Declaration of Financial Support

Congratulations on taking the first steps to enrolling at Jessup University! We look forward to welcoming you into our community!

As required by federal law, this form is designed to verify your ability to pay for one year's estimated costs for your studies, and related expenses, at Jessup. This form, along with all required documentation, must be received by Jessup prior to the issuance of your I-20.

Please keep the following points in mind when submitting financial documentation with this form:

- All supporting financial documents/bank statements must be dated from within six months of the start of your academic program, and must contain the logo and/or seal of the bank, your (or your sponsor's) full name, and the amount of funds available.
- All bank statements and documents must be in English, or be officially translated into English. However, the amount of funds listed on statements may be in the currency of your home country, and does not need to be listed in U.S. Dollars.
- Electronic versions of bank statements are acceptable, as long as they contain the issue date, the logo and/or seal of the issuing bank, your (or your sponsor's) full name, and the amount of funds available. While electronic bank statements are acceptable, "screen shots" of online banking sessions will not be accepted. Original documents are preferred, but high quality color scans sent via email may be accepted at the discretion of the Designated School Official reviewing your documents.
- In lieu of bank statements, you may submit a letter from your bank (on official bank letterhead) containing the issue date, your (or your sponsor's) full name, the length of the relationship with the financial institution, and the amount of funds available. Such letters must bear an official bank signature and bank seal.
- Scholarship letters/financial guarantees must contain an issue date, your full name, and the date the scholarship goes into effect.

Real estate titles, investments/stocks, lines of credit, salary statements, and loans are not acceptable for the purposes of this form.
