See "Drop or Withdraw from a Course"). The date of withdrawal for refund purposes is determined by the date the Registrar receives the completed drop card. Refunds indicated are percentages of total tuition charges, not of amounts paid to date of withdrawal. The student may be required to pay unpaid charges.

If financial aid programs have paid money on a student's account, a different refund policy may be required and refund distribution will be made following the prescribed regulations issued by the federal government. The regulations and formulas governing such refunds may be examined in the Financial Aid Office.

Residence Costs

All unmarried Traditional students under 22 years of age are required to live in University housing unless they live with family members. Older students may live in University housing if rooms are available. All campus residents must buy a semester meal plan for the cafeteria, included in the room and board charges.

Room and board charges will be included in each semester contract. With special approval, students taking fewer than six units or not enrolled at WJU may live in campus housing, if space is available. However, such residents may be charged a higher room and board rate. Overnight guests may stay in University housing only upon approval of the Residence Hall Director. A special fee is charged to overnight guests per person per night. Guests may not remain more than one week.

New and continuing students who plan to live in University housing should reserve their rooms at least four weeks before the beginning of the semester. Housing Applications are available upon request from the Admissions Office (for new students) or the Student Life Office (for returning students).

Residence Refund Schedule

Residents who move out of campus housing before the end of the semester may be entitled to a refund of room and board charges. The refund amount will be pro-rated, based on the date that residents vacate their room and are cleared through the Residence Life staff.

Student Meal Plans

WJU has a cafe and food services for students that are reasonably priced. WJU requires all students living on campus to purchase a meal plan (included in their room and board fee). Students living in the traditional residence halls participate in a full meal plan (19 meals/week); Students living in WJU apartments participate in a \$500 declining balance meal plan, per semester.

Meals for commuting students and guests may be purchased in the cafeteria on a cash basis. Commuting students may also prepay for any amount of meals through the Bookstore (credit is placed on Student ID card). Students who prepay for meals receive a 10% discount on meal costs.

Meal service is provided during the Fall and Spring semesters; however some holidays, such as Thanksgiving, Christmas, and Spring break, may not be included. The University reserves the right to make minor cost-of-living adjustments in cafeteria prices during the school year.

Medical Insurance Requirement

All Traditional students, domestic and international, taking 6 units or more, are automatically enrolled in William Jessup University's student medical insurance program and charged accordingly. Health Insurance costs are listed on the tuition and fees worksheet.

A student can choose to waive out of the medical insurance program if they have private insurance coverage. Students may complete the insurance waiver online on the WJU web page under Student Life. Current Student Health Insurance waiver deadlines can be found on the WJU web page under Student Life. The charge is non-refundable.

If you have any questions about the waiver, please contact the Student Life Office at (916) 577-2321 or email studentlife@jessup.edu.

Athletic Insurance/Participation Fee

An Athletic Insurance/Participation Fee will be charged to all students eligible to participate in the University's Intercollegiate Athletic Programs. This fee is mandatory and cannot be waived with proof of insurance. Athletes are required to pay the full amount before participating in any practice or team activity. This is an annual fee and is not prorated.

Financial Aid

Financial Aid - Traditional Undergraduate Program

We believe that your education is an investment in your future and our goal is to assist you in any way possible with the cost of that investment. Therefore, William Jessup University participates in federal, state and institutional programs designed to help you fill the gap between the cost of your education and your ability to pay.

Application Procedures and Deadlines

Students are required to apply for financial aid each year to qualify for federal, state and need-based institutional money. The Free Application for Federal Student Aid (FAFSA) must be completed to determine eligibility for federal grants, loans, state aid and need-based institutional aid. If a student does not wish to utilize any funds from these categories, please notify the Financial Aid Office that you are waiving your right to file the FAFSA. In addition to the FAFSA application, certain institutional awards will require additional applications specific to those awards.

Federal Deadline: A student may apply for federal funds at any time during the year by filling out the FAFSA (see additional details in State Deadlines below). However, payment of your charges is required before enrollment, so it is encouraged to apply early so your eligibility can be factored into your total outstanding charges.

State Deadline (for Cal Grants): Students must submit the FAFSA (or the renewal FAFSA for continuing students) and the GPA Verification Form postmarked on or before the March 2 deadline in order to be considered for Cal Grant for the following year.

Institutional Priority Deadline: The priority deadline for institutional aid is May 1 for enrollment in the Fall Semester and December 1 for enrollment in the Spring Semester. Institutional aid funds are limited by availability. If funds run out, late applicants may not be eligible for institutional aid.

The following is a simple explanation of how to apply for financial aid at William Jessup University:

1. Complete the FAFSA at www.fafsa.ed.gov. WJU's school code is 001281.
2. A Student Aid Report (SAR) will be mailed to you in around 4 weeks. The SAR is a report of all the information you reported on the FAFSA and provides you with your Estimated Family Contribution (EFC). When you receive your SAR, check for any corrections that need to be made. Your FAFSA information is sent electronically to WJU.
3. Upon your acceptance to WJU, you may receive a letter from the Financial Aid Office requesting additional documents for a process known as verification. Some students will be selected by the Department of Education to have their FAFSA information double-checked for accuracy by the Financial Aid Office.
4. Complete all admissions requirements. You must be granted admission before you can receive an official financial aid offer.
5. You can expect to receive a Financial Aid Offer Letter within 2-3 weeks of being accepted AND completing the verification process (if applicable). Review the letter, accept the aid you would like to receive, sign the letter and return one copy to the Financial Aid Office.
6. If you indicate you will be taking out a student loan, you will need to complete Entrance Loan Counseling, select a lender and fill out a Master Promissory Note (MPN). These can all be done online under the Student Loans section of the Financial Aid website. If a parent is interested in taking out a Parent PLUS loan, please speak with your financial aid counselor.

The Financial Aid Section of the WJU website (www.jessup.edu/financial-aid) is full of additional information which you may find helpful in your journey. Please feel free to reference it at any time. If you have any further questions, please do not hesitate to email us at finaid@jessup.edu or call at 916.577.2233.

In order to qualify for federal and state aid programs, an eligible student must:

1. Be a U.S. citizen, U.S. permanent resident or eligible non-citizen.
2. Be enrolled as a regular student in a degree program. The student must complete requirements for a degree within 150% of the normal time allotted for that degree (e.g. six years to complete a four year bachelor's program).
3. Have a high school diploma, GED, certificate of completion of a state approved home school program, two years of college course work which are completely transferrable to a Bachelor's degree or have passed a federally approved Ability to Benefit test with the last twelve months.
4. Be enrolled for at least six units to qualify for state aid and student loans. The student must be enrolled for at least three units to qualify for federal grants and institutional aid. If units are dropped during the semester, the amount of financial aid awarded is subject to change.
5. Not be currently in default on a prior student loan or owe money to a Federal Student Aid program.

Federal Aid

Pell Grant: This federal grant, based on financial need, is available only to students working toward their first Bachelor's degree. Awards range from \$400 to \$4,310.

Federal Supplemental Educational Opportunity Grant (FSEOG): This is a federal grant for students with exceptional need. Student must have received a Pell Grant to be eligible for any FSEOG funds.

Academic Competitiveness Grant (ACG): This is a federal grant available to any student who also qualifies for a Pell Grant. ACG eligibility is based on the academic rigor of a students' high school curriculum as calculated by the Admissions Office.

Federal Stafford Loan: This federal student loan program provides low interest loans from eligible banks to help pay educational expenses for students who attend at least half time (six units). Loans vary in amount based upon each student's grade level and dependency status. Students may be eligible for a Subsidized Stafford Loan, in which the government pays the interest on the loan while students are in school and during the grace period, and/or an Unsubsidized Stafford Loan, for which the student is responsible for paying the interest either during or after school. Repayment on Stafford Loans begins six months after a student graduates, drops below half-time or withdraws from school.

Federal PLUS Loan (Parent Loan for Undergraduate Students): This federal loan program provides loans at low interest rates to parents of eligible students (the student must still be 'Dependent' according to the FAFSA). There are three repayment options:

1. Immediate repayment of loan principal and interest within sixty days of the full disbursement of the loan
2. Interest only payments while the student remains in school
3. Deferment of all payments until the student graduates or drops out of school (interest accumulates and is added to the principal of the loan)

Federal Work Study (FWS): This program enables Pell eligible students to earn a portion of their financial aid award through federally subsidized employment through WJU. Work study jobs are available both on and off campus.

