LETTER FROM THE PRESIDENT

Dear Graduating Class of 2023,

We are so proud of and grateful for you. I trust you have experienced the presence and promises of God in this amazing journey.

As you experience these moments, it is our prayer that you will drink deeply of the joy of this season in your life. Just as God instructed the children of Israel to establish monuments to honor His working, so WE mark this moment of accomplishment with you. May we offer three suggestions for having a God-honoring celebration?

1. Honor God as the source of your life, gifts, and opportunities. Remember that before the foundation of the world, Jesus ordained this day and by His love made it possible for you to experience His grace and gifts. He has a great future in store for you as well (Eph. 2:8-10).
2. Give thanks for your family, friends, and all who have sown into your life with their love and kindness. All of us today are standing on the shoulders of those who went before us. A heart of gratitude is a wonderful thing to cultivate.
3. Remember, you are not at the end! This is a milestone, but not the end of the journey. Jesus will continue to grow and develop you as you entrust your life to Him. He will finish what He has started in you (Philippians 1:6). Lean into His future and trust Him as you help transform the world around us.

We are delighted to be part of the story God is writing with your life. As faculty, staff, and administration, we join your family and friends in honoring your accomplishments and we continue praying for you. Thank you for walking faithfully in Christ as you glorify Him with your life.

For His Glory,

The image shows two handwritten signatures in black ink. The signature on the left is 'John Jackson' and the signature on the right is 'Pamela Jackson'. Both are written in a cursive, flowing style.

John and Pamela Jackson
President and First Lady of Jessup University

COMMENCEMENT SPEAKER - SHANNON GROVE

Senator Shannon Grove was born and raised in Kern County, California. She served in the US Army and while stationed in Frankfurt, Germany, she witnessed the fall of the Berlin Wall. Following her service to our nation, Senator Grove established a staffing company where she currently serves as the CEO.

Senator Grove is a leader in her community and amongst her peers in the legislature. After being sworn in to represent California's 16th Senate District in 2018, she was immediately elected Leader of the Senate Republican Caucus. She is the third female to serve in the to leadership post of the Senate Republican Caucus and the first female veteran elected to the California State Legislature where she served in the Assembly from 2010 to 2016.

In 2022, Senator Grove was elected to the 12th Senate District, where she continues to advocate for small business, farmers, and families. She currently lives in Kern County with her husband, Rick. They are the proud parents of five children and ten grandchildren.

As a public servant, a military veteran and a long-standing member of her home church, Senator Grove has dedicated her life to works of service in the name of the Lord. She supports churches across the state and nation and works daily to ensure we continue to have the ability to worship freely in California. She has supported and fought for the most vulnerable members of society and has made it her mission to help those that need it most.

Senator Grove stands side by side with Jessup in their mission to educate transformational leaders for the glory of God. Senator Grove follows this same mission in the legislature and in her community.

JESSUP UNIVERSITY

Today's Commencement ceremony celebrates "What God has done, how awesome His works on our behalf!" (Psalm 66:5). As we celebrate the lives of our graduates, we rejoice at the privilege to share in His work in our history, in our graduates' lives and in the future lives they impact.

William Jessup University has a rich heritage with humble beginnings dating back to the Great Depression era when Eugene Sanderson saw the need for a Bible college in the greater San Francisco Bay Area. He purchased two large houses across from what is now San Jose State University.

During the next five years, he prepared for the future by improving the property and building a chapel that served the faculty and student body for many years. In January of 1939, Sanderson asked William L. Jessup to carry on the vision and start the college. On September 19, 1939, San Jose Bible College was established with a class of just 14 students.

Over the years, the University has been served by five other presidents including Al Tiffin, Woody Phillips, Chuck Boatman, and Bryce Jessup. It was during Dr. Bryce Jessup's tenure that the school became regionally accredited by WSCUC and moved its main campus here in Rocklin in 2004, when the university's name was changed to William Jessup University.

Dr. John Jackson serves as William Jessup University's sixth president. He holds a Ph.D. in Educational Administration and Organizational Studies from the University of California at Santa Barbara. His leadership has been marked with significant growth in numbers and reputation as we have simultaneously expanded facilities and program offerings to fulfill our mission.

In the midst of today's celebration, we pause to reflect. We see God's faithful hand over eight decades. We celebrate the past, are grateful for the present, and are confidently expectant of our future. God is calling us to His future and we are leaning into His call!
