

Don Proctor

In 2007, Don and his wife Christa started City Pastors Fellowship, an informal, relational gathering of lead and senior pastors in the Sacramento region with the simple goal of building relationships and promoting unity as mentioned in Romans 15:5.

The ministry began by hosting a complimentary quarterly luncheon. Twenty pastors attended the first gathering, with approximately 200 in attendance each quarter, to reach over 750 different lead pastors throughout the past 17 years. Their ministry has provided a powerful vehicle for prayer, encouragement and greater unity among the Christian leaders in our region.

Don has been married to Christa since 1996 and the couple have four daughters. Prior to their work with City Pastors Fellowship, they pastored Impact Church for 18 years and passed the baton in November of 2017 to Dave and Donna Patterson who lead what has become The Fathers House Roseville campus.