Veteran's Educational Benefits & Vocational Rehabilitation Benefits: William Jessup University is approved for coordination of both of these programs. Specific documentation will need to be provided by the student and it is the student's responsibility to notify the Financial Aid Office of eligibility in either program.

State Aid

Cal Grant A: This grant, awarded by the State of California, is based on California residency, GPA and financial need. Students must submit the FAFSA and a GPA Verification Form by March 2 in order to be considered for Cal Grant. If you are home-schooled and a WASC accredited school cannot certify your high-school GPA, you can use your GED or ACT/SAT scores. The California Student Aid Commission will use your test score for Cal Grant consideration purposes.

Cal Grant B & Cal Grant B Access: This state grant is available for California residents only from low-income, disadvantaged backgrounds who have high potential and demonstrate financial need. In the first year of college, a student would receive an Access Grant only – \$1,551 for books and living expenses. The Financial Aid Office will apply the Access Grant to a student's charges at WJU each year unless a written request is submitted to the Financial Aid Office requesting the money be disbursed directly to the student. In subsequent years, the award will consist of the normal Cal Grant amount plus the Access Grant (disbursement policy for the Access Grant applies each year).

California Chafee Grant: This state grant is available for foster youth, and former foster youth to use for career training and/or college courses. To qualify, you must be eligible, or have been eligible, for Independent Living Program (ILP) Services between your 16th and 18th birthdays and have not reached your 22nd birthday by July of the award year. More information and a supplemental application can be found on the California Student Aid Commission website – www.csac.ed.gov.

Institutional Aid

WJU offers various tuition scholarships, grants and awards to new and returning students in the traditional program only. Currently there are no Institutional Scholarships available to students in the School of Professional Studies. Application information can be requested from the Financial Aid Office or viewed on our website at www.jessup.edu/financial-aid/institutional-aid. Note that some grants require a specific application. Application for all institutional aid must be made by the priority deadline of May 1 unless otherwise specified in the following information.

The following are available to all traditional WJU students. Please note that institutional aid may be coordinated to create a package of up to 50% of tuition for commuter students and up to 100% of tuition for students living on campus.

Academic Scholarships: William Jessup University offers academic scholarships to entering first-time freshmen and transfer students who meet the set minimum academic criteria. These scholarship awards are based on the academic GPA from official transcripts calculated at the time of admission to the University. A student's college GPA will be used if the student has graduated from high school and completed at least 24 semester or 36 quarter units of academically solid college courses. Otherwise, a combination of the student's college and high school GPA, as well as SAT/ACT scores will be used to determine the award. In this case, the transfer dollar amount will be the amount awarded.

First-time Freshman Academic Scholarships

WJU Scholar Award

This award is offered to one first-time freshman entering the traditional undergraduate program on the basis of academic achievement and a response to an essay question. Applicants must meet minimum eligibility requirements to be considered for this award. The supplemental application can be found on the WJU web site under financial aid. Continuing Students: Students who initially enroll at WJU and do not qualify for Academic Scholarships can eventually qualify, or re-qualify, with sustained excellent academic achievement, for either the University Scholar II or Academic Dean's II scholarships. A continuing student who does not already have an Academic Scholarship at WJU can, after a minimum of two semesters of full time coursework at WJU, qualify for an academic scholarship using the criteria for 'transfer students with 24 or more transferable credits' (Table II). In addition, a student who initially enrolls at WJU and receives the University Scholarship can receive the Academic Dean's scholarship in the same manner. The GPA evaluations to determine eligibility for these scholarships are only conducted at the end of the spring semester of each year. These GPA evaluations and newly qualified academic scholarships are only awarded during the fall semester for the year. Once awarded, these academic scholarships are renewable as long as the student maintains a 3.0 cumulative GPA. Refer to the transfer credit table to determine how many semesters the student is eligible to receive their academic award. Use the amount of degree applicable credits they have at the time they achieved the qualifying GPA.

Other Institutional awards

The following is a list of other institutional awards for which a student may qualify or apply. These awards are for students enrolled in the Traditional Program only. For a complete description of each award, as well as award-specific applications, please see the Institutional Aid section of the Financial Aid website - www.jessup.edu/financial-aid/institutional-aid.

Athletic Grant: Students competing in our intercollegiate sports may be eligible to receive an Athletic Award. These awards are given at the discretion of the Athletic Director on a yearly basis, and the amounts of the awards vary.

Access Scholarship: This scholarship is available to provide an opportunity for eligible students to attend WJU for the same cost as attending any University of California campus. If a student is admitted to any UC campus, WJU will match the cost of tuition, room and board at that campus. The University of California is not affiliated with and does not endorse or support the WJU Access Scholarship.

Bayside Intern Grant: Available to ministry interns at Bayside Church of Granite Bay only, this \$8,000 scholarship shows the commitment between Bayside and WJU to enhance ministry through education. Qualifying students must meet Bayside's intern requirements and be recommended in writing by the Bayside pastor in charge of the program. The Ministry Worker Grant application must also be completed as part of the criteria to receive the scholarship (see below).

Church Partnership Grant: These grants are available to all students who are members of churches that financially support William Jessup University. The Church Partnership Grant Application form must be filled out by a pastor (at the supporting church) who knows the applicant well. These grants are limited to \$1000 for the school year and must be applied for each year. Funds are limited. Early application is recommended.

Community College Grant: This \$2,000 grant (\$1,000/semester; tuition only) is offered to incoming community college transfer students (last school of attendance) entering the Traditional Program who have completed at least 24 transferrable semester units at the time of acceptance, with a minimum 2.0 GPA. The grant is renewable as long as the student maintains satisfactory academic progress as defined in the WJU catalog. The student must be enrolled full time at WJU in order to receive the full amount. No application is necessary.

Department Scholarship: First-time freshmen and transfers entering the Traditional Undergraduate Program who declare a major may be eligible to compete for a Department Scholarship. Eligible students will be contacted around March 1 to answer an essay question. From the essay responses, candidates for the award will be

selected to attend a special, invitation only on-campus event where a personal interview with department faculty will be conducted. The amounts for and number of recipients for each grant will be contingent upon the applicant pool.

Diversity Grant: These grants are competitive and based on financial need, academic achievement, and demonstrated leadership and vision through multiculturalism. To be eligible to apply, a student must meet the minimum eligibility requirements for an academic scholarship. Students must complete an essay response and submit the Free Application for Federal Student Aid (FAFSA) by April 1. If selected, the recipient must live on campus and be active with multicultural educational activities on campus. The amount of the grant is up to \$4,000 (dispersed evenly per semester) and is renewable each year if the student maintains a WJU GPA of 3.0. Notifications by May 15.

Endowment Scholarship: Returning students may be awarded (based on faculty recommendation) privately funded scholarships based on criteria designated by the donors. These scholarships are awarded at the end of each academic year for the following year. No application is necessary unless noted.

Ministry Worker Grant: WJU offers this grant to students who are involved in full-time, paid ministry, or who are the unmarried dependent of someone who is involved in full-time paid ministry. Examples of full-time, paid ministry include: employees of a church, missionary organization, Christian school, para-church or other non-profit organization that focuses on spreading the gospel of Christ. Students must complete an essay response, submit proof of full-time paid ministry status (i.e. a letter from employer or copy of pay stub) and must have submitted the Free Application for Federal Student Aid (FAFSA). This grant is \$3,000 (\$1,500/semester) and is renewable each year if the student provides proof of continued full-time employment in paid ministry and maintains a WJU GPA of 2.0. Applications must be submitted by May 1 for the following Fall term. Students who miss the Fall deadline will be allowed to apply for a Spring term award by December 1, if funds are available.

Music Grant: Students who excel in musical talent and ability may audition with the Music Department Chair for this grant. The amounts of the awards vary. This grant is renewable each year at the discretion of the Music Department.

