

# NEW STUDENT ORIENTATION

## Traditional Undergraduate Summer 2024

- 8:30** Check-In/ Hospitality | Shaw Courtyard/ Lecture Hall  
After checking in and picking up your name tag, bag, and itinerary for the day, grab some coffee, take the assessments for Session 2, and mingle with your peers.
- 9:00** Welcome & Session 1: Tools for Success Panel | Lecture Hall  
Connect with a variety of Student Success resources for a presentation, Q & A panel, and tour where impactful Jessup tools available for students will be introduced.
- 10:00** Session 2: Preparing for your Purpose | Lecture Hall  
Students, identifying specific and personal needs and goals helps inform decisions that enable you to personalize your education journey and contribute exponentially to student success. You'll walk through some tangible resources to help you prepare for your purpose during and after college. Students should complete the following evaluations before or upon arriving:  
[TruMotivate](#)  
[College Student Inventory](#) (Freshman only)  
[Clifton Strengths](#) (if you are asked for an access code: D3J7TJ4A7WX9D4FX)
- 10:00** Session 2: Understanding Student Financial Success for Parents | ACAD 102  
Parents/ Guardians, this session is for you. We'll share about the financial aid resources available, the various types of aid and how they impact your student, and how you can reframe financial aid as a tool for success.
- 11:00** Session 3: Connecting for Success | Lecture Hall  
Belonging to a community is essential to wellbeing and success. This session will focus on building some connections with others who are experiencing this transition alongside you. This session is for both students and family members and will encourage dialogue and transparency.
- 12:00** Lunch & Worship | Lecture Hall

Join our Dean of Student Life and Campus Ministries department for a devotion, some time in worship, and lunch from our campus food service, Bon Appetit.

**1:15**      **Session 4: Success from the Start with Success Coaches | Classroom breakouts below**  
Students, where do you go for help? Who do you go to when you don't know who to go to? Who helps advocate for you? How do you stay on track for graduation? What if you are having issues registering for a course? In this session, your Success Coach will help you understand their role in your experience, walk you through academic and course registration information, introduce you to peers in your same major, and help you acclimate to some resources and University lingo, such as the student portal and Canvas, to help you navigate life as a Jessup Warrior.