Sibling Scholarship: In an effort to recognize the commitment of a family to educate two or more children at the same time, William Jessup University has created the Sibling Scholarship. For each semester that two siblings are concurrently enrolled in the traditional program at WJU, each student shall automatically receive a \$1,000 scholarship (maximum \$2,000, per student, per year). As soon as one student is no longer enrolled, the scholarship no longer applies to either student.

Young Life Scholarship: This \$1,000 scholarship (\$500/semester) is offered students who are recognized by Young Life Leadership for Christian character, commitment to Young Life service and demonstrated leadership potential. Students must apply for admission by April 1 (postmark date) and sign and submit the Young Life certificate by June 1. Full-time status (12+ units) is required maintain full-time status each semester of attendance and the student may not stop out for more than one pre-approved semester leave of absence.

Satisfactory Academic Progress Policy

In order to be eligible for federal, state, or institutional aid, students must make satisfactory academic progress according to the University's policy. This policy requires a student to have a cumulative GPA of at least 2.00 and to successfully complete a minimum of 67% (2/3) of classes in which the student has enrolled.

All students will be reviewed for compliance with the satisfactory academic progress policy at the end of their first year at WJU and thereafter at the end of every Spring Semester. Students who have not met the requirements for satisfactory academic progress will be notified and placed on financial aid probation. Financial aid probation is ineligibility for federal, state, and institutional aid, including scholarships, grants, and student loans.

Students who are placed on financial aid probation may be granted an extension of financial aid based on the appeal process described below if extenuating circumstances occur such as medical problems, family emergencies, a death in the family, or special circumstances as determined by the institution.

Students on financial aid probation may appeal to the Financial Aid Committee for reinstatement of financial aid by completing the Financial Aid Probation Appeal Form, available in the Financial Aid Office. A student who continues unsatisfactory academic progress must appeal for financial aid on a semester basis, for a maximum of two semesters. Financial aid may or may not be reinstated at the discretion of the Financial Aid Committee. After receiving the second semester of financial aid on appeal, a student may not receive financial aid again until achieving satisfactory progress.

Policies Regarding Outside Aid

Students are encouraged to investigate other sources of financial assistance, including churches, employers, corporations, internet scholarship searches, and other organizations. Lists of available internet scholarship searches may be obtained from the Financial Aid section of the WJU website (www.jessup.edu/financial-aid).

Students who receive financial aid are required to report to the Financial Aid Office all resources known or expected to be available to them for the year (e.g. church assistance). Failure to report these resources may result in delay in receiving funds, cancellation of awards, or the reversal of funds already received.

All institutional aid is subject to coordination with federal, state, and all other aid sources. Availability of all aid is subject to federal, state, institutional, and private funding.

Financial Aid - School of Professional Studies (SPS)

Financial Aid in the School of Professional Studies (SPS) is structured to coincide with the flexibility a student needs to succeed. Classes begin every 5 weeks and Financial Aid is available for any student beginning at any point during each term (Fall, Spring & Summer).

There are typically 3 courses per term and each course is typically 3 units. Therefore a student will normally be enrolled in 9 units per term – considered $\frac{3}{4}$ time by federal standards. Students enrolled in at least 6 units per term are eligible for all types of federal and state aid, while students enrolled in less than 6 units per term are only eligible for a Federal Pell Grant (if they qualify). There is currently no Institutional Aid available for students in the SPS program.

Financial aid deadlines in the SPS program are specific for the start date of each cohort. A student is required to have a valid FAFSA submitted before registration, or else full payment will be due at registration. For specific deadlines, please contact the Financial Aid Office or your individual financial aid counselor.

All students in the SPS program are considered $\frac{3}{4}$ time students and aid is awarded accordingly. Having a course requirement waived, skipping a course or failing a course may have substantial impact on aid eligibility. Please see your financial aid counselor immediately if any of the above apply to you.

To be considered for the Cal Grant (see below), a FAFSA and a GPA Verification Form need to be submitted by March 2 for Fall enrollment or September 2 for Spring enrollment.

Application Procedures and Deadlines

1. Complete the FAFSA at www.fafsa.ed.gov. WJU's school code is 001281.
2. A Student Aid Report (SAR) will be mailed to you in around 4 weeks. The SAR is a report of all the information you reported on the FAFSA and provides you with your Estimated Family Contribution (EFC). When you receive your SAR, check for any corrections that need to be made. Your FAFSA information is sent electronically to WJU.
3. Upon your acceptance to WJU, you may receive a letter from the Financial Aid Office requesting additional documents for a process known as verification. Some students will be selected by the Department of Education to have their FAFSA information double-checked for accuracy by the Financial Aid Office.
4. Complete all admissions requirements. You must be granted admission before you can receive an official financial aid offer.
5. You can expect to receive a Financial Aid Offer Letter within 2-3 weeks of being accepted and completing the verification process (if applicable). Review the letter, accept the aid you would like to receive, sign the letter and return one-copy to the Financial Aid Office.
6. If you indicate you will be taking out a student loan, you will need to complete Entrance Loan Counseling, select a lender and fill out a Master Promissory Note (MPN). These can all be done online under the Student Loans section of the Financial Aid website. If a parent is interested in taking out a Parent PLUS loan, please speak with your financial aid counselor.

The Financial Aid Section of the WJU website (www.jessup.edu/financial-aid) is full of additional information which you may find helpful in your journey. Please feel free to reference it at any time. If you have any further questions, please do not hesitate to email us at finaid@jessup.edu or call at 916.577.2233.

In order to qualify for federal and state aid programs, an eligible student must:

1. Be a U.S. citizen, U.S. permanent resident or eligible non-citizen.
2. Be enrolled as a regular student in a degree program. The student must complete requirements for a degree within 150% of the normal time allotted for that degree (e.g. six years to complete a four year bachelor's program).
3. Have a high school diploma, GED, certificate of completion of a state approved home school program, two years of college course work which are completely transferrable to a Bachelor's degree or have passed a federally approved Ability to Benefit test with the last twelve months.
4. Be enrolled for at least six units to qualify for state aid and student loans. The student must be enrolled for at least three units to qualify for federal grants and institutional aid. If units are dropped during the semester, the amount of financial aid awarded is subject to change.
5. Not be currently in default on a prior student loan or owe money to a Federal Student Aid program.

Federal Aid

To apply for federal and state aid programs, students must submit the Free Application for Federal Student Aid (FAFSA). These programs are:

Pell Grant: This federal grant, based on financial need, is available only to students working toward their first Bachelor's degree. Awards range from \$400 to \$4,310.

Federal Supplemental Educational Opportunity Grant (FSEOG): This is a federal grant for students with exceptional need. Student must have received a Pell Grant to be eligible for any FSEOG funds.

Federal Stafford Loan: This federal student loan program provides low interest loans from eligible banks to help pay educational expenses for students who attend at least half time (six units). Repayment on Stafford Loans begins six months after a student graduates, drops below half-time or withdraws from school.

Federal PLUS Loan (Parent Loan for Undergraduate Students): This federal loan program provides loans at low interest rates to parents of eligible students (the student must still be 'Dependent' according to the FAFSA). There are three repayment options:

1. Immediate repayment of loan principal and interest within sixty days of the full disbursement of the loan
2. Interest only payments while the student remains in school
3. Deferment of all payments until the student graduates or drops out of school (interest accumulates and is added to the principal of the loan)

Federal Work Study (FWS): This program enables Pell eligible students to earn a portion of their financial aid award through federally subsidized employment through WJU. Work study jobs are available both on and off campus.

Veteran's Educational Benefits & Vocational Rehabilitation Benefits: William Jessup University is approved for coordination of both of these programs. Specific documentation will need to be provided by the student and it is the student's responsibility to notify the Financial Aid Office of eligibility in either program.

State Aid

Cal Grant A: This grant, awarded by the State of California, is based on California residency, GPA and financial need. Students must submit the FAFSA and a GPA Verification Form by March 2 in order to be considered for Cal Grant. If you are home-schooled and a WASC accredited school cannot certify your high-school GPA, you can use your GED or ACT/SAT scores. The California Student Aid Commission will use your test score for Cal Grant consideration purposes.

Cal Grant B & Cal Grant B Access: This state grant is available for California residents only from low-income, disadvantaged backgrounds who have high potential and demonstrate financial need. In the first year of college, a student would receive an Access Grant only – \$1,551 for books and living expenses. The Financial Aid Office will apply the Access Grant to a student's charges at WJU each year unless a written request is submitted to the Financial Aid Office requesting the money be disbursed directly to the student. In subsequent years, the award will consist of the normal Cal Grant amount plus the Access Grant (disbursement policy for the Access Grant applies each year).

Other Sources of Financial Aid

Students are encouraged to investigate other sources of financial assistance, including churches, employers, corporations, Internet scholarship searches and other organizations. Lists of available internet scholarship searches may be obtained from the Financial Aid section of the WJU website (www.jessup.edu/financial-aid).

Students who receive private assistance are required to report to the Financial Aid Office the amount of all resources known or expected to be available for the year. Failure to report these resources may result in delay in receiving funds, cancellation of awards, or the reversal of funds already received.

Satisfactory Academic Progress Policy for Financial Aid

In order to be eligible for federal, state or institutional aid, students must make satisfactory academic progress (SAP) according to the University's policy. This policy requires a student to have a cumulative GPA of at least 2.00 and to successfully complete a minimum of 67% (2/3) of classes in which the student has enrolled.

All students will be reviewed for compliance with the SAP policy at the end of their first FAFSA year at WJU and thereafter at the end of every FAFSA year. Students who have not met the requirement for SAP will be notified and placed on financial aid probation. Financial aid probation results in a student being ineligible for federal, state and institutional aid - including scholarships, grants and student loans.

Students who are placed on financial aid probation may be granted an extension of financial aid based on the appeal process described below if extenuating circumstances occur such as medical problems, family emergencies, a death in the family, or other circumstances as determined by the institution.

Students on financial aid probation may appeal to the Financial Aid Committee for reinstatement of financial aid eligibility by completing the Financial Aid Probation Appeal Form, available in the Financial Office or on the Financial Aid website. A student who continues unsatisfactory academic progress must appeal for financial aid on a semester or period of enrollment basis, for a maximum of two semesters. Financial aid may or may not be reinstated at the discretion of the Financial Aid Committee. After receiving the second semester of financial aid on appeal, a student may not receive financial aid again until achieving satisfactory progress.

Course Descriptions

Traditional Program

Course Numbering System

000-099

Developmental courses designed to prepare a student for college-level work and do not count towards graduation.

100-299

Lower division courses designed primarily for freshmen and sophomores.

300-499

Upper division courses designed primarily for juniors and seniors.

500-599

Graduate level courses designed primarily for graduates who desire a teaching credential.

1000-1999

Continuing Education Units do not apply toward college units or a degree program.

In general, the first digit of the course number indicates the year level at which it is recommended that the course be taken (1=freshman, 2=sophomore, 3=junior, 4=senior, 5=post-baccalaureate, 0=remedial). Lower division courses are to be completed before upper division courses may be taken.

Explanation of Course Notation

The course number is followed by the semester hours of credit earned upon successful completion of the course. The title of the course is listed below the course number. Special studies courses numbered 199, 299, 399 and 499 are offered if needed and if a professor is available.

School of Professional Studies

The School of Professional Studies (SPS) is a nontraditional program. It serves to meet the needs of working adults who have worked full-time for at least two years, and have a minimum of 30 transferable semester units of college level coursework. These individuals typically work full-time and are interested in completing a four-year college degree in the evening while continuing to work.

Students with less than 60 transferable semester units of college level coursework will begin their studies in the Bridge Program, which allows them to take general elective and free electives needed for entrance into their major course of study. Once students have obtained 60 units by means of transfer or direct credit with the University they may enter the major component of their program. Bridge courses are designed on an open enrollment basis while major courses have both an open enrollment and cohort structure.

This program's innovative format allows students to complete their Bachelor of Science degree with a major in Christian Leadership, Counseling Psychology, or Business Administration in as little as 19 months. Major Cohorts begin several times throughout the year and classes meet one night per week on a year-round basis. This bachelor's degree is designed to apply closely to the student's career goals and to equip students to be more effective leaders in their chosen fields.

In addition, SPS offers a Post-Baccalaureate, Teaching credential. This one year program prepares students for their multiple subject preliminary teaching credential upon completion of our California Commission on Teaching Credential approved program designed to help meet the subject matter competence.

The School of Professional Studies operates in two locations:

Greater Sacramento Area Campus:

333 Sunset Blvd., Rocklin, CA. 95765
888-883-4226 or 916-577-2336
lamrein@jessup.edu

San Jose Campus:

1190 Saratoga Avenue, Suite 210,
San Jose, CA 95129
800-205-6100 or 408-278-4346
carnett@jessup.edu

How the School of Professional Studies Works

The classes meet one night a week with classes of 12-20 adults. Within the major, the meeting night will generally remain the same for the entire program and students will continue with the same core group of students as a cohort. Bridge classes also meet once per week, usually on Monday evenings. Each class works like a seminar, with an experienced professor facilitating a practical exchange of experiences and ideas to raise the level of learning from the texts assignments. The focus is on application and use of the learning in new ways. Courses are taught one at a time. Impressive faculty with Master's or Doctorate degrees, and significant leadership, professional and/or ministry experience bring a wealth of real-world relevance to the classroom.

Academic counseling is provided by SPS staff as needed. The curriculum reflects current adult learning principles. For added convenience, textbooks and all required materials are delivered to students. The curriculum of each major links theory to practice. One can apply lessons from the classroom to the workplace the following day. Additional college credit may be earned for demonstrating learning accomplished outside the classroom, including technical training, work experiences, military training, seminars, and informal learning (Credit for Prior Learning). Contact SPS staff to pursue credit for demonstrated learning.

University Student Learning Outcomes

WJU desires that its students will exemplify servant leadership in Church and society through the integration of faith, learning, and critical thought in the arenas of Christian literacy, spiritual formation, communication, systematic inquiry, sociocultural perspective, aesthetic responsiveness, and personal and professional stewardship.

The WJU graduate will:

- Exemplify Christian literacy through applied biblical knowledge, a theological foundation, and a Christian worldview.
- Engage in a life of Christian discipleship that integrates faith, character, and service.
- Demonstrate competence and effectiveness in written expression, oral communication, and multimedia literacy.
- Utilize systematic inquiry in mathematical and scientific thought, critical analysis of data and argument, and information literacy.
- Achieve an informed sensitivity to the variety of human experience through the study of human culture, society, history and behavior.
- Demonstrate an appreciation with discernment of various forms of artistic expression.
- Demonstrate ethical and professional excellence in chosen fields of service

Courses

The curriculum is not a collection of independent courses, but a unified set of modular courses that build upon each other to provide a cohesive learning experience.

Faculty

Faculty members who teach in the School of Professional Studies are highly qualified with graduate degrees, significant ministry, leadership and professional experience. Every faculty member holds a Master's degree or higher, and some are full-time William Jessup University faculty. All faculty participate in training regarding the special needs of adult students, making each course an exciting and valuable learning experience.

School of Professional Studies

Bachelor of Science Course Requirements

The School of Professional Studies offers Bachelor of Science degrees in Christian Leadership, Counseling Psychology, or Business Administration. Each of these degrees requires a minimum of 128 semester units. Each degree is built upon a three-part structure aimed at integrating prior academic and occupational choices, with program emphases on vocation, ministry, character, and lifestyle.

The purpose of the General Education units is to demonstrate a broad range of knowledge, which provides the base for a well-educated citizen. These courses should be completed before starting the major. The academic program is set for each major and follows a prescribed sequence. The sequence for each major is listed in the following pages. Students admitted to the School of Professional Studies with less than 60 applicable units may take classes in the Bridge program.

Bachelor of Science Christian Leadership

Christian Leadership Learning Outcomes

The Christian Leadership major provides students with the tools necessary to be effective leaders as Christians in non-profit, for profit, or public contexts. Individuals seeking this major will benefit from career focused instruction in the area of relational skills, leadership capabilities, and training needed to perform necessary functions in any organization. Students will be given the opportunity to explore the Scriptures and foundational truth to further their knowledge and ability to interpret critically and apply Scripture to their own life. Many students who choose this major find it foundational to the pursuit of full-time Christian ministry in various vocations. Coursework in this major provides a strong biblical foundation for personal relationships and interaction; leadership in the attainment of goals and establishing priorities; understanding the culture in which students live and work; and continued development of skills necessary to lead effectively. This major equips students to continue the pursuit of their education as a life-long experience after receiving their degree.

After completing this major, students should be able to:

- Demonstrate critical thinking and interpretative skills
- Demonstrate an understanding of leadership theory and praxis
- Demonstrate the New Testament construct of "servant-leadership"
- Demonstrate effective oral and written communication

Christian Leadership majors are required to take Introduction to Psychology and Developmental Psychology as prerequisites to the major.

Bachelor of Science Counseling Psychology

Counseling Psychology Learning Outcomes

The mission of the counseling psychology major is to develop an individual's capacity for work in the helping professions in both secular and sacred settings. The program prepares Christians to lead individuals/groups to wholeness – body, soul, and spirit – using methods that are scripturally based, culturally sensitive, and clinically sound. Some will apply this degree to work within a mental health setting or utilize the relational skills gained in this program in a wide range of careers, including business, human services, and church\parachurch ministry. The major provides foundational studies in preparation for graduate school in the helping professions. Graduates who seek advanced education typically choose studies in psychology, counseling or social work.

After completing this major, students should be able to:

- Integrate their faith and knowledge of scripture with the study of human needs
- Apply basic theoretical perspectives in psychology
- Demonstrate critical thinking and interpretative skills
- Demonstrate fundamental competence in research
- Demonstrate effective oral and written communication with both individuals and groups
- Demonstrate an ability to interview, assess, develop treatment plans, carry out interventions, and evaluate progress in helping relationships, utilizing community resources appropriately and effectively as part of the helping process
- Demonstrate self-awareness, recognizing personal strengths, growth areas, and limitations

Counseling Psychology majors are required to take Introduction to Psychology and Developmental Psychology as prerequisites to the major.

Teacher Education Post-Baccalaureate Certificate

With Recommendation for
California Preliminary Multiple Subject Credential

WJU and the School of Professional Studies offer a teacher education program leading to careers in public, private and charter school systems. It is the goal of the department to prepare teachers by encouraging character development and demanding ethical behavior to meet the needs of the people teaching in schools throughout the world. The SPS offering of the multiple subject credential is taught in an accelerated format with classes meeting just one night a week. The 30 unit program is just one year in length.

The multiple subject credential program is designed with a core of Christian values. The degree in Liberal Studies features strong curriculum in Bible and theology. Preparation for teaching includes completion of the California Commission on Teacher Credentialing approved program designed to help meet subject matter competence. The individual obtaining a multiple subject credential is authorized to teach all subjects in kindergarten through grade twelve in self-contained classes.

Students seeking a single subject credential must satisfy subject matter competence requirements by passing the appropriate state examination(s) and coursework. Please contact the teacher education office for details.

Graduates from the program are well-equipped, highly-principled individuals who understand diversity as a strength and who provide for individual differences in order to help their students prepare for a diverse and rapidly changing world. The faculty members in the Teacher Education program maintain high standards and expectations for themselves and the students who wish to serve in building a better world by entering the teaching profession.

Please contact the School of Professional Studies office for admission information and requirements, which will include certificate of clearance (fingerprinting), CPR certification (adult, child, infant, and Tuberculosis clearance).

Graduates from the program will demonstrate the ability to:

1. Educate others with clarity and compassion
2. Assess student learning
3. Engage and support student learning
4. Plan instruction and design learning experiences for students in K-12 self-contained classrooms
5. Create and maintain effective environments for student learning
6. Develop as a professional educator
7. Demonstrate necessary subject matter comprehension to teach the California State Framework
8. Meet all of the requirements to be recommended for California Preliminary Multiple Subject Teaching Credential

The credential program offered by William Jessup University is a state-approved program subject to revision by state or federal law. Therefore, this program requires completion of specific benchmark assessments in addition to the successful completion of WJU coursework. Please consult the School of Professional Studies office for specific current requirements. Current law requires all candidates for a California teaching credential to successfully complete the following examinations, preparation for some of which WJU has incorporated into our program:

CBEST	California Basic Educational Skills Test (must be taken and passed before beginning program)
CSET I01	Reading, Language and Literature, History and Social Science (must be taken and passed before beginning student teaching)
CSET I02	Science, Mathematics (must be taken and passed before beginning student teaching)
CSET I03	Physical Education, Human Development, Visual and Performing Arts (must be taken and passed before beginning student teaching)
RICA	Reading Instruction Competence Assessment (incorporated into program)

Course Numbering System

000-099

Developmental courses designed to prepare a student for college-level work and do not count towards graduation.

100-299

Lower division courses designed primarily for freshmen and sophomores.

300-499

Upper division courses designed primarily for juniors and seniors.

500-599

Graduate level courses designed primarily for graduates who desire a teaching credential.

1000-1999

Continuing Education Units do not apply toward college units or a degree program.

All _99 numbers are reserved for Special Studies topics.

In general, the first digit of the course number indicates the year level at which it is recommended that the course be taken (1=freshman, 2=sophomore, 3=junior, 4=senior, 5=post-baccalaureate, 0=remedial).

Explanation of Course Notation

The course number is followed by the semester hours of credit earned upon successful completion of the course. The title of the course is listed below the course number. Special studies courses numbered 199, 299, 399 and 499 are offered if needed and if a professor is available.

B

BIBL303XL

New Testament Literature

This course introduces the student to the literary genres, historical background, cultural settings and major theological themes of the New Testament documents. Emphasis will be on understanding the purpose, approach and argument of each New Testament book/letter within the first century setting of the early church.

BIBL304XL

Old Testament Literature

Establishes the foundational strands, evident throughout Scripture, of God's revelation of His character and plans and of His view of human nature. This introduction to the literature of the Old Testament and the history of the Jewish people through the post-Exilic period will emphasize the relevance of the revelation for today.

BIBL349XL 3 units

The Art of Interpretation

Provides an understanding of how the Bible came to be and introduces the basic principles and skills required to interpret it accurately. Emphasizes an understanding and application of Scripture to today's world. The skills developed will then be related to reading critically other subject materials.

C

CD352XL 3 units

Christian Perspective

Challenges students to consider how general revelation (creation) and special revelation (the Scriptures) of God affects every aspect of life. Each student will be encouraged to develop a truly Christian world view and understand and critique competing world views.

CD352TE 3 units

Christian Perspective

This course will include an examination of the Christian worldview and the interaction between Christianity and various contemporary worldviews. Students will analyze and critique a variety of worldview paradigms, including modernism and postmodernism. Students will be encouraged to develop a distinctly Christian worldview to apply to all aspects of life, particularly to a personal philosophy of education.

Executive Administrators

(Dates in parentheses indicate start of service with WJU.)

Paul Blezien

(2004) Vice President for Student Development

University of Wisconsin, BS, 1980; Ball State University, MA, 1985; Azusa Pacific University, Ed.D, 2004.

Paul sees the students at WJU as a sacred trust from their families and from God and he strives to be a faithful steward of that sacred trust. He is committed to providing the leadership necessary to foster a genuine Christian learning community at WJU. Combining out of class experiences in worship, outreach, discipleship, athletics, social activities, and leadership with the excellent classroom instruction at WJU helps students discern the call God has upon their life while simultaneously preparing them to respond to that calling.

Prior to joining the administration of WJU, Paul served in a variety of leadership positions at Northwestern College in Orange City, Iowa and the University of Wisconsin System. He also serves as an adjunct instructor in graduate programs at Geneva College in Beaver Falls, PA and Azusa Pacific University in Azusa, CA. He has been a member of The Association for Christians in Student Development (ACSD) and currently sits on the Executive Committee of that organization.

Gene De Young

(2003), Vice President for Finance and Administration (2004)

Azusa Pacific University, BA, 1982; California State University, Sacramento, MBA, 1993; CIMA.

Gene comes to WJU following 20 years in the private and public business sectors. He has held partner positions in both retail and real estate development entities as well as consulted in the financial services sector. Gene also served as an adjunct faculty member in the College of Business Administration at California State University, Sacramento.

Rhonda Capron

(2004) Business (2005); Interim Vice-President for Academic Affairs (2010)

Shippensburg University, BS, 1981; University of New Mexico, MBA, 1996.

Rhonda confirmed her passion for teaching after first being an adjunct instructor in the WJU School of Professional Studies. She soon left her business career to dedicate her time and energy to teaching at William Jessup University. Rhonda's focus is to prepare students to be Christ-centered business leaders.

Prior to joining the faculty at WJU, Rhonda was a Vice President for Support Services at Oracle Corporation. She has 20+ years of business experience, working for both the public and private sector, which she incorporates into the classroom. Her focus has been technology solutions and planning.

Administrators

Sam Heinrich

(2005) Director, School of Professional Studies(2007)

John Brown University, BS-Business Administration/Accounting, 1982; University of Colorado, MBA-Finance, 1991.

Sam brings a dynamic background to the SPS program including 20 years in private industry as the former President of EPA, Ltd dba Provco, a national utility services contractor. He also served as a former bank executive in both Colorado and northern California. Sam began his career in higher education as an adjunct instructor focusing on classes offered in the Management major in 2005 and was asked to come on board as Director in 2007. Sam's success and experience in industry is instrumental in leading SPS to operational effectiveness. In the classroom his real life experiences helps to accomplish the SPS objective of providing practical instruction to students that they can apply in their lives the next day. Sam most enjoys seeing the student transformation process as they grow in their knowledge and faith.

Faculty

The faculty at WJU are committed to God, the mission of the University, academic excellence, and our students. Excellence in teaching and personal interaction with the students are the two main priorities of the faculty. The student-teacher ratio at WJU is 12:1, which allows professors the opportunity to know their students on a personal level. Interaction with students outside of the classroom is not something that just happens to occur, but is purposefully initiated and enjoyed.

Full-Time Faculty

Professors

Les Christie

(1993) Chair, Youth Ministry

Pacific Christian College, BS, 1971; Fuller Theological Seminary, MA, 1974; Trinity International University, D.Min., 2002.

Les has been in youth ministry for 40+ years, serving at Eastside Christian Church in Fullerton, CA for 22 years. He has spoken in 48 states, 13 foreign countries, and at more than twenty-five Christian colleges, seminaries and universities. Les has lead seminars at the Youth Specialties National Youth Workers Convention every year since 1980. He has been a member of Youth Specialties Resource Seminar (CORE) for 11 years and is a team member for "Understanding Your Teenager" leading parenting seminars all over the country. He also teaches at Western Seminary, Sacramento campus.

Les has had over 150 articles printed in national magazines. He has written 15 books (*What If...?*, *Have You Ever...?*, *Unfinished Sentences* and *Best Ever Games For Youth Ministry*, and *Awaken Your Creativity*) and co-authored an additional 10 books. He is listed in *Who's Who in Religion* (1992), *Who's Who in America* (1992), and *Who's Who Among American Teachers* (2002 and 2004).

Marilyn Copland

(1997) Old Testament (1999)

San Francisco State University, BA, 1968; MA, 1973; Institute Holy Land Studies (Israel), MA, 1982; University of California at Berkeley, Ph.D., 1992.

Marilyn Copland really "digs" what she does—literally. As an archaeologist, she has spent a lot of time in Israel excavating at archaeological sites and gaining a different perspective on the world of the Bible and the land where Jesus lived. She brings to her teaching of Old Testament, archaeology, and Hebrew the excitement of discovering "buried treasures" in God's Word and their relevance for Christian life and ministry today.

Marilyn taught at several colleges, universities and seminaries before coming to William Jessup University. She has written articles for magazines and journals and co-authored a book, *Hindsight Tour Guide*. She appeared on the Day of Discovery television series on Revelation and has spoken at retreats across the U.S. She was named to the *Who's Who Among American Teachers* (2002).

Julius (Rex) Gurney III

(2003) History; Chair, General Education Program

University of New Mexico, BA, 1979; Golden Gate Baptist Theological Seminary, M.Div., 1987; Union Theological Seminary - Virginia, Ph.D., 1999.

Rex has a passion for teaching history because learning about the past can help our understanding of the present. Who we are as Christians living in the 21st century has been molded by the understanding of "the ways of God and Man" of those who have journeyed on this earth before us. For the Christian, an appreciation of the rich tapestry of history – both secular history and Church history – is an invaluable tool for self-understanding. Being able to articulate who one is and why – a process aided by the study of history – is an important part of the journey of self-discovery.

Prior to joining the faculty of WJU, Rex pastored for nine years in Oakland and San Jose, CA. He has also spent several years on the mission field in both Colombia and Ecuador, taught high school overseas and in the States, and directed Golden Gate Baptist's Hispanic Seminary Extension in San Francisco.

Portia Hopkins

(1994) Chair, English

San Jose State University, BA, 1984; MA, 1989; California Institute of Integral Studies, Ph.D., 2007.

Portia loves to read, loves to write, and loves to share these passions with others. "All truth is God's truth" is the motto of her program, so she emphasizes helping students find meaning and personal application in both their writing and reading coursework. Portia is also interested in reflective writing as a meta-cognitive discipline, as well as writing style and literature each in connection with personality.

Portia began teaching English to college students at San Jose State University in 1988. There she was awarded the Mara Steffey Award for Outstanding Graduate Student in 1989, and the Best Thesis in the School of Arts and Humanities in 1990.

Kay Llovio

(1985) Chair, Family and Children's Ministry; Accreditation Liaison Officer

San Jose Bible College, BS, 1985; San Jose State University, MLS, 1987; University of San Francisco, Ed.D, 1998.

Kay is passionate about Christian higher education and the transformation which takes place in students' lives.

Kay works collaboratively with faculty and others on campus to develop and implement an overall university plan for demonstrating educational effectiveness. Llovio also serves as Professor and Chair of the Family & Children's Ministry program, a role she has held for fifteen years. She has previously served WJU as VPAA, Associate Academic Dean and Library Director, providing academic leadership in the transition from Bible college to Christian liberal arts. Llovio has been published in the Christian Education Journal, High Plains Applied Anthropologist, and the Evangelical Dictionary of Christian Education. She was named Outstanding Doctoral Student in the Organization & Leadership program in 1998 for her cutting edge research on spirituality in leadership.

Kenneth Logan

(2004) Psychology

California State University, Sacramento, BA, 1991; MA, 1995; California School of Professional Psychology, Psy.D., 2001; Licensed Clinical Psychologist

Ken's primary academic and clinical interests center around the effects of spiritual formation and character development on health and wellbeing. His graduate research focused on measuring Christian styles of belief and the effects of confession on psychological and physiological health.

Ken brings 12 years of academic and clinical experience to William Jessup University. He earned his doctorate at the California School of Professional Psychology, instructs full-time as an Associate Professor of Psychology at William Jessup University, part-time as an Assistant Professor at Western Seminary, and maintains a part-time clinical practice in Sacramento. His areas of clinical expertise and specialization include marriage therapy, parent-child interaction therapy, and Christian spiritual formation. He is a frequent presenter at churches and retreats.

Jon McFarland
(1987) Chair, Bible and Theology
Pacific Christian College, BS, 1968; Lincoln Christian Seminary, M. Div., 1972.

It is the fulfillment of a long-time goal to now be training others for service and ministry at WJU. Jon brings to this task a love for people and the preaching and teaching of the word.

Jon came to William Jessup University with fifteen years of local ministry experience. Six of those years were in Southern California, where Jon taught extension classes for Pacific Christian College. For the other nine, Jon was in Northwest Arkansas. During his ministry in Rogers, Arkansas, Jon worked with the Northwest Arkansas Hospice group caring for the critically and terminally ill. He also served on the Hospice Board for a number of years and on the boards for various area minister's alliances, men's fellowships, Christian camps, and the board of directors for Christ on Campus. Jon is a member of the Society of Biblical Literature, the learned association of Bible/theology teachers.

Roger Salstrom
(1999) Chair, Business (2003)
Purdue University, BSAE 1971; Indiana University, MBA, 1973; University of California, Ph.D., 1989.

Roger believes that God must direct our lives 24 hours a day seven days a week. Too often God and ethics are removed from the everyday decisions made in businesses and often Christians are not visibly different from others. His focus is on how to incorporate Biblical values into the business environment so Christians can use the workplace to be an effective evangelistic environment.

Prior to joining the faculty in 2003, Roger taught in the Organization and Management Department at San Jose State University for 14 years. In addition, he has over 13 years experience working for major corporations in management. He brings to the classroom practical experience and theory, as well as the perspective of analyzing business decisions from a Biblical point of view integrating faith with business.

Elizabeth Stanley
(1996) Music
California State University at Hayward, BA, 1978; Single Subject Teaching Credential, Music, 1980; MA, 1983; Boston University.

In the church Elizabeth has served in a variety of ministry positions, including her work as a Worship Leader, Music and Worship Director, Children's Choir Director, and deaconess. Elizabeth brings to William Jessup University an enthusiasm and a love of her students.

Elizabeth has been involved in Music Education at both the secondary and college level since 1980, having taught choral and vocal music in several local school districts and at Patten University in Oakland, CA. Elizabeth has also been active in solo, ensemble and choral performances with Bay Area choruses and opera companies. She has enjoyed serving as an adjudicator

for ACSI competitions and for other solo, ensemble, and choral festivals. Elizabeth has also presented seminars on vocal technique and enjoys leading worship in conference and retreat settings.

Beverly Wiens

(1981) Chair, Psychology

Bakersfield College, AA, 1967; San Jose State College, BA, 1969; MA, 1970; Santa Clara University, MA, 1992; Northern California Graduate University, Ph.D., 2001; Licensed M.F.T.

Bev believes that God has designed us to live in intimate relationship with one another and with Him, and that our human intimacies are a rehearsal for intimacy with God. Licensed as a Marriage and Family Therapist, her passion centers around the study of human attachments and their correlations with attachment to God. This study was the focus of her dissertation.

Prior to joining the faculty at William Jessup University, Bev taught in the Family Life Science department at West Valley College and in the Child Development departments at San Jose City College and San Jose State University. In addition to her work at WJU, she is an adjunct faculty member in the Marriage & Family Therapy Master's program at Western Seminary, Sacramento and San Jose campuses. She brings to her teaching, rich experience in a variety of educational settings, as well as a keen appreciation for her freedom here at WJU to integrate her faith with the study of psychology.

Associate Professors

Eric Bull

(2007) Director, Teacher Education

San Jose State University, BA, 1978; MA, 1984; Curtin University (Perth, Australia), SciEdD

A public school educator for over 25 years, Eric relishes teachable moments that engage adults and children in the wonder of learning something new. He is a true collaborator who seeks community among colleagues and challenges of finding intersections that draw unlikely candidates to find common ground. He has published and presented in workshops and conferences throughout the US. He and his wife Michelle have three children and are hosting a foreign exchange student.

Prior to his position at WJU, Eric was an assistant professor of science education at Sacramento State University. He is a founding board member of RAFT (Resource Area For Teaching).

Rhonda Capron

(2004) Business (2005)

Shippensburg University, BS, 1981; University of New Mexico, MBA, 1996.

Rhonda confirmed her passion for teaching after first being an adjunct instructor in the WJU School of Professional Studies. She soon left her business career to dedicate her time and energy to teaching at William Jessup University. Rhonda's focus is to prepare students to be Christ-centered business leaders.

Prior to joining the faculty at WJU, Rhonda was a Vice President for Support Services at Oracle Corporation. She has 20+ years of business experience, working for both the public and private sector, which she incorporates into the classroom. Her focus has been technology solutions and planning.

Sharon (Sherry) Forkum

Teacher Education (2004) English (2005)

California Baptist University, BA, 1973; United States International University, MA, 1990; Capella University, Ph.D., 2008.

Passionate about God's love and the importance of expressing such love, Sherry believes the written word is paramount to spreading His love. Teaching the tools for effective, academic writing is an important part of her mission. The focus of her dissertation was The Millennial Milieu and instructional strategies that best fit the learning needs of the Millennial Generation. This is a continued area of great interest for her as she teaches and ministers to William Jessup University students. She is a principal consultant for Advanced Knowledge Consulting, providing presentations about Generational Differences and Millennials throughout the United States.

In addition to teaching at WJU, Sherry has been a professor at Sierra College and Hawai'i Community College, and is a published author of children's books. She has also taught all levels of education, Kindergarten through 12th grade, and fifth year program students in teacher credential programs. Sherry is also passionate about teacher education. Over the past 30 years, she has been a master teacher for 20 student teachers from various universities, and mentored interns for the State of California. Active in the California Association for the Gifted, Sherry is a grant reader for the State of California and yearly presenter at the State Conference.

Glen Gibson

Chair, Intercultural Studies (2008)

Pacific Christian College, BA, 1983; Hope International University, MA, 1992; Fuller Theological Seminary, MA, 1997; Fuller Theological Seminary, Ph.D, 2004.

Through his young adult years God developed within Glen a passion for the lost and a love for other cultures that eventually led to him serving in cross-cultural ministry for most of his adult life. His desire, as a faculty member at William Jessup University, is to inspire and equip others to give their life to sharing the good news of Jesus Christ with the unreached people of the world. He is excited about how the liberal arts educational focus at WJU enables him to integrate the preparation for cross-cultural life and ministry with equipping students for a wide variety of professions available through the degree offerings at the university.

Before coming to WJU, Glen served for four years as a youth minister at his home church in the Los Angeles area, lived and ministered for seventeen years as a missionary in the Philippines, and led the Training Department at Team Expansion, a mission agency with a world-wide focus, for five years. During his time at Team Expansion, Glen also served as a Vice-President of the organization and as a Field Coordinator encouraging and overseeing several teams of field missionaries. In addition, he is an adjunct faculty member in the Graduate School at Hope International University, a husband, and a father of three wonderful daughters.

Alice Mills

(2004) English

University of California, Irvine, BA, 1992; and MFA, 1996.

Alice believes that everyone has a voice worth developing in service of the callings God has placed on our lives. As a writer and a teacher of writing, Alice seeks to inspire students to discover their unique testimonies as well as learn to critically evaluate the world around them.

Alice has thirteen years of cumulative experience, teaching English and Composition at a variety of colleges, universities and high schools, public and private, including the University of California, Irvine; Western Kentucky University; Campbellsville University; and Lindsey Wilson College. She is also published in various professional publications, including poetry journals.

Sosamma Samuel-Burnett

(2006) Chair, Public Policy

Georgetown University School of Foreign Service, BSFS, 1991; University of Minnesota Law School, JD, 1997.

Sosamma believes Christians can impact our society and its complex issues in profound and positive ways. This belief prompted her to propose WJU's Public Policy Degree program to prepare future Christian leaders. She hopes the Public Policy Degree Program will inspire students to serve God through public service to the community.

Prior to joining the faculty at WJU, Sosamma served as a consultant to the WJU Academic Department and served as an Advisory Member to Advancement in facilitating the outreach and fundraising efforts for the campus move to Rocklin from San Jose. Most of her previous career, Sosamma served as an international lawyer focusing on global human rights concerns. She has worked with a number of policy and advocacy groups at the local, national, and international levels, including the United Nations. She also has conducted first of their kind policy studies and advocacy conferences in the U.S. and in Latin America on issues such as: global child survival, sexual slavery, economic/social rights, conflict resolution, housing, education, race and poverty.

Assistant Professors

James Crain

(1971) Bible (2005)

San Jose Bible College, BA, 1966; Western Conservative Baptist Seminary, M.Div., 1970.

Jim likens himself to the farmer in Christ's Parable of the Sower who broadcast his seed into as much fertile soil as he possibly could in the allotted time he was given. After three decades of implanting God's Word into the hearts and minds of students, he has witnessed the crop of thirty, sixty and a hundred-fold promised by Christ. In recent years he has enjoyed teaching the children of his earliest pupils.

Jim joined the full-time faculty in 1971 after five years in youth ministry at Central Christian Church in Portland, Oregon. For seven years he was Professor of Practical Ministries, teaching courses in youth work, Bible and theology and homiletics. From 1978 until 2005 he was adjunct professor. During that time he founded a radio and concert ministry in the south Bay Area (1978 - 1985) and served as Senior Pastor of Green Valley Christian Church in San Jose (1985 - 2005).

Tim Gillespie

Director of Teacher Education & Field Experience (2007) Director, Teacher Education (2010)

San Jose State University, BA, 1975; University of San Francisco, MA, 1982.

As an educator and administrator, Tim has demonstrated his skills as a county program specialist, district director, school site principal and community college supervisor. In addition, he has taught at both the high school and university levels. His vocational and personal interests have led him to participate on multi-agency committees, school and church boards, and in various community volunteer capacities. He and his wife, Patti, have two children (Kelli and Ryan).

Tim's California education credentials include: Administrative Services, Community College Supervisor, and Teaching. Prior to joining WJU Tim was an administrator in the Campbell Union High School District and the Eureka Union School District, a supervisor for the West Valley - Mission Community College District and a Program Specialist with the Placer County Office of Education. In addition, he taught in the Campbell Union High School District and the Roseville Joint Union High School District.

Nathan Herzog

(2004) Liberal Studies (2005)

Point Loma Nazarene University, BA, 1999; National University, MA, 2002; Capella University, Ph.D., 2010.

Today, more than ever, teachers are taking the role of a parent. Because of this, Nathan feels it is important for him to instill parental responsibilities into WJU's teacher candidates. Coming from a family of eleven children with a large number of close-knit extended relatives, you can imagine he has many "real-life" situations to share in the classroom. Nathan is excited to be a part of what God is doing at WJU and specifically in the Credentials with Character program as it is designed to further develop characteristics helping students grow spiritually, intellectually, and academically.

Before starting as an adjunct instructor at WJU, Nathan taught for seven years in various public and private classroom settings at the senior and junior high levels.

He has been a high school soccer coach, Science Department head, and Health Academy instructor in past years. He is also a state certified scorer and trainer for the Teaching Performance Assessments (TPA's) and has been published for his research on animal behavior.

Fritz Moga

(2004) Youth Ministry

San Jose State University, BS, 1979; San Jose Christian College, BS, 1990; Hope International University, MA, 2001.

Fritz has dedicated his life to serving God by teaching and caring for teenagers. After eighteen years as a Youth Pastor it was an exciting and natural step to move into teaching Youth Ministry at William Jessup University. His passion is to train up the next generation of youth leaders that will carry on ministry to teenagers both locally and globally.

Fritz's first teaching position was as a Physical Education instructor and Athletic Director at Valley Christian Junior High School in San Jose. Following that experience Fritz served as a Youth Pastor in San Jose for almost eighteen years. He has vast experience in teaching, leadership, music, camping and missions programming. Prior to joining the faculty, Fritz spent four years as WJU's Director of Campus Ministries overseeing the chapels, small groups, and Christian service programs.

Kevin Pischke

Library Director (2007)

Multnomah Bible College, BS, 1999; Dallas Theological Seminary, MA, 2004; University of North Texas, MS, 2005.

As the Library Director, Kevin is responsible for the overall development, policies and services in the library. He is particularly interested in information literacy and the role libraries play in the development of these skills for lifelong learning in the digital age. He and his wife, Dena, are the proud parents of Cooper, Paige and Zeke.

Prior to joining WJU, Kevin was the collection development librarian for California Baptist University in Riverside, CA.

Thomas Ruscica

(2003) Chair, Music (2008)

Azusa Pacific University, BA, 1992; MA, 1995.

Tom has a passion for choral music and worship in the church. He has served in music ministry in many different denominations including Assembly of God, Baptist Church of God, and Lutheran, and enjoys learning about different styles of worship. Tom also has a passion for teaching and considers equipping the ministers and worship leaders with the necessary skills a huge responsibility.

Prior to joining the faculty at William Jessup University, Tom served as worship leader and choral director at Resurrection Ministries, Shepherd of the Hills Lutheran Church, and Glendale Community Church of God. In addition to his work in the church, Tom taught music at various schools in Los Angeles, as well as at Liberty High School in Brentwood, California.

University Policies and Regulations

Notice of Nondiscriminatory Policy

William Jessup University admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the University. It does not discriminate on the basis of race, color, national and ethnic origin, age, gender, or physical handicap in the administration of its educational policies, employment practices, admissions requirements, or scholarship and loan programs. Assistance for handicapped students is available and is directed by the Success Center. Classrooms and offices are wheelchair accessible. Arrangements for students with other special needs may be coordinated by the Student Life Committee to enable them to complete their programs. Inquiries regarding compliance may be directed to the President of the University, 333 Sunset Blvd., Rocklin, CA 95765.

Student Tuition Recovery Fund

California law requires that, upon enrollment, a fee be assessed in relation to the cost of tuition (Education Code Section 94343). These fees support the Student Tuition Recovery Fund (STRF), a special fund established by the California Legislature to reimburse students who are California residents and who might otherwise experience a financial loss as a result of untimely school closure. Institutional participation is mandatory.

It is important that students keep a copy of any enrollment agreement, contract, or application to document enrollment; tuition receipts or cancelled checks to document the total amount of tuition paid; and records which will show the percentage of the course which has been completed. Such records would substantiate a claim for reimbursement from the STRF, which, to be considered, must be filed within 60 days following school closure. For further information or instructions, contact: Bureau for Private Postsecondary and Vocational Education, 1027 Tenth Street, Fourth Floor, Sacramento, CA 95814-3517.

Student Right-To-Know

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the Registrar written requests that identify the record(s) they wish to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. They should write the Registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by William Jessup University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202-4605.

WJU reserves the right to refuse students to inspect the following records:

1. Their parents' financial statements.
2. Letters of recommendation that are a part of the admissions file. Once students are admitted, all letters of recommendation will be destroyed.
3. Records connected with an application to attend WJU or a component of WJU if that application was denied.
4. Those records which are excluded from the FERPA definition of education records.

Directory Information

William Jessup University designates the following items as Directory Information: student's name, parent's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended, and photograph. Students who do not want their directory information to be disclosed must make a written request to the Registrar during registration. If such action is chosen, WJU will not be allowed to announce any awards received, include students name and degrees earned in the graduation program, nor release any information to potential employers, graduate schools, or seminaries. WJU will be allowed to release directory information for students who do not waive their right to disclosure in writing.

Policies on the Retention of Student Records

All student records are clearly, and safely maintained, with transcripts held in fire proof, lockable cabinets. Student records are handled in accordance with governmental regulations regarding privacy. These records, kept in computer storage, are only accessible with proper security clearances and are regularly backed up securely according to industry best practices. Duplicate copies of all transcripts are kept in a fire-safe storage area apart from the building where the originals are stored. Although there is certainly no anticipation of William Jessup University closing, if such an event were to occur there is a WASC accredited sister-institution which could become the custodian of records.

Student Grievance Procedure

Every student has access to a formal grievance process if so needed. In the event that a student has a specific concern about a policy of the University, the student is encouraged to communicate the concern in writing to the Vice President for Academic Affairs (for academic matters) or the Vice President for Student Development (for co-curricular matters). The Vice President will act to bring formal resolution to the stated grievance either by addressing the issue directly, or, if necessary referring the issue to the Registrar or Associate Dean of Students, as appropriate. If satisfaction is not achieved, a student may appeal directly to the President.

Drug Free Workplace

The Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires all schools receiving federal funding of any kind (i.e. College Work Study, Pell Grants, FSEOG) to notify all students and employees of the following information on an annual basis:

1. The unlawful manufacture, distribution, possession, dispensation, sale, offer to sell, purchase, and/or use of a controlled substance (defined in schedules I through V of the Controlled Substances Act 21, U.S. Code 812, as amended) on the WJU campus, at its offsite locations, or at any WJU-sponsored activity is prohibited. Violation of this policy will be considered cause for dismissal.
2. WJU is required to impose sanctions, up to and including dismissal from all programs of study, on any students engaged in the abuse of alcohol or the unlawful possession, use, or distribution of illicit drugs while on the property of WJU. In addition, students involved in such illegal activity are subject to legal sanctions under local, state, and federal law.
3. The health risks associated with the use of illicit drugs and the abuse of alcohol are many. Detailed information concerning known health hazards resulting from the abuse of drugs is available in the library in the resource file entitled "Drug Free Campus."
4. Several drug and alcohol counseling, treatment, and rehabilitation programs are available. Should you or someone you know need help in dealing with a drug or alcohol problem contact:
